PETITION FOR MUNICIPAL INSTITUTIONS.  
WARRINGAL OR HEIDELBERG.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency, hereinafter set forth, signed by one hundred and fifty-one inhabitant householders of the township of Warringal, otherwise called Heidelberg, in the county of Bourke.

By His Excellency's Command,  
JOHN O'SHANASSY.

Z.2732.

The petitioners state that they are subjected to great inconvenience and danger from the condition of the streets and roads in their locality, the communication between the township and Melbourne having been during last winter all but cut off, and the streets rendered nearly impassable for both foot passengers and vehicles.

That any general regulations promotive of cleanliness, health and convenience are in the present state of things impracticable, and that hence the township is consigned to utter neglect, and the value of property deteriorated, many persons having removed, and others having been deterred from coming to reside.

The petitioners state further that they feel convinced that the formation of the township into a municipality, under the Act 18 Victoria No. 15, will be the most certain mode of making provision for its present and future requirements.

And the petitioners pray as follows:—

“Your petitioners therefore pray that your Excellency will be pleased to cause the said township of Warringal or Heidelberg to be proclaimed a municipality under the provisions of the said Act.”

PETITION FOR MUNICIPAL INSTITUTIONS.

CARISBROOK.

IN pursuance of the Act of Council, 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency hereinafter set forth, signed by one hundred and fifty-two householders and landowners in the township and parish of Carisbrook, in the county of Talbot.

By His Excellency's Command,  
WILLIAM C. HAINES.

Z.3050.

The petitioners state that they are householders and landowners in the town and parish of Carisbrook, and are convinced that it will conduce to the improvement, welfare and good government of the township if it were incorporated into a municipal district under 18 Victoria No. 15, and they propose the following boundaries, viz. :—Commencing at the north-western point of suburban allotment 4, parish of Carisbrook, and running in a south-westerly direction one hundred and sixty-one chains; thence due south three hundred and thirty-two chains to the Government road from Carisbrook to Amherst; thence due east eighty-two chains, crossing Back Creek and Mount Greenock Creek; thence in a north-easterly direction four hundred and twenty chains to the south-east corner of the cemetery; thence due north, running along the boundary of the cemetery eight chains to the main Government road to Melbourne through Tarrangower; and thence in a north-westerly direction two hundred and twenty-two chains to the commencing point.

The petitioners further state that the proposed municipal district contains nine square miles, that no one point in it is more than six miles distant from any other point, and that more than three hundred landowners and householders are resident within it.

And the petitioners pray as follows:—

“That Your Excellency will be pleased, by proclamation in the usual manner, to declare the district of Carisbrook a municipal district, under the provisions of the Act of Council before mentioned.”
