PETITION FOR MUNICIPAL INSTITUTIONS.

FITZ ROY WARD—MELBOURNE.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency herein after set forth, signed by over one thousand householders and ratepayers of Fitz Roy Ward, in the city of Melbourne.

By His Excellency's Command,

WILLIAM C. HAINES.

B.4225.

The petitioners state that having carefully considered the management and financial position of the city of Melbourne, they are satisfied as to the inexpediency of continuing to be a portion thereof, on the following grounds, viz. :—

1st. At the present moment the city revenue is insufficient by £36,000 to meet current expenses and keep in moderate repair the "made" streets, without providing for a single mile of new street, and that to meet the deficiency double rates will be required for the ensuing year.

2nd. The streets at present unmade are twenty-four miles in length, and for these and other works it has been proposed in the city council to raise £300,000 (in addition to the Gabrielli loan of £500,000), and thus to add to involvement.

The petitioners observe, that facility in raising such large sums leads to lavish expenditure and increased burthens, and apprehend that all the present rates would barely suffice to pay the interest of the loans, leaving unprovided for the maintenance and scavenging of the present streets.

That it appears from official returns, that during the year ending 31st August, 1856, the payments to the staff of the corporation, or salaries, amounted to £15,300, and the incidental expenses to £4000, making together £19,300, out of a revenue of £49,000, the management thus absorbing 40 per cent., while the corporate income is insufficient by upwards of £36,000 per annum to meet legitimate expenses.

That Fitz Roy Ward, being unequally represented in the city council, cannot obtain justice, Melbourne proper (which contains 640 acres), returning 16 members, while Fitz Roy Ward (which contains 340 acres) only returns 4 members.

Lastly, that there are in Fitz Roy Ward, 13 miles of streets and 10,000 inhabitants, that its importance is such as to require local management, and that its only hope of future prosperity rests in a total and speedy separation from the city.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that your Excellency will be pleased to take their case into your most favorable consideration, and cause the necessary steps to be taken to have the district of 'Fitz Roy,' proclaimed a separate municipality, with the following extension of its boundaries, to obviate objections from the city council of Melbourne, namely, that its southern boundary be the centre of Victoria parade, in lieu of the north side line of the same; its western boundary, the centre of Nicholson street, continued in a straight line northwards to the Meiri Creek, in lieu of the east side line of the said street ending at Reilly street; that the eastern bound-

dary be the centre of Smith street to the Heidelberg road, and thence along the East Collingwood boundary north to the Merri Creek in lieu of the west side line of the said street ending at Reilly street, and its northern boundary be the Merri Creek, in lieu of Reilly street."
