PAYMENT OF PROCEEDS OF POUND SALES.

WITH reference to the Regulations respecting Public Accounts, and the Regulations for Management of Pounds, the attention of the officers concerned is directed to the following rules for payment of the proceeds of pound sales into Sub-Treasuries, to which it is desired that immediate effect should be given.

1. Poundkeepers are, as hitherto, in pursuance of the Regulations for Management of Pounds, to furnish their monthly account of sales and make the payments due thereon to the stipendiary magistrate or chairman of the bench, as indicated in the annexed schedule, and to forward the monthly statements D and E as usual to the Audit Office, Melbourne.

2. Stipendiary magistrates will require of the poundkeepers a punctual compliance with the regulations, and are, on receipt of account sales and money, to transmit the same to the sub-treasury named in the schedule, from which office a receipt for the amount will be returned by course of post.

3. Any default in the accounts or payment therein will be reported from the sub-treasury to the head office, in Melbourne, in the same manner as the default of a collector of revenue.

PETITION FOR MUNICIPAL INSTITUTIONS.

FITZ ROY WARD—MELBOURNE.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency hereinafter set forth, signed by over one thousand householders and ratepayers of Fitz Roy Ward, in the city of Melbourne.

By His Excellency's Command,
WILLIAM C. HAINES.

B.4225.

The petitioners state that having carefully considered the management and financial position of the city of Melbourne, they are satisfied as to the inexpediency of continuing to be a portion thereof, on the following grounds, viz:—

1st. At the present moment the city revenue is insufficient by £36,000 to meet current expenses and keep in moderate repair the "made" streets, without providing for a single mile of new street, and that to meet the deficiency double rates will be required for the ensuing year.

2nd. The streets at present unmade are twenty-four miles in length, and for these and other works it has been proposed in the city council to raise £300,000 (in addition to the Gabrielli loan of £500,000), and thus to add to involvement.

The petitioners observe, that facility in raising such large sums leads to lavish expenditure and increased burthens, and apprehend that all the present rates would barely suffice to pay the interest of the loans, leaving unprovided for the maintenance and scavenging of the present streets.

That it appears from official returns, that during the year ending 31st August, 1856, the payments to the staff of the corporation, or salaries, amounted to £15,300, and the incidental expenses to £4000, making together £19,300, out of a revenue of £19,000, the management thus absorbing 40 per cent., while the corporate income is insufficient by upwards of £36,000 per annum to meet legitimate expenses.

That Fitz Roy Ward, being unequally represented in the city council, cannot obtain justice, Melbourne proper (which contains 640 acres), returning 16 members, while Fitz Roy Ward (which contains 340 acres) only returns 4 members.

Lastly, that there are in Fitz Roy Ward, 13 miles of streets and 10,000 inhabitants, that its importance is such as to require local management, and that its only hope of future prosperity rests in a total and speedy separation from the city.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that your Excellency will be pleased to take their case into your most favorable consideration, and cause the necessary steps to be taken to have the district of 'Fitz Roy,' proclaimed a separate municipality, with the following extension of its boundaries, to obviate objections from the city council of Melbourne, namely, that its southern boundary be the centre of Victoria parade, in lieu of the north side line of the same; its western boundary, the centre of Nicholson street, continued in a straight line northwards to the Merri Creek, in lieu of the east side line of the said street ending at Reilly street; that the eastern bound-

dary be the centre of Smith street to the Heidelberg road, and thence along the East Collingwood boundary north to the Merri Creek in lieu of the west side line of the said street ending at Reilly street, and its northern boundary be the Merri Creek, in lieu of Reilly street."

NOTICE TO MARINERS.

GEELONG HARBOR.

A TEMPORARY light ship has been moored opposite the Bird Rock, on the port side of the channel leading into Geelong, near the position hitherto occupied by the Second Black Buoy, which latter has been removed.

The vessel will, on and after this date, between sunset and sunrise, exhibit a bright fixed light, elevated twenty-seven feet above the sea level, and may be seen in clear weather from the deck of a vessel ten feet above the water, nine nautic miles.

The vessel is moored in twelve feet at low water, with the following magnetic bearings:—

Outer Red Dolphin, upon which a red ball has been placed N. 82 W.
Beacon on Bird Rock S. 89 E.
White buoy, off Bird Rock S. 54 E.
Red buoy, off Point Wilson S. 87 E.
White buoy, off Point Wilson S. 52 E.
Point Henry S. 4 W.

Should the light ship break adrift, or be otherwise shifted from her moorings, the bright light will be discontinued, and two red lights hoisted instead by night, and a large white flag by day.

The following tidal signals will be hoisted by day on board the light ship to indicate the height of water on the Bar:—

Ten feet—One blue flag.
Ten feet six inches—One ball.
Eleven feet—Ball with blue flag over.
Eleven feet six inches—Ball with blue flag under.
Twelve feet—Two balls.
Twelve and a half feet—Two balls with blue flag under.
Thirteen feet—Two balls with blue flag over.
Thirteen and a half feet—Two balls with red flag under.
Fourteen feet—Two balls with red flag over.
Fourteen and a half feet—Two balls with red flag between.
Fifteen feet—Red flag.

Chief Harbor Master.
