MUNICIPAL INSTITUTIONS.

COUNTER-PETITION, FITZ ROY WARD.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a counter-petition (presented to His Excellency on the 16th instant) as hereinafter set forth, and signed by thirteen hundred and eight resident householders and owners of property situate in Fitz Roy ward, in the city of Melbourne, such counter-petition being in opposition to a petition previously presented from the same ward, and gazetted on the 19th ultimo.

By His Excellency's Command,
WILLIAM C. HAINES.

B.5096.

The counter-petitioners state that they are resident householders and owners of property in Fitz Roy ward, Melbourne, and have learned with deep regret that a portion of the ratepayers have taken steps to obtain its separation from the city, and its formation into a municipality.

That they are of opinion that the arguments and accounts adduced in favor of separation are erroneous and calculated to mislead, separation not being advisable.

That instead of the corporate revenue being insufficient by £36,000 to meet current expenses and keep in moderate repair the made streets, as calculated with questionable care by the advocates for separation, they estimate the revenue for the current year at £55,000, and the interest on the Gabrielli loan at £27,000, thus leaving £28,000 to meet the cost of management, repairs, scavenging, &c.

That they believe that the proposition made in the City Council to raise a further loan of £300,000, dwelt upon as impolitic, will not be carried out.

That in quoting from official returns the heavy charges for the staff and management of the city corporation for the year ending 31st August, 1856, the petitioners for separation concealed the fact that the same returns indicate an expenditure in that year of upwards of £130,000 of the Gabrielli loan for public works and special improvements whereby extended and professional supervision was necessitated. The counter-petitioners estimate the cost of management for the present year at less than £9000.

That the plea of the unequal representation of Fitz Roy ward rests merely on proportional acreage, and cannot be sustained, for while the assessed annual value of property in the ward for the year 1857 is £102,960, that of the city is £672,560.

That they are unwilling to relinquish their interest as citizens in the valuable city markets and buildings, or in the flagging (worth £10,000), which the corporation offers to the citizens on liberal terms.

That they feel convinced that the separation of the ward would be prejudicial to its interests, and expose it to influences operating in other municipalities, where (the counter-petitioners state) it is unfortunately known that public interests are sacrificed to party feeling; and that their interests and the interests of the ward generally will be safer in the hands of the experienced council of the city (of whose shortcomings they are fully aware) rather than in the management of a new council, under whose care they fear a repetition of the jobbery and self-seeking which are happily now being eradicated from the corporation of Melbourne.

And the counter-petitioners pray as follows:—

“Your petitioners therefore most humbly and urgently pray that your Excellency will take their case into your most serious consideration, and that your Excellency will be pleased to favorably entertain our petition by refusing to grant a separation from the city of Melbourne.”

(Signed)

PETITION FOR MUNICIPAL INSTITUTIONS.

SOUTH YARRA.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition to His Excellency, hereinafter set forth, signed by three hundred and six householders and ratepayers of South Yarra, in the county of Bourke.

By His Excellency's Command,
 WILLIAM C. HAINES.

B.4713.

The petitioners state that the locality of South Yarra is within the municipal district of Prahran, and that but a small portion of the municipal rates levied on the property in South Yarra has been applied to local improvements; in short, that the municipal council have almost ignored it, not having metalled or formed the roads, nor removed the rubbish from them, and that horses, cattle, pigs, goats, &c., are allowed to roam at large and commit depredations.

That South Yarra is too remote from Prahran to admit of the petitioners sharing the benefits attending municipal institutions, such as a Post Office, facilities for extinguishing fires, a Mechanics' Institute, &c., &c., and that the requirements of South Yarra, differing from those of Prahran, will be better fulfilled by residents than by strangers interested only in the improvement of distant localities contiguous to their own properties.

That the municipal council of Prahran are about to borrow £8000 on mortgage of the rates, that the properties of the petitioners have been rated for 1857 at 1s. in the pound on a rack rental, and they fear that it will be necessary to levy a yearly rate of 2s. in the pound until such loan be repaid.

That the only improvement by aid of such loan contemplated in South Yarra will consist in making and metalling a short piece of road called Yarra street, a work of little if any benefit to the petitioners, but serviceable to the Prahran municipal council for hauling stones over to make roads distant from South Yarra, and that the formation of the Melbourne and Suburban Railway will obviate the necessity for such a road.

That the majority of the petitioners consented to be included within the municipal district of Prahran upon the distinct understanding that the lowest possible rate only would be assessed, and that the council should not borrow money except with the approval of the ratepayers, signified at a public meeting convened for the purpose, which meeting has not been convened.

That the present rateable property within South Yarra is nearly, if not quite, as valuable as that of the whole municipal district was at the time of its constitution.

Lastly, the petitioners state that the area of the proposed municipal district does not exceed nine square miles, that it contains more than three hundred householders or ratepayers, and that it is bounded on the north by the River Yarra Yarra, on the east by the Kooyong road, on the south by the centre of the Commercial road, and on the west by the centre of the Punt road, as delineated on a plan which accompanies the petition.

And the petitioners pray as follows:—

"Your petitioners therefore most humbly pray that Your Excellency will be pleased to declare the locality comprised within the boundaries hereinbefore defined a municipal district, by the name of the South Yarra Municipality, or by such other name as Your Excellency may think fit, under the Act of the 18th Victoria No. 15, intituled, "*An Act for the Establishment of Municipal Institutions in Victoria*," and that for such purpose Your Excellency will, if necessary, vary and alter the present boundaries of the municipal district of Prahran: And that Your Excellency will not consent to the borrowing of eight thousand pounds by the municipality of Prahran, until the locality in which your petitioners reside has been proclaimed a separate municipality."

Chief Secretary's Office,
Melbourne, 27th July, 1857.

MUNICIPALITY OF SOUTH BARWON.

THE following Report of the several matters and questions decided at a public meeting of the resident householders and landowners within the municipal district of South Barwon, held on Tuesday, the 14th day of July, 1857, together with the list of votes for seven councillors taken at the poll on the following Wednesday, is published pursuant to 18 Victoria No. 15, sec. 15.

By His Excellency's Command,
WILLIAM C. HAINES.

At a public meeting held on Tuesday, 14th July, at the Race-course Hotel, at Noon, Mr. W. G. McKellar, J.P., took the chair, and read the authority of Government for so doing.

The chairman then asked Mr. McKenzie if the requisite number of signatures had been obtained to legalize this meeting.

Mr. McKenzie stated that upwards of two hundred and seventy signatures had been obtained. The chairman then asked if the other provisions of the Act as to giving publicity to this meeting had been complied with.

Mr. McKenzie replied in the affirmative, and read extracts from the *Government Gazette* and the *Argus* newspapers, and stated that the *Geelong Advertiser* had notified the same, and that public notices had been posted at the Supreme Court House, various parts of the town, and at the place of meeting.

The chairman then said that in pursuance of the Act, two assessors must be appointed, and called upon the meeting to do so, when

Mr. Alfred Warr proposed, Mr. Michael Leonard seconded Mr. Simeon Price as assessor. Mr. Joseph Williams proposed, Mr. J. N. Thorne seconded Mr. James Hendy as assessor.

The chairman having read clause 25 of the Act, put the names of Messrs. Price and Hendy to the meeting, and declared them duly elected as assessors. Messrs. Price and Hendy took their seats as assessors.

The chairman then read clause 15 of the Act, and stated that he was prepared to proceed, when His Worship the Mayor of Geelong proposed, "That each candidate should be proposed and seconded by competent persons present, and that if the number exceeded the limit of the Act, a poll might be demanded," when

Mr. Thorne suggested, "That the first step should be to determine upon the number of members that should form the council."

The chairman then read clause 10 of the Act, and stated that the first object would be to ascertain the number of members which was to compose the council, when

Mr. Thomas proposed, Mr. Dodds seconded, "That the council do consist of seven members," which having been put by the chairman to the meeting, was carried unanimously.

The chairman then stated that the next step was to determine whether any remuneration should be given to the members of the council, when

Mr. Thomas proposed, Mr. Warr seconded, "That no remuneration be given to members."

A question was here put to the chair as to a councillor being able to fill any subordinate office under the council to which a salary is attached. The chairman said that if the motion now before them was carried it would prevent any councillor receiving remuneration in any shape. A discussion here ensued as to the interpretation of clause 25th of the Act. The chairman read the clause and decided that according to it no remuneration could be allowed to any member of the council.

An amendment to the motion was then proposed by Mr. Wallace, seconded by Mr. A. C. McDonald, "That the chairman have an allowance of Fifty pounds per annum."

The amendment having been first put to the meeting from the chair, was declared lost.

The original motion by Mr. Thomas was then put and carried.

The chairman then stated that he was prepared to proceed with the nomination of candidates, when

Mr. Thompson proposed, Mr. Warr seconded Mr. Alexander McKenzie as a candidate.

Mr. Benari proposed, Mr. Martin seconded Mr. Charles John Dennys as a candidate.

Mr. Joseph Williams proposed, Mr. James Noble seconded Mr. Charles Nuttall Thorne as a candidate.

Mr. Robert Lowe proposed, Mr. John Herd seconded Mr. Samuel Bradley Corrigan as a candidate.

Mr. Thorne proposed, Mr. McKenzie seconded Mr. John Herd as a candidate.

Mr. Noble proposed, Mr. Michael Hines seconded Mr. John Davison as a candidate.

Mr. R. Smith proposed, Mr. Zimmer seconded Mr. William Darling Dodds as a candidate.

Mr. J. Ward proposed, Mr. W. Curtis seconded Mr. Robt. Samuel Tuffs as a candidate.

Mr. Zimmer proposed, Mr. Benari seconded Mr. John Stevens as a candidate.

Mr. Joseph Canty proposed, James Noble seconded Mr. John Munro as a candidate.

Mr. Powell proposed, Mr. R. Smith seconded Mr. John Edwd. Thomas as a candidate.

Mr. Thorne proposed, Mr. Henry seconded Mr. McKellar as a candidate.

Mr. McKellar stated to the meeting that he was not desirous to be put in nomination, but if the meeting so ruled he would be happy to place his services at their disposal.

Mr. Fisher proposed, Mr. Belcher seconded Mr. Kimber as a candidate.

Mr. Hide proposed, Mr. Murnand seconded Mr. Thomas Mallett as a candidate.

No other candidates being proposed, the chairman stated that he would proceed to take a shew of hands, and directed the assessors to count them, when the following gentlemen were declared to be nominated in the order in which their names stand, viz.:

- | | |
|-----------------|-----------------|
| 1. Mr. Dennys | 6. Mr. Dodds |
| 2. Mr. McKellar | 6. Mr. Thorne |
| 3. Mr. McKenzie | 7. Mr. Corrigan |
| 4. Mr. Tuffs | |

The chairman then declared the foregoing seven gentlemen elected as councillors, if no poll was demanded.

Mr. John Herd demanded a poll on behalf of the other candidates.

The chairman then declared that the poll should be taken at the place of present meeting, and the time of polling to open at Eight a.m. and close at Four p.m. on Wednesday, 15th July instant.

His worship the Mayor of Geelong proposed a vote of thanks to the chairman, which was duly responded to, and the meeting closed at a quarter to Two o'clock.
