Chief Secretary's Office,
Melbourne, 17th August, 1858.
PETITION FOR MUNICIPAL INSTITUTIONS.

ARARAT.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by Two hundred and twenty-five householders at Ararat, in the county of Ripon, praying for the erection of the said township into a municipal district.

By His Excellency's Command,
JOHN O'SHANASSY.
H.6668.

The petitioners state that they are convinced that necessity exists for the erection of Ararat into a municipal district, and that its incorporation will tend to the improvement and good government thereof; and they suggest the following boundary line, viz.:—"Commencing at a point 12,150 links, more or less, north from the north-east corner of allotment 2, section 2, parish of Burrembeep, to be continued thence by a line bearing north 12,000 links; thence by a line bearing east 32,000 links; thence by a line bearing south 12,000 links; and thence by a line bearing west 32,000 links to the point of commencement, containing an area of about six square miles, within which no spot shall be distant six miles from any other spot," and a population of more than 300 householders.

And the petitioners pray as follows:—
"Your petitioners therefore humbly pray that Ararat may be proclaimed a municipal district according to the Act of Council 18 Victoria No. 15."
[The signatures, 225 in number, will be found in the Gazette Nos. 108 and 110, pp. 1563, 1593 ante.]

Chief Secretary's Office,
Melbourne, 3rd September, 1858.
MUNICIPAL INSTITUTIONS.
AMHERST PETITION.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and seventy householders and landowners in the town and parish of Amherst, in the county of Talbot, praying for the erection of their locality into a municipal district.

By His Excellency's Command,
JOHN O'SHANASSY.
H.7317.

The petitioners state that they are householders and landowners in the town and parish of Amherst.

That the township has been established for upwards of five years, and that in addition to its gold fields it is situated in the centre of a rich agricultural district.

That all public works for improving the town and its vicinity have been neglected, the streets and roads remaining in a disgraceful state, whereby the value of property has become deteriorated, and the commercial and agricultural interests of the population have suffered greatly.

That the erection of the district into a municipality under the Act 18 Victoria No. 15, would conduce to health and cleanliness, and be the most certain mode of providing for its present and future requirements.

The petitioners suggest the following boundaries for the proposed district, viz.:—"Commencing at the north-west boundary of the township of Amherst; thence due east four miles to the north-east corner of allotment 18, section 4; thence in a south-westerly direction three miles to a point marked in the map as allotment 10, section 7; thence in a north-westerly direction three miles and five chains to the south-west boundary of the township; thence due north one mile to the commencing point."

They farther state that the proposed district does not exceed nine square miles, that no one point therein is more than six miles distant from any other point, and that upwards of three hundred householders and landowners are resident within it.

And the petitioners pray as follows:—
"Your petitioners therefore humbly pray that your Excellency will be pleased to have the above district proclaimed a municipality under the provisions of the said Act, by the name of 'The Municipality of Amherst.'"

[The signatures, 170 in number, appeared in previous Gazettes, viz., Nos. 118, 120, pp. 1697, 1720 ante.]

MUNICIPAL INSTITUTIONS.
BRIGHTON PETITION.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by two hundred and twenty-four householders, resident at and near Brighton, in the county of Bourke, praying for the erection of their locality into a municipal district.

By His Excellency's Command,
JOHN O'SHANASSY.
H.7221.

The petitioners state that the area they propose to be constituted a municipal district does not exceed nine square miles; that no one point therein is distant more than six miles from any other point, and that it contains a population of not less than three hundred householders.

The petitioners suggest that the limits and boundaries of the district shall be as follow: "That portion of the Brighton special survey west and south-west of the main road from Melbourne to Frankston; commencing at the intersection of the said main road and the northern boundary of the special survey; thence west by the northern boundary of the said survey to the bay; thence southwards by the bay to the southern boundary of the said survey; thence east by the southern boundary of the said survey to the intersection of the main road from Melbourne to Frankston; and thence by that main road to the commencing point; and that the same may be called and known by the name of and as 'The Brighton Municipality.'"

And the petitioners pray as follows:—
"That your Excellency will be pleased to proclaim and declare the same as a municipality by the name just mentioned;" and "that, if your Excellency shall see fit to grant your petitioners' application, and to proclaim the said district a municipality, your Excellency will be also pleased to appoint some fit and proper person to preside as chairman at any meeting of the said householders which may be convened in consequence of or pursuant to such Proclamation."

[The signatures, 224 in number, appeared in previous Gazettes, viz., in Nos. 113, 116, 118, pp. 1643, 1671, 1698 ante.]
