**IN** pursuance of the Act of Council, 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency, as hereinafter set forth, signed by one hundred and fifty-one householders resident in the district of Dunolly.

By His Excellency's Command,  
E.1585. WILLIAM C. HAINES.

The petitioners state that they are deeply impressed by the conviction that necessity exists for the creation of Dunolly into a municipal district, and that its incorporation will tend to the improvement and good government thereof; and they suggest that the boundary line should commence at the Junction Hotel, Burnt Creek, and be continued thence due north five miles and 1298 yards, so as to include the property in the occupation of William Fenwick, Esquire, the warden of the district; the other boundaries to be such as to enclose an area not exceeding nine square miles, within which no spot shall be distant six miles from any other spot. In the proposed area they state that there are more than three hundred householders.

And they pray as follows:—

"Your petitioners therefore humbly pray that Dunolly may be proclaimed a municipal district according to the provisions of the Act of Council 18 Victoria No. 15."

NOTICE TO MARINERS.

LIGHTHOUSES, KING GEORGE'S SOUND.

THE accompanying notice, with reference to the establishment of two Lighthouses at the entrance to King George's Sound, Western Australia, has been received in this Department, and is published for general information.

By His Excellency's Command,  
 HENRY MILLER.

NOTICE TO MARINERS.—LIGHTHOUSES AT KING GEORGE'S SOUND,  
 WESTERN AUSTRALIA.

For the guidance of shipping frequenting King George's Sound, a lighthouse has been erected on the summit of Breaksea Island at the entrance of the Sound, and another at the entrance to Princess Royal Harbor.

A light is exhibited in both between sunset and sunrise.

That on Breaksea Island is a good catadioptric light of the second order, white, fixed, and elevated 383 feet above sea level. It may consequently be seen in clear weather at the distance of 9 leagues, from an elevation of 12 feet above the water.

The octagonal iron tower which carries this light is erected near the centre of the island, which is  $\frac{1}{2}$  miles in length E. by S. and W. by N., with an average width of nearly a quarter of a mile. From Breaksea light the extremity of Bald Head bears south 40 degrees west 3 miles, Cape Vancouver at the foot of Mount Gardner east 15 degrees north 7 miles, and the light at the entrance of Princess Royal Harbor west 20 degrees north  $6\frac{1}{2}$  miles. By a vessel from the westward the light may first be seen round the steep slope of Bald Head on the bearing of N.E.  $\frac{1}{4}$  E., just open to the south of the Eclipse Islands. These bearings are magnetic.

The light at Princess Royal Harbor is on Point King, the north point of its narrow entrance. It is a fixed white light of the same description as that on Breaksea, but smaller, and is elevated 37 feet above high water. From the mid-channel between Breaksea and Michaelmas Islands this light bears W. by N.  $\frac{1}{4}$  N., and from the N.E. extremity of Bald Head N.W.  $\frac{1}{4}$  W. It is carried by a wooden square tower 17 feet in height, and 37 feet from the water's edge. All bearings magnetic.

J. S. ROE,

Surveyor General.

Perth, Western Australia, 5th February, 1858.

**I**NTIMATION has been received in this Department from the master and wardens of the Trinity House of South Australia, that a light will in all probability be exhibited on Cape Borda, the west end of Kangaroo Island, on or about the 1st May next. The lighthouse will be in latitude 35° 45' 20" S., longitude 136° 38' 0" E.

ELECTIONS.

The annual election took place in August last, to supply the four vacancies occasioned by the retirement by rotation of Councillors Butler, Corboy and Morris, and by the resignation of Councillor Biddle.

Messrs. Butler, Corboy, Beavan and Leahy were duly elected, by polled votes, to fill the vacant seats, and at a meeting of the council held on Wednesday, the 19th day of August, Councillor P. W. C. Beavan was unanimously elected chairman.

ATTENDANCE OF MEMBERS.

The council has held 22 meetings during the half-year, at which the members attended as follows:—

His worship the chairman	...	22
Councillor Leahy	...	17
„ Butler	...	15
„ Trainor	...	14
„ Corboy	...	14

UNION STREET.

Early in November last, the council succeeded in coming to terms with Messrs. Trainor and Kelly relative to the opening up of Union street, between Sydney and Melbourne streets. The amount of compensation to the gentlemen named was determined by arbitration, and the sums so awarded having been paid, the street was immediately opened to its full width, much to the satisfaction of the ratopayers in general.

BYE-LAWS.

The following bye-laws have been approved of by His Excellency during the past half-year, and are now in operation:—

No. 9. For the appropriation of a second sum of Two thousand pounds, granted from the public revenue for the year 1857, to the municipality of Kilmore.

No. 10. For levying a rate of 1s. in the pound for the current municipal year.

No. 11. For the assessment of all property within the boundaries of the Kilmore municipality for the year ending the 8th August, 1858.

No. 12. A bye-law to prevent danger from fire arising from the erection of inflammable agricultural produce within the municipal district of Kilmore is now under the consideration of His Excellency the Governor.

MAIN ROAD.

Amongst the works completed are—Formation, making, pitching and metalling about 9 chains of the main road to Kyneton, and raising a substantial double culvert across Sydney street, at the intersection of Mitchell street. The council tried every means to induce the Government to undertake these works, but were met with the reply that there were no funds available for the purpose. Now that grants for the improvement of both these roads have been voted for the year 1858, it is but reasonable to expect that the council will be re-imbursed the amount, £465, expended out of the local revenue on works, the expense of which ought to be borne by the general revenue.

Adopted 8th March, 1858.

FREDK. F. W. C. BEVAN.

Victoria, by the Grace of God of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith.

To the Sheriff of the colony of Victoria or his lawful deputy.

WHEREAS upon the petition to the Honorable the Judges of the Supreme Court of the colony of Victoria, of Frederick Barker, of the city of Melbourne, in the colony of Victoria, merchant, against Joseph Alexander Young, of the said city of Melbourne, it appears to us that Joseph Alexander Young is justly and truly indebted to the said Frederick Barker in the sum of Three hundred and forty pounds for goods sold and delivered by the said Frederick Barker to the said Joseph Alexander Young at his request: And whereas it further appears that the said Joseph Alexander Young carried on business as a saddler and is possessed of property in the colony of Victoria, and has committed an act of insolvency by denying himself to his creditors after various appointments have been made by your petitioner and others of his creditors to meet him respecting their claims, which he failed to keep: And the said Joseph Alexander Young has also committed acts of insolvency by departing from his dwelling-house and otherwise absenting himself therefrom with intent to defeat and delay his creditors in obtaining payment of their debts: And also by having departed from the said colony with intent to defeat and delay his creditors in obtaining payment of their debts: And whereas it further appears to us in our said court that his Honor Robert Molesworth, Esquire, judge of the said court, did, by order under his hand bearing date the twentieth day of January, in the year of Our Lord One thousand eight hundred and fifty-eight, place the estate of the said Joseph Alexander Young under sequestration in the hands of the chief commissioner of insolvent estates for the said colony of Victoria, at Melbourne, until the fourth day of February next: Now therefore we command you that you summon the said Joseph Alexander Young that he be before the judges of the Supreme Court aforesaid on the fourth day of February next, at Ten o'clock in the forenoon, to shew cause, if he have any, why the estate of the said Joseph Alexander Young should not by sentence of the said court be adjudged to be sequestered for the benefit of the creditors of the said Joseph Alexander Young, and return you then and there this writ whatsoever you have done thereupon.

Witness his Honor Sir William Foster Stawell, Chief Justice of the Supreme Court of the colony of Victoria, at Melbourne, the twenty-second day of January, in the year of Our Lord One thousand eight hundred and fifty-eight, and in the twenty-first year of Our reign.
