So soon as the amount mentioned shall have been paid to the Assistant Immigration Agent, or Receiver and Paymaster (as the case may be), the money, or a Treasury receipt for it, is to be sent to the Immigration Agent in Melbourne, with the application form (marked C) and a statement of the sums paid for passages and outfit. The Immigration Agent will then transmit a certificate for the persons nominated either to the office at which the money was paid, or to such address as the applicant may request. This certificate must be sent by the applicant to his friends in the United Kingdom.

10. Persons residing at a distance from any of the places not mentioned in the list appended to clause 9, may be supplied with the application form (A) at the nearest Post Office; which, after having been duly filled up and signed, should be transmitted to the Immigration Agent in Melbourne, by whom every information will be furnished. The amount required can be sent to the Immigration Agent in Melbourne by cheque, or order on a bank or mercantile house, or by bank notes in a registered letter. Upon receipt of this remittance, the usual certificate (if approved) for the passages of his friends will be forwarded to the depositor, to be transmitted by post to their address in the United Kingdom.

11. The deposits received should be paid into the Treasury daily: the Immigration Agent will furnish a return to the Honorable the Commissioner of Trade and Customs monthly, in sufficient time for transmission by the mail of the succeeding month to the Commissioners in England.

12. Should the persons nominated decline or be unable to emigrate, the money paid towards their passages will be refunded to the depositor in this colony, either upon the return of the certificate originally granted, or a notification being received from the Commissioners in London that such refund may be made; the money to be repaid will however be subject to a deduction of ten per cent. to cover expenses incurred by the Government on behalf of the applicant. All applications for sums to be refunded should be addressed direct to the Immigration Agent, Melbourne.

13. Should the applicant wilfully misrepresent particulars respecting the persons nominated, the deposits made towards the passages will be liable to forfeiture.

14. Persons resident in Victoria desirous of introducing female domestic servants, through the agency of their friends in the United Kingdom, will be allowed to do so, upon depositing with the Immigration Agent, Melbourne, an amount in accordance with the scale set forth in the 4th clause of the regulations. A certificate will then be issued to that effect, which should be transmitted to the person by whom the servant is to be selected. Upon engagement of such servant the certificate should be presented to the Commissioners in London, who will grant a passage to such person in one of the vessels chartered by them on behalf of the Government of Victoria.

DUNOLLY.

IN pursuance of the Act of Council, 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency, as hereinafter set forth, signed by one hundred and fifty-one householders resident in the district of Dunolly.

By His Excellency's Command,

The petitioners state that they are deeply impressed by the conviction that necessity exists for the erection of Dunolly into a municipal district, and that its incorporation will tend to the improvement and good government thereof; and they suggest that the boundary line should commence at the Junction Hotel, Burnt Creek, and be continued thence due north

five miles and 1298 yards, so as to include the property in the occupation of William Fenwick, Esquire, the warden of the district; the other boundaries to be such as to enclose an area not exceeding nine square miles, within which no spot shall be distant six miles from any other spot. In the proposed area they state that there are more than three hundred householders.

And they pray as follows:—

"Your petitioners therefore humbly pray that Dunolly may be proclaimed a municipal district according to the provisions of the Act of Council 18 Victoria No. 15."
