MUNICIPAL INSTITUTIONS.

FITZ ROY WARD, MELBOURNE.—SECOND PETITION.
IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by sixteen hundred and ninety householders and ratepayers of Fitz Roy Ward, in the city of Melbourne, praying for separation from the said city, and the erection of the said ward into a distinct municipality.

By His Excellency's Command,
JOHN O'SHANASSY.
F.3118.

The petitioners state that after carefully considering the existing management and financial position of the corporation of Melbourne, they are fully convinced as to the necessity for immediate separation therefrom, and the erection of their ward into a separate municipality, for the following reasons, viz. :—

1. The present revenue of the city is insufficient to meet current expenses and to keep the made streets in moderate repair, there remaining, according to the statement of the finance committee, after paying interest and the cost of management, and of cleansing streets, but £2000 for repairs throughout the city during the current year.

2. In addition to the Gabrielli loan, the corporation at present owe £20,000.

3. During 1857, a sum of over £5000 was contributed by Fitz Roy ward to the city funds, and a sum of less than £1500 was expended by the corporation on the ward.

4. During the present year the rates of Fitz Roy ward will exceed £7000, of which there is no probability that the corporation will expend more than £1500 on the ward; but, if the ward be detached from the city, there will remain, after deducting the interest on the ward's share of the Gabrielli loan, upwards of £5000 for the use of the separate municipality.

5. The ward is both politically and geographically separated from the city.

6. The ward, containing as it does, 1½ miles of streets and 12,000 inhabitants, is sufficiently important to require distinct local management. Its prosperity, too, will be greatly furthered by speedy and entire separation from the city.

7. Through the inability of the corporation to carry out the necessary works, large quantities of stagnant water have accumulated in the lower or northern parts of the ward, to the serious injury of the health and property of the inhabitants of the contiguous localities.

8. Fitz Roy ward is at present entirely destitute of market accommodation.

9. The want of a local police court and of a small debts court is felt to be a source of serious inconvenience, the Melbourne Courts being too remote.

10. The opposition formerly offered to separation from the city is now withdrawn, nearly the whole of the ratepayers and freeholders being unanimous in favor of separation.

And the petitioners pray as follows :—

"Your petitioners therefore pray that your Excellency would be pleased to take their case into your most favorable consideration, and cause the necessary steps to be taken to have the Fitz Roy ward district proclaimed a distinct municipality, with the following extension of its boundaries, to obviate objections from the city council of Melbourne, namely :—That its southern boundary be the centre of Victoria parade in lieu of the north side line of the same; its western boundary be the centre line of Nicholson street, continued to the centre of Reilly street northwards, in lieu of the east side line of the said street; that the eastern boundary be the centre of Smith street, continued in a straight line to the centre of Reilly street, and its northern boundary be the centre of Reilly street."

HOTHAM WARD, MELBOURNE.—PETITION.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by seven hundred and thirty-nine householders of Hotham ward, in the city of Melbourne, and praying that their ward may be erected into a separate municipality.

By His Excellency's Command,
JOHN O'SHANASSY.
F.2726.

The petitioners recite a portion of the abovementioned Act, and solicit that the substance and prayer of their petition may be published with a view to the erection of the following district into a distinct municipality, viz. :—Commencing at the north-western angle of the existing municipal boundaries of Melbourne; thence by the Moonee Moonee Ponds to the site of Main's bridge; thence by a line south of a point due west of the northern side of

Victoria street; thence by a line east and by the northern side of Victoria street aforesaid to Elizabeth street; thence northwards by the western sides of Elizabeth street and the Sydney road to the northern boundary of the existing municipality; and thence west by the northern boundary of the existing municipality to the commencing point.

And the petitioners pray as follows :—

"May it therefore please your Excellency, with the advice of the Executive Council, to take the premises into your gracious consideration, and cause the advertisement of the substance and prayer of this petition to be made in the *Government Gazette*, as required by statute; and in due time thereafter, if there be no counter petition signed by a greater majority of householders of Hotham Ward, and delivered, then, in pursuance of the aforesaid statute, to proclaim the locality presently known as and called Hotham ward, to be a municipal district and township under such name as your Excellency shall adopt, all within the meaning of the said statute; or to do, order, and proclaim otherwise in the premises as it may seem meet to your Excellency, with the advice of the Executive Council."
