K.5356.

Smith Ward, bounded on the south by a line running east along the centre of Victoria street from its intersection with Elizabeth street to its intersection with Nicholson street; thence by a line running north along the centre of Nicholson street to its intersection with the north side of Reilly street; thence by a line running east along the said north side of Reilly street to its intersection with the centre of Smith street; thence by a line running north along the said centre of Smith street to its intersection with the southern side of the Heidelberg road; thence by a line running easterly along the said southern side of the said road to its junction with the west side of the Merri Creek; thence by a line running up the said creek to its intersection with the south boundary line of the Brunswick municipality; thence west along the said boundary line to its intersection with the east side of the Sydney road; thence by a line running southerly along the east side of the Sydney road to its junction with the north end of the Madeline street extension; thence by a line running west at right angles to east (crossing the Sydney road) to its intersection with the west side of the Sydney road; thence by a line running southerly along the said west side of the Sydney road to its junction with the northern side of the Flemington road; thence by a line running south-easterly along the centre of Elizabeth street to the commencing point.

**PETITION UNDER THE MUNICIPAL ACT.**  
No. II.—SMITH WARD, MELBOURNE.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by Forty-eight citizens of the city of Melbourne (stated to be the majority of the residents in the portion of Smith Ward east of Nicholson street, and bounded on the north and south by the municipalities of Brunswick and Fitz Roy), praying to be included within the municipal district of Fitz Roy.

By His Excellency's Command,  
M.5932. JOHN O'SHANASSY.

The petitioners state, that rates have been levied by the corporation of Melbourne in their locality for at least six years, during all which time none of the revenue has been expended directly or indirectly in improving any portion of it:

That in consequence of this neglect they have suffered great pecuniary loss and personal inconvenience, the impassable state of the approaches to the city proper having rendered their property almost valueless:

That the position of the contiguous municipality of Fitz Roy, which is situated immediately south of their locality, and lies between them and the city, is such that they are anxious to be embraced within it, and the council of the said municipality has expressed its willingness to accede to their desire, and to make all the necessary improvements without delay.

And the petitioners pray as follows:—

"Your memorialists, being the majority of the residents within the area described underneath, would therefore pray that your Excellency will be pleased to alter the northern boundary of the municipality of Fitz Roy as follows:—From a point at the intersection of Nicholson street and Reilly street along the centre of Nicholson street northward to the southern boundary of the Brunswick municipality; thence in an easterly direction to the Merri Creek, along the centre of the said creek to the centre of the Plenty road; thence in a south-westerly direction to the centre of the Heidelberg road; thence to a point at the intersection of Smith street and the said road; thence southerly to a point at the intersection of Reilly street and Smith street."

## REPORT.

During the last half-year there have been twenty-eight meetings of the council, and seven special meetings, and the attendance of members has been as under, viz. :—

The chairman* ...	12
Councillor Day ...	20
Councillor Jackson ...	28
Councillor Wilson ...	30
Councillor Stott ...	19
Councillor Frayne ...	31
Councillor Crossland ...	25
Councillor Cook* ...	6

## APPLICATIONS.

Granted.

- A telegraph office.  
A Government post office.  
The removal of the Camp buildings.  
The promise that £6000 would be placed on the Estimates for a bridge over the Bet-bet.  
A manure dépôt.  
Recreative ground.

Not granted or refused.

- A bridge over the Loddon, to connect Dunolly with Maldon.  
The proclamation of the county.

## BYE-LAWS.

During the half-year the following bye-laws have received the assent of His Excellency the Governor in Council, viz. :—

- No. 5. For the better prevention of fires, and the damage to life and property arising therefrom.  
No. 7. For the expenditure of the first moiety of £1000 granted out of the public revenue for the year 1858, to the municipal district of Dunolly.  
No. 9. For regulating the mode of voting at the election of councillors.  
No. 10. To regulate the erection of shades and awnings, &c.

## PUBLIC WORKS.

- Repairing bridge over Burnt Creek.  
Completion of footpaths, Broadway.  
Completion of contract, Tweeddale street.  
Various minor improvements about Bull and Thompson streets.

The council have devoted their energies and a considerable outlay of money in the endeavor to procure the erection of a gaol, and the sittings of the supreme court, at Dunolly, in preference to Maryborough, the former place being by far the most central point in the north-western gold fields. The council had the cordial support of the ratepayers in their unavailing attempts. The gaol has been or will be erected at Maryborough, inasmuch as such had been promised to that place regardless of the report of a gaol commission recommending Dunolly as the proper site.

By representations made by a deputation sent to Melbourne on the gaol question, the vote of £2000 for a bridge at Carisbrook over the Deep Creek was disallowed. These representations were not made from any invidious or obstructive reasons, and the success depended upon the contrast ably shown by Mr. Sitwell, of the unequal and partial expenditure of public money, considering the relative importance of this and the Maryborough district.

The amounts on the estimates for the two districts were as under :—

For Dunolly.		For Maryborough.	
Roads and bridges ...	£600	... £8,350	
Public works ...	2,400	... 11,100	
	£3,000	£19,450	

Being a difference in favor of Maryborough of £16,450.

Originating from this council, the ratepayers principally have incurred an expenditure towards the opening of a direct communication between Dunolly, Tarragower, and Castlemaine, by building bridges over the Bet-bet and Wild Dog Creeks. The erection of a bridge over the Loddon would be too much for individual enterprise, but this council have already applied for such an outlay from Government, and will continue to urge such an expenditure, so that this town and district may reap a deserved advantage by lessening the distance to Melbourne fifteen miles, and acquiring a naturally better road.

W. C. DAY,  
Chairman,  
ARTHUR FARQUHAR,  
Town Clerk.

Dunolly, 8th July, 1859.

\* On 6th May, councillor Cook was elected in place of councillor Quinlan (the chairman), resigned. Councillor Day became chairman on 8th April.
