## TOLL-BARS.

The council regrets to state that the anticipation expressed in its last report as to the completion of the approaches to the new Barwon Bridge early in April has not been realized, consequently the toll-bars remain in *statu quo*. This delay has occasioned most serious loss to the municipality in a pecuniary point of view, and has been attended with great inconvenience and even danger in consequence of the traffic having been forced on the natural soil, and heavily laden waggons and drays constantly bogged or overturned. The council is anxiously awaiting the result, having been repeatedly assured by the Government authorities that tenders were out for the completion of these approaches.

## PUBLIC WORKS.

The following tenders have been accepted, and the work either completed or in progress, as noted.

	£	s.	
Repairs to Colac road	...	49	10 in progress.
Ditto to Mount Cole road	...	19	0 "
Ditto to Barrabool road	...	60	0 "
Filling in gully at Belmont	...	34	10 "

## APPLICATIONS TO GOVERNMENT.

For a footpath to be made to the approaches of the new Barwon Bridge, and to be fenced off in such a way as to protect foot passengers from mobs of cattle, bullock drays, &c.; also that the bridge might be marked by laying down a wooden balk in the centre, so as to keep vehicles on their proper side of the road.—Refused.

## BYE-LAWS.

No. 10. For slaughtering cattle.—Gazetted.  
13. For council to have power in cases of distress to remit rates.—Refused.

W. G. McKELLAR,  
Chairman.

W. M. ROY,  
Town Clerk.
