## MUNICIPALITY OF AVOCA.

## BYE-LAW No. 4.—A BYE-LAW FOR THE CONDUCTING OF PUBLIC MEETINGS OF THE RATEPAYERS AND OF ELECTION OF MEMBERS OF COUNCIL, AS ALSO FOR REGULATING THE PROCEEDINGS AT THE ELECTION OF CHAIRMAN:

WHEREAS by the Act of Council 18 Victoria No. 15, intituled, *An Act for the establishment of Municipal Institutions in Victoria*, the council of any municipal district is empowered to make bye-laws for the conducting of elections and public meetings of the ratepayers.

1. Be it therefore enacted by the municipal council of Avoca, that at all public meetings of the ratepayers convened by the chairman for the election of councillors or the conducting any other municipal business, the chairman, or in his absence the senior councillor then present, shall preside, and in case of an equality of votes he shall have the casting vote.

2. If at any election the chairman of the municipal council for the time being shall be a candidate for re-election, or shall be incapacitated from presiding at such election either from illness, absence from the district, or any other cause, it shall be competent for the remaining members of the municipal council (being a quorum) to appoint some one of themselves to act as chairman for the purposes of carrying out such election. And it shall be lawful for the chairman, upon a vote of the council, to appoint such place within the municipal district as may seem to said council proper to be the polling place.

3. If at any election a poll shall be demanded in the manner and form required by the said Act, the chairman shall cause to be provided at the polling place a sufficient number of stalls and compartments, together with ink and pens, for the purpose of enabling the electors to mark the voting papers as hereinafter provided, in any which polling place no person other than the chairman, the town clerk or his deputy, the scrutineers, if any, or electors who shall for the time being be tendering their votes, shall be entitled to be present; and any other person than such chairman, town clerk or his deputy, scrutineers, and electors as aforesaid, who shall intrude behind the barrier, and upon being required by the chairman to withdraw shall refuse or neglect to do so, shall be deemed guilty of an offence within the provisions of this bye-law; provided always that it shall be lawful for the chairman, town clerk or his deputy, to summon to his assistance in any such polling place, compartment, or room, any member or members of the police force, for the purpose of preserving the public peace, quelling any breach thereof which may have arisen, and for removing out of such polling place, compartment or room, any person or persons who may in his opinion be obstructing the polling, or violating any of the provisions of this bye-law, and upon being convicted thereof before two or more justices of the peace, acting in and for the district, shall forfeit and pay a sum or penalty not exceeding Twenty pounds.

4. The chairman shall cause to be provided for the purpose of such election a locked-up box, of which he shall keep the key, with a cleft or opening therein capable of receiving the voting papers, and which box shall stand in front of the chairman; and each elector shall receive from the chairman, or town clerk, or his deputy, a voting paper in the form in the schedule hereunto annexed, and shall thereupon retire to a stall or compartment provided for that purpose, and there strike out the name or names of such candidate or candidates as he does not intend to vote for, and deposit the same in the ballot box in the presence of the chairman, town clerk or his deputy, and scrutineers; and in case such elector shall be unable to read he shall signify the same to the chairman, who shall thereupon mark or strike out the names of such candidate or candidates as such elector shall designate, and no elector shall take out of such polling place any such voting paper either before or after it has been marked as herein provided; and any person wilfully infringing any of the provisions of this clause, or obstructing the polling by any unnecessary delay in performing any act within the polling place shall be deemed guilty of an offence within the meaning of this bye-law, and on being convicted thereof before any two or more justices of the peace acting in and for the district, shall forfeit and pay a sum or penalty of not exceeding Twenty pounds.

5. Each candidate, at his own charge and cost, shall be entitled to appoint, in writing under his own hand, to be delivered to the chairman at any time before Eight o'clock in the morning of the polling day, one scrutineer to be present on his behalf in the polling place.

6. It shall be lawful for the chairman or any scrutineer to put to any elector before he shall have received his voting paper the following questions only:—

1st. What is your name and surname?

2nd. Are you twenty-one years of age?

3rd. Are you a ratepayer on the ratepayers' roll of this municipal district?

4th. Have you already voted at this election?

And if any person shall wilfully give a false answer to any of the questions aforesaid, he shall be deemed guilty of an offence within the meaning of this bye-law, and on being convicted thereof before any two or more justices of the peace, acting in and for the district, shall forfeit and pay a sum or penalty of not more than Five pounds.

7. At every municipal election, it shall be the duty of the town clerk or his deputy to act as poll clerk, and to provide himself with the ratepayers' roll, and as each elector demands his voting paper, to see whether the name of such elector appears on the roll as a ratepayer, within the meaning of the said Act; and

as each voter deposits his voting paper within the ballot box, to mark off such elector's name as having voted at such election.

8. In case the voting paper, as of any person, shall have been received, and any other person shall afterwards demand his voting paper as of the same person, the chairman, when such person shall propose to deposit his voting paper in the ballot box shall refuse to allow the same to be put therein, but shall receive and keep the same apart, and at the close of the election, decide whether such person has already voted or not; and for the purpose of such decision it shall be lawful for the chairman to take evidence on affirmation, and such decision shall be final and conclusive on all parties; and if it shall appear to the chairman that such person had not before voted at such election, such vote shall be added to the already polled, but if otherwise such vote shall not be allowed.

9. At the close of the poll, or as soon after as conveniently may be, the chairman, in the presence of the scrutineers, if any, shall count the number of votes polled for each candidate, and if on the state of the poll being announced the number of votes shall be found to be equal for any two or more candidates, one or more of whom, but not all, shall, by the state of the poll and the number of members to be elected, be entitled to be declared elected, the chairman shall, by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected, but the chairman shall not vote at any election over which he presides except in the case of an equality of votes; and the chairman shall then, in the presence of the scrutineers, seat up all the voting papers used during the election, and they shall be preserved among the records of the council.

10. That all places within which polling is conducted shall be considered and deemed public places.

11. The chairman of this council shall be annually elected in the following manner:—At the first meeting of the council after the annual election, which meeting shall be convened by the retiring chairman or the person presiding at the annual election, the senior councillor then present shall take the chair at the hour named in the notice calling the meeting, provided the whole council be present, otherwise at the expiry of half an hour thereafter, and the council shall proceed by open voting on motion as usual to elect a chairman for the current year, and the councillor in whose favor the show of hands shall be declared by the acting chairman to be the chairman of the council for the current year, and he shall take the chair accordingly.

12. If the result of voting for chairman should be that the highest number of votes is held equally by more than two councillors, then another voting shall take place for those councillors only holding such equality of votes until a majority is recorded, and the chairman shall be elected by the majority of the members of the municipal council.

13. Upon the resignation or disqualification of the chairman of the council, at the next meeting of the council thereafter, the senior councillor then present shall take the chair *pro tem.*, and immediately after the confirmation of the minutes of the preceding meeting shall proceed to the election of a chairman of council for the residue of the municipal year in the manner prescribed by this bye-law.

14. In determining the seniority of councillors for the purpose of this bye-law, it shall be understood to mean the councillor who shall have held office for the longest period without re-election, and who shall have had the greatest number of votes when elected.

15. This bye-law to have effect on receiving the assent of His Excellency the Governor.

#### MUNICIPALITY OF FOOTSCRAY.

**BYE-LAW No. 1.—TO REGULATE BY MEANS OF STANDING ORDERS THE PROCEEDINGS OF THE COUNCIL FOR THE MUNICIPAL DISTRICT OF FOOTSCRAY.**

WHEREAS by an Act of the Lieutenant Governor and Legislative Council of Victoria, 18 Victoria No. 15, intituled, *An Act for the establishment of Municipal Institutions in Victoria*, it is amongst other things enacted, that it shall be competent for the council of any municipal district established under the provisions of the said Act to make bye-laws for the regulation of their own proceedings: And whereas by a Proclamation of His Excellency the Governor, dated the tenth day of June, A.D. 1859, the district of Footscray was duly established a municipal district under the provisions and within the meaning of the said Act: And whereas it is expedient to make

divers regulations for conducting the proceedings and business of the municipal council for the district of Footscray :

Be it therefore ordered and directed by the municipal council for the district of Footscray, that from and after the date of this bye-law receiving the assent of His Excellency the Governor, as required by the provisions of the said Act, the proceedings and business of the said council shall be conducted by the following regulations only, which shall be and be called the Standing Orders of the said council, that is to say:—

#### CHAP. I.—Order of Proceedings.

1. The business of the council shall be conducted on all ordinary occasions with open doors, but any one member present may require the exclusion of strangers until it shall have been decided by the council whether the question proposed to be introduced shall be discussed with open doors.

2. The council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to constitute a quorum; but if at the expiry of fifteen minutes from the time specified in the summons there is not a quorum present, no business shall be transacted by the council at that meeting.

3. At all meetings of the council when there are not three members present, or when the council is counted out, such circumstances, together with the names of the members then present, shall be recorded in the minute book.

4. The minutes of any preceding meeting not previously confirmed shall be read as the first business at all meetings of the council, in order to their confirmation, and no discussion shall be permitted thereon except as to their accuracy as a record of the proceedings.

5. At all meetings of the council (unless otherwise provided for by law) the reading of correspondence unconnected with the orders of the day, the presentation of petitions by members of the council, and the bringing up of reports of committees, shall have precedence of the regular business.

6. Every communication addressed to the council shall be in proper form, and presented by one of its members, who shall be responsible for its being respectfully worded.

7. On the presentation of a petition no debate shall take place thereon until notice has been given in the usual manner, and the only question that shall be entertained on the occasion of its presentation shall be, that the petition be received, and if necessary, that it be referred to a committee.

8. No report of a committee shall be considered or adopted on its presentation, nor until due notice shall be given. All such reports shall be read and received *pro forma*, and if ordered by the council, printed for distribution among the members.

9. If in the report of a committee there are distinct recommendations contained, such report shall not be adopted until the sense of the council has been taken separately on each.

10. The orders of the day shall include all matters arising out of the proceedings of former meetings of the council, and any business which the chairman may think fit to bring under consideration. Any member of the council may, however, bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given at the previous meeting to that at which the same is to be taken into consideration, and all such notices of motion shall be considered in the order in which they were given.

11. No motion entered on the notice paper shall be proceeded with unless the member who has given such notice, or some one authorised by him, be present when the business is called in order. Notices not so proceeded with shall be struck out of the paper.

12. No bye-law shall be finally framed or adopted at the meeting at which it shall have been first proposed, nor until the next meeting of the council regularly convened; and every such bye-law shall, in the interim, remain open for the inspection of any of the ratepayers in the clerk's office free of charge.

13. No motion proposing any petition, address, bye-law, or standing order shall be entertained, unless the mover shall submit therewith a draft of such petition, address, bye-law, or standing order, and such draft shall not be taken in consideration until the following meeting of the council.

#### CHAP. II.—Order of Debate.

14. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise and address the chairman, and no member when speaking shall be interrupted, unless called to order, when he shall sit down, in which case the member calling to order shall be heard thereon in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed, or any other subject entered upon.

15. Any member desirous of proposing either an original motion or amendment must state the nature of such motion or amendment before addressing the council in support thereof.

16. Any member making a motion or amendment shall put it in form, sign and deliver it to the clerk, who shall add thereto the name of the seconder, and no motion or amendment so made shall be withdrawn without leave of the council.

17. No motion or amendment shall be entertained or discussed unless it be seconded: any member may, however, require the enforcement of any standing order of the council, by simply noticing that such order is disobeyed.

18. Any member moving or seconding any motion or amendment shall be held to have spoken on that motion or amendment.

19. The members in speaking shall designate each other by their respective titles of chairman or councillor, as the case may be.

20. If two or more members rise to speak at the same time, the presiding chairman shall decide which is entitled to pre-emptive.

21. No member shall speak twice on the same motion or amendment, except by way of explanation, or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last proposed, unless by permission of the majority of the council, and the presiding chairman shall, without waiting for the interposition of the council, call to order any member proceeding to speak a second time on the same motion or amendment after the reply. The amendment or the original motion, as the case may be, shall be immediately put to the vote.

22. No member shall digress from the subject matter of question under discussion or impute improper motives to others, and all personal reflections upon any member shall be considered highly disorderly.

23. The presiding chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case without argument or comment; and his decision as to what is order or explanation shall be final, *per hac vice*, in each case.

24. The presiding chairman shall stand up when addressing the council in discussion of any question.

25. Any member who shall use any expression capable of being applied offensively to any other member shall, if required by the council, withdraw such expression, and make a satisfactory apology to the council, under a penalty, in case he refuse or neglect to do so before the rising of the council, of not more than Ten pounds.

26. Any member may require the clerk to take down any particular words used by a member immediately upon the same being used.

27. Any member may of right require the production of any of the documents of the corporation relating to the question or matter in discussion.

28. One amendment only shall be discussed at one time, but if lost another may be moved before the original question is put to the vote, but upon any amendment being carried it shall be competent for any member to move one other amendment, but not more.

29. Upon the adoption of any amendment by the council, such amendment shall be held to have quashed the original motion; and, for all purposes of subsequent discussion, the amendment so carried shall be acted upon as an original motion.

30. The presiding chairman shall, in taking the votes on any motion or amendment, put the question first in the affirmative and then in the negative, and he may do so as often as is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority.

31. The council shall vote by show of hands. Any member of the council may, however, call for a division upon any question in the council, in which case the members voting in the affirmative shall first stand up, and afterwards those in the negative, until their votes are recorded.

32. No discussion shall be allowed on any motion for adjournment of the council, but if on the question being put the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained; but if the motion for adjournment be carried, the business then undisposed of shall have precedence at the next meeting of the council.

33. Any member of the council may enter his protest against any resolution of the council, provided that such protest is not inconsistent with truth or disrespectful to the council. Notice of intention to protest must, however, in every case be given on the adoption of the resolution protested against, and the protest signed by the member or members protesting, and specifying the reasons for protesting, must be entered before the next regular meeting of the council by the protesting member or members in a book to be kept for that purpose in the clerk's office, and duly referred to in the minutes of council, the same to be considered also a part of such minutes.

34. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the council, shall be entertained during the same municipal year, unless a call of the whole council has been duly made for that purpose; and no such motion for rescinding any resolution of the council which shall have been negatived by the council shall be again entertained during the same municipal year.

35. The chairman of the council when appointed on committees shall be chairman thereof, and the standing orders of the council shall be observed in all committees, except as to the number of times limited for speaking.

#### CHAP. III.—Elections.

36. No election to any office at the disposal of the council shall take place until four clear days' public notice shall have been given by advertisement in one or more of the local newspapers, inviting applications from candidates duly qualified.

37. No member of the council, nor any auditor, nor any officer holding office under the council, shall be received as surety for any officer appointed by the council, or any work to be done for the council; and in all cases in which security for the due and

faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the party giving the same.

38. At all such elections the voting shall be (except at that of chairman of the council) on cards to be provided for the purpose, on which the voter shall write the name of the candidate he supports and sign his own. No others will be received, and the town clerk shall preserve the same as a record.

**CHAP. IV.—Miscellaneous Regulations.**

39. For the consideration of any bye-law, or for the raising or appropriating of money, or for the objects contemplated in standing order No. 34, it shall be competent for any member, without previous notice, to move for a call of the whole council for the consideration of any such subject at the next or any subsequent meeting, and upon such motion being carried due notice thereof shall be given, in the notice paper for the day, when the order of the day or notice of motion for which such call was made is set down for consideration. And any member not in attendance when such order of the day or notice of motion comes under consideration, or not in attendance at the voting upon such question, or any amendment thereof, whether of adjournment or otherwise, shall be liable to a penalty not exceeding One pound, unless reasonable cause for such absence be shown to the satisfaction of the council.

40. The clerk shall have the charge of the common seal of the corporation, and shall be responsible for the safe custody and proper use of the same, each impression thereof being duly verified with the signature of that officer.

41. The clerk shall not affix the common seal to any corporate document without the express order of the council, nor unless such document bears the signature of the chairman, but in the case of powers of attorney, and other legal instrument, not relating to the corporation, the signatures to which require to be verified by declaration before the chairman, the said seal shall and may be affixed by the clerk to the chairman's certificate accompanying the same.

42. Any one or more of the standing orders of the council may be suspended *pro tempore*, in case of emergency, provided that a majority of the members present shall deem such suspension necessary, but not otherwise, except Nos. 34 and 37.

43. That no councillor or officer connected with the municipal council shall, directly or indirectly, have any interest in work or contracting connected with the municipal council of Footscray.

**BYE-LAW No 2.—FOR DISQUALIFYING MEMBERS OF THE MUNICIPAL COUNCIL OF FOOTSCRAY WHO MAY HAVE ANY BENEFICIAL INTEREST DIRECTLY OR INDIRECTLY IN ANY CONTRACTS WITH SUCH COUNCIL.**

(Under the Municipal Institutions Act, 18 Victoria No. 15.)  
WHEREAS it is expedient for the interests of the ratepayers of Footscray municipality, and for insuring the faithful performance of the duties of members of the municipal council thereof, and for divesting them of any liability to unjust imputations of mercenary motives in the execution of their functions, that they should derive no pecuniary advantage from contracts for work or otherwise with such municipal council: Be it therefore enacted, that no member of the municipal council of Footscray shall hold office, place, or profit, other than that of chairman of such council, or during his term of office shall have, directly or indirectly, by himself or his partner, any share or interest in any contract or employment with, by, or on behalf of such council: Provided that no person shall be disqualified from being a councillor as aforesaid by reason of his being a proprietor or shareholder of any company which shall contract with the said municipal council for lighting or for insuring against fire any part of the said municipality or its property.

**BYE-LAW No. 3.—TO IMPOSE A RATE OF ONE SHILLING IN THE POUND ON AN ASSESSMENT OF ALL PROPERTY IN HOUSES AND LANDS WITHIN THE LIMITS OF THE MUNICIPAL DISTRICT OF FOOTSCRAY FOR THE CURRENT YEAR ENDING 30TH JUNE, 1860.**  
WHEREAS by an Act of His Excellency the Governor of Victoria and the Legislative Council thereof, 19 Victoria No. 16, intitled, *An Act to amend an Act intitled An Act for the establishment of Municipal Institutions in Victoria*, it is thereby enacted, that no toll, rate, or due shall be imposed by the council of any municipal district save by bye-law, subject to the assent of the Governor, as in the said recited Act mentioned:

Be it therefore ordered and directed by the municipal council for the district of Footscray, that from and after the date of this bye-law receiving the assent of His Excellency the Governor as required by the provisions of the said Act, the hereinafter rate of One shilling in the pound shall be and be taken to be the rate on the assessment of all property in houses and in lands within the limits of the municipal district of Footscray for the current year ending the 30th day of June, 1860, to be and remain in force until a new rate be made by the municipal council for the district of Footscray, as required by the provisions of the 18 Victoria No. 15, sec. 33.

ATTENDANCE OF MEMBERS.

The council held twenty-six meetings during the half-year,  
at which the members attended as follows:—

Councillor Thomas	...	22
Trainer	...	22
Bossence	...	21

PUBLIC WORKS FINISHED OR IN PROGRESS.

The various works undertaken by the council during the  
past six months have been satisfactorily completed. Among  
them may be enumerated the kerbing and channelling of about  
two chains of Sydney street, from Brisbane street to Clarke  
street; the opening of drains along Foot and Bourke streets to  
the creek, by which it is hoped the storm water will be so  
diverted that the annoyance caused by it to the owners of pre-  
mises running from Sydney to Melbourne streets will not again  
occur. The drainage of a portion of George street, and also of  
Albert street, has been effected, and substantial culverts have  
been erected at the junction of Albert and Fitz Roy streets  
with Union street.

The kerbing and channelling of Sydney street, on the east  
side, is being satisfactorily proceeded with, and will be com-  
pleted with due despatch. The council have also invited  
tenders for repairing that portion of the Cemetery road, or Foot  
street, within the municipality.

ANNUAL ELECTION.

At the annual election, which took place on the 9th August,  
the three retiring councillors, viz., Messrs. Beavan, Trainer,  
and Corboy, were re-elected by polled votes.

GENERAL AUDIT.

The council have ordered a general audit of the accounts  
from the establishment of the municipality to the present time.  
This was ordered principally on account of certain statements  
made at the annual election, to the effect that this council had  
expended more in salaries, &c., than any other similar institu-  
tion in the colony. The audit will, it is believed, show that  
such is not the case, and that the statements alluded to have no  
foundation in fact.

WATER SUPPLY.

The council have at various times endeavored to induce the  
Government to place a sum of money upon the estimates to be  
appropriated to supplying the town of Kilmore with water.  
Hitherto they have not succeeded, but the present Government  
have given a promise that the matter should receive considera-  
tion.

APPLICATIONS TO GOVERNMENT.

27th January.—Renewed application for a sum to be placed  
on the estimates for harbor improvements.—Granted.

18th February.—Through the collector of customs at Warr-  
nambool, for a powder magazine.—Granted.

26th April.—For a further grant-in-aid of public parks.—  
Granted.

30th May.—For a post delivery within the town.—Refused.

BYE-LAWS.

The following bye-laws have been passed by the council:—

No 19. To authorise the levy of a rate.—Gazetted 3rd May.  
No 20. To empower the council to close any street, road, or  
right-of-way during the progress of works affecting the same.—  
Gazetted 27th May.

No 21. To fix the rates of tolls to be charged at the weigh-  
bridge.—Gazetted 27th May.

Considerable progress has been made in the formation of  
streets and in the general improvements of the town, con-  
sidering the extensive earthworks required to be executed in  
order to obtain proper levels, and the very limited revenue at  
the disposal of the council.

FIRE BRIGADE.

On the 12th of January, the municipal council called a  
meeting of the inhabitants with a view to the formation of a  
fire brigade. The council took the initiative by offering a bonus  
to a competent fireman, and to pay necessary expenses. The  
meeting chose a committee, who placed themselves in communi-  
cation with the various insurance companies in Melbourne for  
assistance in obtaining an engine.

The council have also placed a weighbridge in a central part of the town, which they believe will prove a benefit both to the storekeepers and farmers.

**HARBOR IMPROVEMENT.**

On the 23rd March, Captains Pasley and Ferguson visited Warrnambool and inspected the proposed line of cutting for the purpose of changing the course of the Merri River, and on their favorable representations the harbor improvement (a matter of paramount importance to this port) has at length "after repeated applications" been taken up by the Government. In 1853, Mr. Barrow, a Government engineer, was directed to make a survey of Lady Bay, and in his report to the colonial engineer under date 13th December of the same year he proposes to divert the course of the Merri with a view to prevent the drift sand from the hummocks being brought down by the winter floods and deposited in the bay; but that gentleman's estimate being considered by competent judges inadequate to carry off the large volume of water which flows down the river during the rainy season, the town surveyor (by direction of the municipal council, made a fresh survey of the proposed line of cutting, and prepared plans and sections, which were approved by the Government, who called for tenders and accepted that of Mr. D. Morrison. The first sod was turned on 1st July by the chairman, and the works are now in active progress.

**BOTANICAL GARDEN.**

A moiety of the land reserved for public parks in this municipality has been fenced in and suitable offices erected. A gardener and assistants have been at work some weeks with considerable effect.

The municipal council have to thank those gentlemen who so handsomely contributed from time to time parcels of valuable trees and shrubs.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith, and so forth.

To the Sheriff for the colony of Victoria or his lawful deputy,  
Greeting.

WHEREAS upon the petition to the Honorable the Judges of the Supreme Court of the colony of Victoria of Thomas Clark, of Bank place, in the city of Melbourne, in the colony of Victoria, solicitor, against William Lockhart Morton, late of Elizabeth street, in Melbourne aforesaid, agricultural implement manufacturer, it appears to us that the said William Lockhart Morton is justly and truly indebted to the said Thomas Clark in the sum of Five hundred and thirty-two pounds sixteen shillings and twopence of lawful money of Great Britain, being the amount of the said Thomas Clark's taxed costs in a suit brought against him by the said William Lockhart Morton:

And whereas it further appears that the said William Lockhart Morton carried on business as an agricultural implement manufacturer, and is possessed of property in the colony of Victoria, and has committed acts of insolvency, for that on the eleventh day of May, in the year of Our Lord One thousand eight hundred and fifty-nine, a decree was made by the Supreme Court of the colony of Victoria in its equitable jurisdiction, in a suit wherein the said William Lockhart Morton was plaintiff and the said Thomas Clark was defendant, dismissing the plaintiff's bill in the said suit, with costs to be paid by the said William Lockhart Morton to the said Thomas Clark; and the costs of the said Thomas Clark in the said suit having been taxed by the Master in Equity of this court and allowed at the sum of Five hundred and thirty-two pounds sixteen shillings and twopence, the said Thomas Clark, on the fifth day of July last, issued a writ of *Fieri Facias* against the said William Lockhart Morton for the recovery of the said sum of Five hundred and thirty-two pounds sixteen shillings and twopence, and the officer charged with the execution of the said writ did not find sufficient disposable property of the said William Lockhart Morton to satisfy the said execution, and the said William Lockhart Morton did thereby commit an act of insolvency:

And for that on or about the twenty-first day of May, in the year of Our Lord One thousand eight hundred and fifty-nine, the said William Lockhart Morton left his dwelling-house with intent to defeat and delay his creditors, and did thereby commit an act of insolvency:

And for that the said William Lockhart Morton being out of this colony, that is to say, at Sydney, in the colony of New South Wales, did, on the twenty-seventh day of August last, and still doth, remain absent therefrom, with intent to defeat and delay his creditors, and the said William Lockhart Morton did thereby commit an act of insolvency, whereupon the said Thomas Clark prayed that the estate of the said William Lockhart Morton might be sequestrated for the benefit of his creditors:

And whereas it further appears to us in our said court that His Honor Robert Williams Pohlman, one of the judges of the said court, did by order under his hand bearing date the first day of September, in the year of Our Lord One thousand eight hundred and fifty-nine, place the estate of the said William Lockhart Morton under sequestration in the hands of the Chief Commissioner of Insolvent Estates for the said colony of Victoria, at Melbourne, until the fifteenth day of September instant: Now therefore we command you that you summon the said William Lockhart Morton that he be before the judges of the Supreme Court aforesaid on the fifteenth day of September instant, at Ten o'clock in the forenoon, to show cause, if he have any, why the estate of the said William Lockhart Morton should not by sentence of the said court be adjudged to be sequestrated for the benefit of the creditors of the said William Lockhart Morton; and return you then and there this writ with whatsoever you have done thereupon.

Witness His Honor Sir WILLIAM FOSTER STAWELL, Chief Justice of the Supreme Court of the colony of Victoria, at Melbourne, the first day of September, in the year of Our Lord One thousand eight hundred and fifty-nine, in the twenty-third year of our reign.

W. B. NOEL,  
Chief Commissioner of Insolvent Estates.

To William Lockhart Morton, late of the city of Melbourne, in the colony of Victoria.

Take notice that within four days after the service of this summons you must deliver to Wriothsley Baptist Noel, Esquire, Chief Commissioner of Insolvent Estates for the colony of Victoria, at Melbourne, if your residence is within twenty-five miles of such commissioner's residence, and if at a greater distance, then you must within the same time put into the nearest post office, addressed to such commissioner, a statement in writing signed by you, of any facts alleged in this summons which you intend to dispute, and all facts no notice of which shall be so given, will, upon the hearing of the case, be taken to be admitted by you, and the petitioning creditor will not be required to prove the same.
