And the petitioners pray as follows:—

"May it therefore please your Excellency, with the advice of the Executive Council, to take the premises into your gracious consideration, and cause the advertisement of the substance and prayer of this petition to be made in the *Government Gazette* as required by statute; and in due time thereafter, if there be no counter-petition signed by a greater majority (*sic*) of the householders of Carlton, and delivered, then, in pursuance of the aforesaid statute, to proclaim the locality presently known as a portion of Smith Ward to be a municipal district, to be known by the name and style of the Carlton Municipality, or such other name as your Excellency shall adopt, all within the meaning of the said statute; or to do, order, and proclaim otherwise in the premises, as it may seem meet to your Excellency, with the advice of the Executive Council."

10. If the Board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which, it will be procured by the person requiring it, and the expense charged as in clause 7.

11. In the country districts, when a Board of Survey cannot be conveniently assembled, and in all cases when the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations are due, or to the contractor, in waiting for a Board of Survey, the Head of the Department, or officer in charge of the station, will have the power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article, and supply good in its stead, failing which, it will be obtained by the officer requiring it, and the expense will be charged as in clause 7.

12. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report of the Government Storekeeper, to such mulct not exceeding one-fourth the amount of the monthly account, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

13. It will be competent for the Government Storekeeper on behalf of the Government, or the contractor on his own behalf, to terminate the contract by giving in writing a notice of three full calendar months; it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made.

By His Excellency's Command,
 JAMES McCULLOCH.

Printed forms of tender may be obtained from the Government Storekeeper, Melbourne, or the officer in charge of the police at each station, by whom also any information or explanation will be afforded to persons tendering.

The tenders for each station will be accepted or rejected separately.

At stations where oats and bran cannot readily be procured, the tenders may be for hay or straw only; when all the supplies are included in one tender, it will, if advisable, be accepted for hay or straw, and not for the other articles.

Contractors will be allowed to deliver a quarter's supply on the 1st January, a six months' supply on the 1st April for a winter's stock, and the remainder on the 1st October, subject to the provisions contained in clause 2, Conditions of Contract.

The price must be per ton for hay and straw, and per bushel for oats and bran, including delivery at the stations, and all charges.

The net weight only after deducting the tare is to be charged.

No tender will be entertained unless accompanied by a certificate from two responsible persons that they are willing to become bound as sureties for the due fulfilment of the contract in one-third the estimated cost of the entire supply at the station tendered for; and in the event of the tender being accepted, the bond must be executed within twenty days, failing which the contract may be again advertised or another tender accepted. No bond will be required if the whole supply in value will not amount to £150.

The names and addresses of the tenderers, and of their proposed sureties, must be stated at full length.

All tenders must be enclosed in a separate envelope, marked "Tender for —" (as the case may be), and deposited in the Tender Box at the Government Stores, King street, or if sent by post they must be addressed to the Government Storekeeper, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known on the 9th December, 1859.

CONDITIONS.

1. The hay to be eaten, good, sound, and sweet: the straw to be wheaten, and both to be in all respects of the best quality; oats and bran also to be sound and sweet and of the best description.

2. The supplies to be delivered on the requisition of the officer in charge of the district or station, the quantities stated in the schedule being, however, only approximative, and it must be understood that the Government will draw either more or less than stated. The excess over the estimate will, however, in no case exceed 50 per cent.

3. The contracts entered into under this notice are not to be considered as being infringed or vitiated by any contracts made by the military commissariat.

4. The forage when delivered must be accompanied by an invoice of quantity, showing the gross weight, the tare, and the net weight (this should be on the back of the requisition or order), which, when signed by the officer in charge of the station for the net quantity received, will be returned to the contractor, and by him rendered in support of his account.

5. Each contractor will be required to prepare his own account, monthly, in the prescribed form, and on presentation thereof to the officer in charge of the station or district, it will be forwarded for payment at the Government Stores, Melbourne, or the Treasury Pay Office of the district, as may be indicated on the account.

6. Should forage duly ordered under these contracts not be delivered within forty-eight hours from a reasonable time to be fixed on the order, it will be competent for the department, should circumstances require it, to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

7. In the event of a difference of opinion between the contractor and the officer receiving the forage, as to quality of the same, it is to be decided by a Board of Survey, composed of persons named by the head of a department, and the decision of the board is to be considered final.

8. If the board shall decide that the forage is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 6.

9. When a board of survey cannot be conveniently assembled, or when from some other cause injury would accrue either to the public service or to the contractor by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected forage and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 6.

10. A repetition of irregularity in the quantity or quality of the forage, or of delay in delivering or replacing it when required, will subject the contractor, upon report from the Government Storekeeper, to such mulct, not exceeding one-fourth of the monthly account, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

11. It will be competent for the Government Storekeeper on behalf of the Government, or for the contractor on his own behalf, to terminate the contract by giving in writing a notice of three full calendar months to that effect, it being understood that such notice can only be given from the first day of a month, and provided that no such notice can be given before the 30th April, 1860.

GEO. HARKER.

MUNICIPAL ELECTION.

The Hon. T. T. a'Beckett, Esq., the chairman, being detained in the country on public business, was unable to preside, and the council, pursuant to bye-law No. 5, elected councillor Turner presiding returning officer.

The nomination meeting was held on the 11th October, 1859, on the municipal site, Johnston street, to supply the vacancies occasioned by the retirement by rotation of councillors the Hon. T. T. a'Beckett, Samuel Ramsden, and John Wood.

The following gentlemen were proposed as candidates, and received the number of votes affixed to their respective names on the close of the poll held on the 12th October, 1859. The returning officer gave his casting vote in favor of Mr B. Jarvis. This decision was disputed, a petition against it presented by Mr John Newlands, with a deposit of £50. The council was convened under bye-law No. 5, and sat as a committee of elections and qualifications thereon, resolved only to examine the

voting paper disputed, when they determined the election to be, as declared by the returning officer, in favor of Mr. Benjamin Jarvis.

The council elected Thomas Cope, Esq., chairman of the council for the ensuing municipal year.

FINANCE.

The amount of rate for 1859, exclusive of arrears of rates for preceding years, is, to the present date, £2503 8s. 6d., with arrears for 1856-7-8, £162 14s., making a total of £2666 2s. 6d. A considerable per centage must be deducted from outstanding rates for those uncollectable from absent owners and other causes. The rate collector reports unprecedented difficulties this year in collecting the rates, hence the large balance still outstanding.

It cannot, however, be too strongly impressed upon the minds of the ratepayers that the legislative grant is regulated in amount by that of the rate collected in this year (1859), for the rate struck in the same. The sum paid will be about 80s. for every pound collected; and, consequently, every pound due in 1859, not paid or collected within that period, will entail a loss of thirty shillings to the municipality.

The town clerk having, on the 5th of August last, resigned his office of acting municipal treasurer, held it by request of the council until the close of the municipal year, when Thomas Cope, Esq., the chairman, was appointed municipal treasurer for the current municipal year.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith.

To Richard De Cury Rose, of Portland, in the colony of Victoria.

WHEREAS upon the petition to the Honorable the Judges of the Supreme Court of the colony of Victoria, of Samuel Perkins Lord and Charles Croaker, of Portland, in the colony of Victoria, merchants, against Thomas Bilston, of Heywood, in the colony of Victoria, innkeeper, it appears to us that the said Thomas Bilston is justly and truly indebted to the said Samuel Perkins Lord and Charles Croaker in the sum of Two hundred and forty-eight pounds seven shillings and sixpence for money payable by the said Thomas Bilston to the said Samuel Perkins Lord and Charles Croaker, under and by virtue of three several bills of exchange as follows, namely, in the sum of Ninety-four pounds six shillings and threepence, under and by virtue of a bill of exchange bearing date the eighteenth day of February, One thousand eight hundred and fifty-nine, drawn by Greville, Croaker and Company upon and accepted by the said Thomas Bilston for the sum of Ninety-four pounds six shillings and threepence, and payable three months after the date thereof, and which said bill of exchange was endorsed by the said firm of Greville, Croaker and Company to the said Samuel Perkins Lord and Charles Croaker; in the further sum of Eighty-three pounds three shillings and sixpence, under and by virtue of another bill of exchange bearing date the first day of April, One thousand eight hundred and fifty-nine, drawn by the said Greville, Croaker and Company upon and accepted by the said Thomas Bilston, for the said sum of Eighty-three pounds three shillings and sixpence, and payable three months after the date thereof, and endorsed by the said firm of Greville, Croaker and Company to the said Samuel Perkins Lord and Charles Croaker; and in the further sum of Seventy pounds seventeen shillings and ninepence, under and by virtue of another bill of exchange bearing date the first day of June, One thousand eight hundred and fifty-nine, drawn by the said Samuel Perkins Lord and Charles Croaker, under the name, style or firm of Lord, Croaker and Company, upon and accepted by the said Thomas Bilston, for the said sum of Seventy pounds seventeen shillings and ninepence, and payable three months after the date thereof. And whereas it further appears that the said Thomas Bilston carried on business as an innkeeper at Heywood aforesaid, and is possessed of property in the colony of Victoria, and has committed an act of insolvency by departing or otherwise absconding himself from his dwelling-house at Heywood aforesaid, with intent to defeat or delay his creditors, and that being out of the colony of Victoria, that is to say at Sydney, in the colony of New South Wales, the said Thomas Bilston did, on the twenty-seventh day of September last, and still doth, remain absent from the colony of Victoria with intent to defeat or delay his creditors, and the said Thomas Bilston did thereby commit an act of insolvency. And whereas it further appears to us in our said court that His Honor Robert Williams Pohlman, judge of the said court, did, by order under his hand bearing date the first day of November, in the year of Our Lord One thousand eight hundred and fifty-nine, place the estate of the said

Thomas Bilston under sequestration in the hands of the Chief Commissioner of Insolvent Estates for the said colony of Victoria, at Melbourne, until the first day of December next: Now therefore we command you that you summon the said Thomas Bilston that he be before the Judges of the Supreme Court aforesaid, on the first day of December next, at Ten o'clock in the forenoon, to show cause, if he have any, why the estate of the said Thomas Bilston should not by sentence of the said court be adjudged to be sequestered for the benefit of the creditors of the said Thomas Bilston, and return you then and there this writ whatsoever you have done thereupon.

To Thomas Bilston, of Heywood.

By virtue of the said writ to me directed, I do hereby summon you to be before the Judges of the Supreme Court, at Melbourne, at Ten o'clock in the forenoon, on the first day of December next, to show cause why your estate should not be sequestered for the benefit of your creditors, and herein fail not at your peril.
