PROPOSED ROAD DISTRICT.

PARISH OF GLENLYON, ON THE UPPER LODDON.

IT is hereby notified that a Memorial has been presented to the Governor, signed by thirty householders and landowners resident in the parish of Glenlyon, on the Upper Loddon, setting forth to the following effect:—

The memorialists state that they attended a public meeting of householders and landowners residing within the parish of Glenlyon and in its vicinity, held on the 25th of last November at the Upper Loddon Hotel, Glenlyon, and that it was then unanimously resolved that it being urgently necessary to take immediate steps for repairing the roads in the district, the best means of effecting this object is by the formation of a district road board under the Act 16 Victoria No. 40, such district to be designated "The Glenlyon Road District," and to be bounded as follows, viz., beginning at the south-west angle of allotment 4, section 6, parish of Wombat; from thence due north four miles to allotment 19 of a section on Middleton's Creek, parish of Holcombe, 36 chains; from thence along the course of the said creek in a north-easterly direction to the northern point of allotment 2 in the same section; from thence due east 3 miles 44 chains; from thence south 1 mile 74 chains; thence due east 2 miles 7 chains; thence due south 5 miles 59 chains; thence west 6 miles 16 chains to the commencing point aforesaid.

And the memorialists pray as follows:—

"Your memorialists therefore pray that Your Excellency will be pleased to exercise the powers vested in you by the 9th clause of the Act 16 Victoria No. 40, in behalf of this district, by proclaiming and declaring the portion of the colony above described a road district."

PETITION UNDER THE MUNICIPAL ACT.

CARLTON.

IN pursuance of the Act of Council, 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by four hundred and fifty-six householders resident in the locality known as Carlton, being a portion of Smith ward, in the city of Melbourne, praying for the erection of such locality into a municipal district.

L. 14441.

WILLIAM NICHOLSON.

The petitioners represent themselves as residing in and around the portion of Smith ward north of Grattan street, North Melbourne, called Carlton, and within the area hereinafter described.

They request that the substance and prayer of their petition may be published, in order that in due time their locality may be proclaimed as the Carlton Municipality, with the following boundaries, namely:—Bounded on the south by a line running east along the centre of Grattan street; from thence along the centre of Grattan street to its intersection with Nicholson street; thence by a line running north along the centre of Nicholson street to its intersection with the centre of Reilly street; thence by a line running east along the said centre of Reilly street to its intersection with the centre of Smith street; thence by a line running north along the said centre of Smith street to its intersection with the southern side of the Heidelberg road; thence by a line running easterly along the said southern side of the said road to its junction with the west side of the Merri Creek; thence by a line running up the said creek to its intersection with the south boundary line of the Brunswick municipality; thence west along the said boundary line to its intersection with the centre of Lygon street; thence by a line running southerly down the centre of the said Lygon street; thence by the centre of the road bounding the south-east corner of the Melbourne General Cemetery to its

intersection with the centre of Madeline street; thence along the centre of Madeline street to the commencing point.

And the petitioners pray as follows:—

“May it therefore please your Excellency, with the advice of the Executive Council, to take the premises into your gracious consideration, and cause the advertisement of the substance and prayer of this petition to be made in the *Government Gazette* as required by statute; and in due time thereafter, if there be no counter-petition signed by a greater majority (sic) of the householders of Carlton, and delivered, then, in pursuance of the aforesaid statute, to proclaim the locality presently known as a portion of Smith Ward to be a municipal district, to be known by the name and style of the Carlton Municipality, or such other name as your Excellency shall adopt, all within the meaning of the said statute; or to do, order, and proclaim otherwise in the premises, as it may seem meet to your Excellency, with the advice of the Executive Council.”

[The signatures to the foregoing petition appeared in No. 183 of the *Government Gazette*, p. 2439 ante.]

PETITION UNDER THE MUNICIPAL ACT.

SANDRIDGE.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by six hundred and fifty-two householders of Macarthur ward, in the city of Melbourne, commonly called and known as Sandridge, praying for the erection of their locality into a municipal district under the said Act.

L. 11826.

WILLIAM NICHOLSON.

The petitioners state, that they are householders of Sandridge, otherwise called Macarthur ward, of the city of Melbourne: That they consider that the time has fully arrived for the severance of the ward from the city—firstly, because it is

already geographically separated by the intervening municipality of Emerald Hill; secondly, on account of the inability of the corporation of Melbourne to provide for the wants and requirements of Sandridge; thirdly, because they believe that they are better able to understand their own wants and manage their own affairs than any other body can possibly understand or manage them:

That they desire to avail themselves of the means provided by law to share the benefits which have resulted therefrom to other localities, believing that thereby the welfare of Sandridge will be considerably advanced, and its moral and material prosperity greatly augmented.

They further state that the corporation of Melbourne are about to submit to the Legislature a Bill to define the boundaries of the city including Macarthur ward therein, a measure to which the petitioners are averse, as its effect would be to exclude them from the benefits resulting from local and separate government, which is essential to the full and free development of the capabilities of this important sea-port town.

And the petitioners pray as follows:—

“Your petitioners therefore humbly pray that your Excellency would be pleased to extend the operation of the Municipalities Acts 18 Victoria Nos. 15 and 32 and 19 Victoria No. 16 to this locality, and be pleased to proclaim Sandridge a separate municipality under the style and title of ‘The Sandridge Municipality;’ and that the boundaries of such municipality be as follow, viz:—Commencing at the Government pier at Sandridge at high-water mark, running westerly to the junction of the River Yarra Yarra with Hobson’s Bay; from the said junction up the said river at high-water mark to a point where the boundaries of the Footscray municipality strike the river on the eastern bank of the said river; thence following the boundaries of the Footscray municipality in an easterly direction to the south-east angle of the boundaries of the said municipality; thence following the said boundaries in a northerly direction to a point where the said boundaries strike the south bank of the Yarra Yarra at high-water mark; thence along the south bank of the Yarra Yarra at high water mark to the junction of Ferrars street, Emerald Hill, with the said river; thence in a south-easterly direction along Ferrars street to the south-east side of the Melbourne and Hobson’s Bay Railway line; thence in a south-westerly direction along the proposed line of Bay street to a point where it strikes the present boundary line of the Emerald Hill municipality; thence following the said boundary line in a south-easterly direction to the boundary post off the Sandridge road; thence following the said boundary line to the sea-beach at high-water mark; thence in a westerly direction along high-water mark to the Government pier aforesaid, the said boundaries being colored red on the plan submitted herewith.

“Your petitioners humbly pray that your Excellency will be pleased, on consideration of the grounds brought forward, to grant the prayer of this petition.”

[The signatures to the above mentioned petition appeared in No. 189 of the Government Gazette, p. 2610 ante.]

MUNICIPAL INSTITUTIONS.

PEITION FOR ANNEXATION TO SANDRIDGE.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance of a petition addressed to His Excellency as hereinafter set forth, signed by fifty-two householders and others, following the calling of laborers and ballast-men, resident in the localities known as Fishermen’s Bend and the Ballast Ground, on the shores of Hobson’s Bay, which localities are beyond the limits of any municipal district.

WILLIAM NICHOLSON.

The petitioners state that they are not included within any corporate or municipal boundaries, and that, understanding that the householders of Sandridge are about to petition His Excellency to include within the limits of the proposed Sandridge municipality the district in which the petitioners reside, they desire to express their entire concurrence in such petition, and trust that His Excellency will be pleased to grant its prayer.

At Geelong, Portland, Alberton, Belfast, and Warrnambool, Nos. 1, 2, 3, 4, 7 to 11 inclusive.

At Melbourne (including Pentridge, Yarra Bend, &c.), Nos. 1 to 11 inclusive.

At Williamstown (including Hobson's Bay), Nos. 3 to 11 inclusive.

CONDITIONS.

1. All the articles required by this notice are to be of the best quality of their several kinds, in the best condition, and to be delivered in sound packages.

2. The flour and bread must be the produce of prime wheat, from which on ration No. 1, twenty per cent., and on those of prisoners of the Crown, twelve per cent. has been extracted in bran and waste.

3. Fresh meat (beef and mutton), when ordered for the Lunatic Asylum, to be delivered entirely free from bone, and in all other cases to be supplied in such proportions as may be required, and when the quantity admits, to be delivered in fore and hind quarters alternately. When shins of beef form a portion of the supply, a fair proportion of the bone, not less than five inches, must have been cut off.

4. When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.:-

Wheaten flour, 1 lb., or	} equal to 1½ lb. of bread.
Best wheaten biscuit, 1 lb.	
Salt beef, 1 lb., or	} equal to 1 lb. fresh beef.
Mutton, 1 lb., or	
Salt pork, 10 oz.	} equal to 1 lb. of potatoes in all cases.
Onions, ½ lb., or	
Other vegetables, 2 lbs.	

In scales Nos. 3, 4 and 5, the following substitutes may be made at the discretion of the head of the department:-

In lieu of 8 oz. of meal, 6 oz. bread, ½ oz. sugar and ½ oz. tea
In lieu of 6 oz. of meal, 4 oz. bread, ½ oz. sugar and ½ oz. tea

5. The above substitutions are to be made whenever it may be considered advisable by the officer authorised to draw the rations, but not otherwise. Scales Nos. 3, 4 and 5 will be drawn at Pentridge, either with or without vegetables, as the officer in charge may direct.

6. The supplies are to be delivered direct to the establishment entitled thereto, on the written order of the officer in charge, except in the case of Aboriginal Stations, which are to be supplied under the Melbourne contract, and the several articles are to be delivered at the Government Stores.

7. Should the contractor fail to supply any articles when required, within twenty-four hours, they will be otherwise procured, and the expense, over and above the contract price, will be deducted from his account.

8. The contractor will be required to prepare his own account monthly in the prescribed form, and to forward the same in a complete state, signed by the officer by whom it was incurred, to the Government Storekeeper for examination and payment, at the Government Stores, Melbourne, or the Treasury Pay Office of the district, as the case may be.

9. In the event of a difference of opinion between the contractor and the officer receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed of persons named by the Head of Department, and the decision of the Board is to be considered final.

10. If the Board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which, it will be procured by the person requiring it, and the expense charged as in clause 7.

11. In the country districts, when a Board of Survey cannot be conveniently assembled, and in all cases when the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations are due, or to the contractor, in waiting for a Board of Survey, the Head of the Department, or officer in charge of the station, will have the power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article, and supply good in its stead, failing which, it will be obtained by the officer requiring it, and the expense will be charged as in clause 7.

12. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor, upon report of the Government Storekeeper, to such mulet not exceeding one-fourth the amount of the monthly account, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

13. It will be competent for the Government Storekeeper on behalf of the Government, or the contractor on his own behalf, to terminate the contract by giving in writing a notice of three full calendar months; it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made.

JAMES McCULLOCH.
