PETITION UNDER THE MUNICIPAL ACT.
SANDRIDGE.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by six hundred and fifty-two householders of Macarthur ward, in the city of Melbourne, commonly called and known as Sandridge, praying for the erection of their locality into a municipal district under the said Act.
L.11826.

WILLIAM NICHOLSON.

The petitioners state, that they are householders of Sandridge, otherwise called Macarthur ward, of the city of Melbourne:

That they consider that the time has fully arrived for the severance of the ward from the city—firstly, because it is already geographically separated by the intervening municipality of Emerald Hill; secondly, on account of the inability of the corporation of Melbourne to provide for the wants and requirements of Sandridge; thirdly, because they believe that they are better able to understand their own wants and manage their own affairs than any other body can possibly understand or manage them:

That they desire to avail themselves of the means provided by law to share the benefits which have resulted therefrom to other localities, believing that thereby the welfare of Sandridge will be considerably advanced, and its moral and material prosperity greatly augmented.

They further state that the corporation of Melbourne are about to submit to the Legislature a Bill to define the boundaries of the city including Macarthur ward therein, a measure to which the petitioners are averse, as its effect would be to exclude them from the benefits resulting from local and separate government, which is essential to the full and free development of the capabilities of this important sea-port town.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that your Excellency would be pleased to extend the operation of the Municipalities Acts 18 Victoria Nos. 15 and 32 and 19 Victoria No. 16 to this locality, and be pleased to proclaim Sandridge a separate municipality under the style and title of 'The Sandridge Municipality;' and that the boundaries of such municipality be as follow, viz.:—Commencing at the Government pier at Sandridge at high-water mark, running westerly to the junction of the River Yarra Yarra with Hobson's Bay; from the said junction up the said river at high-water mark to a point where the boundaries of the Footscray municipality strike the river on the eastern bank of the said river; thence following the boundaries of the Footscray municipality in an easterly direction to the south-east angle of the boundaries of the said municipality; thence following the said boundaries in a northerly direction to a point where the said boundaries strike the south bank of the Yarra Yarra at high-water mark; thence along the south bank of the Yarra Yarra at high water mark to the junction of Ferrars street, Emerald Hill, with the said river; thence in a south-easterly direction along Ferrars street to the south-east side of the Melbourne and Hobson's Bay Railway line; thence in a south-westerly direction along the proposed line of Bay street to a point where it strikes the present boundary line of the Emerald Hill municipality; thence following the said boundary line and

south-easterly direction to the boundary post off the Sandridge road; thence following the said boundary line to the sea-beach at high-water mark; thence in a westerly direction along high-water mark to the Government pier aforesaid, the said boundaries being colored red on the plan submitted herewith.

"Your petitioners humbly pray that your Excellency will be pleased, on consideration of the grounds brought forward, to grant the prayer of this petition."

[The signatures to the above mentioned petition appeared in No. 189 of the Government Gazette, p. 2610 ante.]

Chief Secretary's Office,

MUNICIPAL INSTITUTIONS.

PETITION FOR ANNEXATION TO SANDRIDGE.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance of a petition addressed to His Excellency as hereinafter set forth, signed by fifty-two householders and others, following the calling of laborers and ballast-men, resident in the localities known as Fishermen's Bend and the Ballast Ground, on the shores of Hobson's Bay, which localities are beyond the limits of any municipal district.

L.11827.

WILLIAM NICHOLSON.

The petitioners state that they are not included within any corporate or municipal boundaries, and that, understanding that the householders of Sandridge are about to petition His Excellency to include within the limits of the proposed Sandridge municipality the district in which the petitioners reside, they desire to express their entire concurrence in such petition, and trust that His Excellency will be pleased to grant its prayer.

[The signatures to the above mentioned petition appeared in No. 189 of the Government Gazette, p. 2613 ante.]
