MUNICIPAL INSTITUTIONS.  
FITZ ROY PETITION FOR EXTENSION.

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by two hundred and ninety-nine inhabitants of the municipal district of Fitz Roy, in the county of Bourke, praying for the annexation of a contiguous locality to the said municipal district.

By His Excellency's Command,  
J. 2488. JOHN O'SHANASSY.

The petitioners state that they are desirous that the northern boundary of the municipal district should be extended so as to include the triangular portion of land embraced by the Heidelberg road, Smith street, and Reilly street.

They are of opinion that the portion of the Heidelberg road extending from the north end of Brunswick street to the north end of Smith street is the natural boundary of the district on the north, inasmuch as all the leading streets east of Brunswick street are continued to and terminate thereon. But the present boundary line extending along Reilly street deprives the municipal authorities of the power to construct, repair, or control the continuations of those streets that extend in a northerly direction towards the Heidelberg road, and hence these continuations of the leading thoroughfares of the district will be neglected to its manifest injury.

They are also of opinion that the city corporation can lay no just claim to the portion of land sought to be annexed, inasmuch as the expenses incurred in laying out and forming the portions of the streets that intersect it were duly credited to them in the adjustment of amounts at the period of separation.

And the petitioners pray as follows:—

"Your memorialists therefore pray that your Excellency will be pleased to proclaim the northern boundary of this municipality as follows—from a point where the centre of Reilly street intersects the centre of Nicholson street, along the centre of Reilly street to Brunswick street; thence in a north-easterly direction along the south-eastern side of the Heidelberg road to Smith street, and along the centre of Smith street to the present boundary line."

[The signatures to the above-mentioned petition will be found in the *Gazette*, Nos. 56, 58, pp. 749, 788, ante.]

Melbourne, 12th April, 1859.  
**PETITION FOR MUNICIPAL INSTITUTIONS.**

**HEATHCOTE.**

**I**N pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and ninety-nine householders at Heathcote, in the county of Dalhousie, praying for the erection of their locality into a municipal district.

By His Excellency's Command,  
J.2883. **JOHN O'SHANASSY.**

The petitioners recite the 1st and 2nd sections of the Municipal Act, 18 Victoria No. 15, and state that urgent necessity exists for the establishment of a municipal district at Heathcote.

They suggest the following boundaries for the proposed district, viz.:—Commencing at a point at the junction of Mitchell street and High street, being the centre of the township of Heathcote, and extending thence on the north to a point seven chains north to the Black Swan Hotel; on the south to a point twenty chains north of Sheep Station Gully, such north and south boundaries to be arcs of a circle whose radii shall not exceed three miles from the centre, and extending on the east and west respectively one quarter of a mile, or twenty chains from the east and west boundary lines respectively of the main Government road throughout the entire length of the proposed district from north to south.

They state that the abovementioned district forms only a portion of the parish of Heathcote, and is considerably less than the area limited by the Act, and also that it contains a population of householders much exceeding Three hundred.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that your Excellency will be pleased to cause the substance and prayer of this petition to be advertised in the *Government Gazette*, in accordance with the above in part recited Act, and so soon as the terms and provisions of the said Act will permit, to proclaim the locality as a municipal district, by a name in such Proclamation to be declared, and also by the same or any other Proclamation to define the limits and boundaries of such municipal district, the same to be a municipal district, having a council created in a body corporate, for the purposes and with the powers contained in the said in part recited Act."

[The signatures to the above-mentioned petition will be found in the *Gazette*, Nos. 56, 58, pp. 750, 789, ante.]

**MUNICIPAL INSTITUTIONS.**  
**BUNINYONG PETITION.**

**I**N pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and seventy-four householders resident at and near Buninyong, in the county of Grant, praying for the erection of their locality into a municipal district.

By His Excellency's Command,  
K.3143. **JOHN O'SHANASSY.**

The petitioners state that they are all householders resident in and around the township of Buninyong, and within the district proposed to be erected into a municipality.

That a public meeting was held on the 7th of March last, whereat a resolution was passed to the effect that the meeting was of opinion that the establishment of a municipal council would be beneficial to the township and the district in general.

That the township of Buninyong is the oldest inland township in the western district, and the proposed municipal district contains a population of about 5000.

That there is within the proposed district a considerable quantity of land under cultivation, and that extensive mining operations of a permanent character are being carried on therein and in the neighborhood.

That within Buninyong division of the mining district there are 40 engines employed in mining, 78 puddling machines, 4 steam quartz-crushing machines, and 40 whims, besides 4 steam saw-mills, and fellingmongery and other works.

That the average quantity of gold raised weekly within the immediate vicinity is upwards of 1750 ounces, and the quantity is steadily increasing.

That for the reasons stated above they are of opinion that the district hereinafter described should be established as a municipal district, its area containing a population considerably over 300 householders, and not exceeding nine square miles, wherein no point is distant more than six miles from any other point.

The petitioners suggest the following boundaries, viz.:—Commencing at the north-east corner of allotment No. 51 of Buninyong agricultural lands, and bounded thence on the north by a line bearing due west for a distance of three miles

to the north-west corner of Buninyong, allotment No. 40; thence on the west by a line bearing due south for a distance of 1 mile and 60 chains to the south-west corner of Buninyong suburban allotment No. 123 B; thence on the south by a line bearing due east for a distance of 3 miles to the south-east corner of Buninyong suburban allotment No. 98; thence on the east by a line bearing due north for a distance of 1 mile 60 chains to the point of commencement."

And the petitioners pray as follows:—"Your petitioners therefore pray that the said district so defined may be proclaimed a municipal district under the name of 'The Municipal District of Buninyong,' according to the provisions of the Act of Council 18 Victoria No. 15."

[The signatures to the above mentioned petition will be found in the *Gazette*, Nos. 58, 61, pp. 790, 818, ante.]

By His Excellency's Command,  
J.2744. **JOHN O'SHANASSY.**

The petitioners state that they are all householders within the meaning of the Act above referred to, and resident within the area hereinafter described; that such area is less than nine square miles, that no one point therein is distant six miles from any other point, and that it contains the number of householders required by the said Act.

They further state that they are desirous that the Government township of Footscray and the neighborhood should be constituted a municipal district, to be bounded in manner following, viz.:—Commencing at a point being the intersection of the western boundary line of section 8 of the parish of Cut-paw-paw with the Stony Creek and the north-west corner of the municipal district of Williamstown, and thence bearing south to the south-east corner of section 9 of the said parish; thence in a line bearing west to the south-west corner of the said section 9; thence in a line bearing north to a point on the western boundary of section 16, at the south side of a certain street reserved out of the said section 16, known as Suffolk street; thence along the south side of Suffolk street bearing east to another reserved street called Church street; thence by Church street in a line bearing north-east and east to the western boundary line of section 15; thence in a line along the said western boundary line of section 15 to the north-west corner thereof; thence in a line bearing east along the northern boundary line of the said section 15 to the Saltwater River; thence by the Saltwater River to the south side of the railway; thence in a line to the north-east corner of the Government township of Footscray; thence by the eastern and southern boundary lines of the said township to the western side of the River Yarra; thence by the River Yarra and the Stony Creek to the commencing point."

And the petitioners pray as follows:—

"Your petitioners therefore pray your Excellency that the beforementioned boundaries may be declared the limits and constituted the municipal district of Footscray, and that your Excellency will be pleased to issue the necessary Proclamation for declaring it a municipality, and defining its limits accordingly."

## PUBLIC WORKS.

Messrs. Gray and Co. have completed their contract for the supply of 400 cubic yards of metal, and have been paid off.

Contracts were taken by various parties for a supply of blue stone metal to the extent of 850 yards, at 10s., and they have all been satisfactorily performed.

Contracts have been entered into with Messrs. Scott and Houghton for the fencing in of the Public Park, and with Messrs. Burrows and Swinton for the erection of entrance gates, and which works are now in progress.

Application to Government was made for the grant of a piece of land as a place for public recreation, and the most eligible piece at their disposal was granted, but from its position was found to be ill adapted for the purpose, upon which application was made for an exchange for a piece of land occupied by the police. This application was at first declined, but the council feeling deeply the importance of obtaining a convenient site, and having failed in their attempt to secure one from Mr. Woodward, determined to send a deputation of their chairman and councillor Whitehead to wait on the Commissioner of Land and Works, which resulted in their obtaining the police paddock for the purpose. The Government has also granted the sum of £500 towards the fencing in and improvement of said park; and a further application has been made for a share of the sum granted for such purposes for the present year.

Application has also been made for our proportion of the grant-in-aid of municipalities for 1859, a portion of which has been promised immediately.
