TREATMENT OF THE APPARENTLY DROWNED.

A copy of "Directions for the Restoration of Persons apparently Drowned," on the principles of the late Dr. Marshall Hall, as adopted by the Royal National Life Boat Institution in the United Kingdom, is published for general information.

A copy of these Directions will be supplied to any person, free of charge, on application at this office, or that of the Chief Harbor Master at Williamstown.

HENRY MILLER.

VICTORIA.

TREATMENT OF THE APPARENTLY DROWNED.  
(As adopted by the Royal National Life Boat Institution.)

DIRECTIONS TO RESTORE THE APPARENTLY DROWNED.

1. Treat the patient instantly, on the spot, in the open air, exposing the face and chest to the breeze (except in severe weather).

TO CLEAR THE THROAT—

2. Place the patient gently face downwards, with one wrist under the forehead, in which position all fluids will escape by the mouth, and the tongue itself will fall forwards, leaving the entrance into the windpipe free. Assist this operation by wiping and cleansing the mouth.

If there be breathing—wait and watch; if there be no breathing, or if it fail, then—

TO EXCITE RESPIRATION—

3. Turn the patient well and instantly on the side, and—  
4. Excite the nostrils with snuff, hartshorn, volatile salts, or the throat with a feather, &c., and dash cold water on the face previously rubbed warm.

If there be no success, lose not a moment, but instantly—

TO IMITATE RESPIRATION—

5. Replace the patient on the face, raising and supporting the chest well on a folded coat or other article of dress;

6. Turn the body very gently on the side and a little beyond and then briskly on the face, alternately; repeating these measures deliberately, efficiently, and perseveringly about fifteen times in the minute or every four seconds, occasionally varying the side.

[By placing the patient on the chest, it is compressed by the weight of the body, and expiration takes place; when turned on the side, this pressure is removed, and inspiration occurs.]

7. On each occasion that the body is replaced on the face, make uniform but efficient pressure, with brisk movement, on the back between and below the shoulder-blades or bones on each side, removing the pressure immediately before turning the body on the side.

[The first measure increases the Expiration, the second commences Inspiration.]

\*\* The result is—Respiration, or natural breathing;—and, if not too late,—Life.

8. After respiration has been restored, promote the warmth of the body by the application of hot flannels, bottles or bladders of hot water, heated bricks, &c., to the pit of the stomach, the arm-pits, between the thighs, and to the soles of the feet.

TO INDUCE CIRCULATION AND WARMTH—

9. During the whole time do not cease to rub the limbs upwards, with firm grasping pressure and with energy, using handkerchiefs, flannels, &c.

[By this measure the blood is propelled along the veins towards the heart.]

10. Let the limbs be thus warmed and dried, and then clothed, the bystanders supplying the requisite garments.

CAUTIONS.

1. Send quickly for medical assistance and for dry clothing.
2. Avoid all rough usage and turning the body on the back.
3. Under no circumstances hold up the body by the feet.
4. Nor roll the body on casks.
5. Nor rub the body with salt or spirits.
6. Nor inject tobacco-smoke or infusion of tobacco.
7. Avoid the continuous warm-bath.
8. Be particularly careful to prevent persons crowding around the body.

GENERAL OBSERVATIONS.

On the restoration of life, a teaspoonful of warm water should be given, and then, if the power of swallowing have returned, small quantities of wine, or brandy-and-water warm, or coffee. The patient should be kept in bed, and a disposition to sleep encouraged.

The treatment recommended should be persevered in for a considerable time, as it is an erroneous opinion that persons are irrecoverable because life does not soon make its appearance—cases having been successfully treated after persevering several hours.

The leading principles of the above instructions are those of the late Dr. Marshall Hall for the restoration of the apparently dead from drowning.

PENTRIDGE DISTRICT ROAD.

BYE-LAWS MADE BY THE PENTRIDGE ROAD DISTRICT BOARD TO REGULATE ITS PROCEEDINGS.

1. THAT the regular meetings of this board be held at the office of the board every Tuesday, at Six p.m., and that the business shall commence as soon as the legal quorum is present; but should a quorum not be present at the expiration of half an hour after the said time appointed for meeting, the same shall be entered, with a note of the members present, in the minute-book, and such meeting shall lapse.

2. That special meetings shall be summoned at any time by the chairman, upon receiving a written requisition signed by two members, stating the matter to be discussed at such meeting.

3. That no such meeting be held unless notice shall have been given thereof at least three days; that such notice shall be given by the secretary depositing circulars three days before the same is to be held, in the Post Office, Pentridge, for each of the members.

4. That the first business at all meetings of the board shall be the reading of the minutes of the preceding meeting, in order to their confirmation, and that no discussion shall be allowed thereupon, except as to their accuracy.

5. The reading of correspondence, presentation of petitions by members, and bringing up reports, shall have precedence of the regular business at all meetings of the board.

6. On the presentation of a petition, no debate shall take place thereon until one week's notice has been given.

7. The orders of the day shall include all matters arising out of the proceedings of former meetings of the board, and any

business which the chairman may think fit to bring under the notice of the board.

8. Notices of motion (excepting as appears by the 10th Rule) shall be given in writing to the secretary of the board one week previous to the making of the same, and all such notices shall be considered in the order in which they were given.

9. No notice shall be proceeded with unless the member who gave notice of it, or some member authorised by him, be present when the business is called on, and notices not so proceeded with shall be struck out.

10. Notices of motion involving the expenditure of smaller sums than £10, may be acted upon at the meeting at which they are brought forward, as also may orders for the payment of any salaries.

11. That no payment of any account whatever be made unless it shall be first approved and ordered to be paid by the board.

12. That the treasurer shall at every meeting lay before the board a statement of all moneys that have been paid into his hands since the previous meeting of the board, together with the bank-book.

13. That the collector shall not distrain in any case without the order of the board.

14. Any member, on proposing a motion or amendment, or of speaking on any matter, must rise and address the chairman. No member when speaking shall be interrupted, unless called to order, when he shall sit down, in which case the member calling to order shall be heard thereon in preference to any other, and the question of order shall be disposed of by the chairman before the subject is resumed or any other matter entered upon. The chairman, when called upon to decide a point of order or practice, shall state his opinion upon the subject, and, if necessary, take the sense of the meeting thereupon—the decision of a majority in such case shall be final.

15. Any member making a motion or amendment, shall put it in form, sign it, and deliver it to the secretary, who shall add the name of the seconder, and no motion or amendment shall be withdrawn without leave of the board.

16. Any member moving or seconding any motion or amendment shall be held to have spoken on that motion or amendment. Should two or more members rise to speak at the same time, the chairman shall decide which is entitled to be heard in preference; and no member shall speak twice on the same motion or amendment except by way of explanation, or in reply to any original motion or amendment of which he may have been the mover, and the chairman shall call to order any member proceeding to speak a second time; after the reply, the amendment or the original motion, as the case may be, shall be put to the vote.

17. No member shall digress from the matter of the question under discussion, or impute improper motives to others.

18. Any member who shall use any expression which may be applied offensively to any other member, shall, if required by the chairman, withdraw such expression and apologize to the board.

19. The board shall vote by show of hands.

20. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the board, shall be entertained during the current year, unless a call of the whole board has been duly made for that purpose; and no such motion for rescinding any resolution of the board which shall have been negatived by the board, shall be again entertained during the current year.

21. No election to any office shall take place until six clear days public notice shall have been given by advertisement in the local newspaper, inviting applications from candidates properly qualified.

22. No member or officer of the board shall be allowed to tender for any work to be done for, or in connection with, this board, or be received as surety for any contractor for such work.

23. All contracts shall be made by tender, advertised not less than three times in one of the Melbourne daily newspapers; each tender shall be addressed to the chairman, and such tender or tenders only to be opened at the time of their consideration by the board, and which tenders shall be so considered and dealt with at the next meeting of the board, which shall happen after the said tenders are required to be sent in; and when tenders are accepted, a contract bond shall be entered into, signed by the contractor and his surety or sureties, and by the chairman of the board; and the expense of preparing such bond shall in all cases be borne by the person or persons giving the same.

Pentridge, 29th March, 1859.

STEPHEN EGAN,  
Chairman.  
WILLIAM ANKETELL,  
J. F. HARRINGTON,  
Secretary.

The foregoing Bye-laws, made by the Pentridge District Road Board, have been approved by His Excellency the Governor, with the advice of the Executive Council.

Gazetted on the 13th day of May, 1859, pursuant to 16 Victoria No. 40, sec. 4.

By His Excellency's Command,  
G. S. EVANS,  
President of the Board of Land and Works.

Melbourne, 13th May, 1859.

Chief Secretary's Office,  
Melbourne, 15th April, 1859.  
**MUNICIPAL INSTITUTIONS.**

**BUNINYONG PETITION.**

IN pursuance of the Act of Council 18 Victoria No. 15, His Excellency the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and seventy-four householders resident at and near Buninyong, in the county of Grant, praying for the erection of their locality into a municipal district.

By His Excellency's Command,  
**JOHN O'SHANASSY**

K.3143.

The petitioners state that they are all householders resident in and around the township of Buninyong, and within the district proposed to be erected into a municipality.

That a public meeting was held on the 7th of March last, whereat a resolution was passed to the effect that the meeting was of opinion that the establishment of a municipal council would be beneficial to the township and the district in general.

That the township of Buninyong is the oldest inland township in the western district, and the proposed municipal district contains a population of about 5000.

That there is within the proposed district a considerable quantity of land under cultivation, and that extensive mining operations of a permanent character are being carried on therein and in the neighborhood.

That within the Buninyong division of the mining district there are 40 engines employed in mining, 78 puddling machines, 4 steam quartz-crushing machines, and 40 whims, besides 4 steam saw-mills, and fellmongery and other works.

That the average quantity of gold raised weekly within the immediate vicinity is upwards of 1750 ounces, and the quantity is steadily increasing.

That for the reasons stated above they are of opinion that the district hereinafter described should be established as a municipal district, its area containing a population considerably over 300 householders, and not exceeding nine square miles, wherein no point is distant more than six miles from any other point.

The petitioners suggest the following boundaries, viz.: "Commencing at the north-east corner of allotment No. 51 of Buninyong agricultural lands, and bounded thence on the north by a line bearing due west for a distance of three miles to the north-west corner of Buninyong, allotment No. 40; thence on the west by a line bearing due south for a distance of 1 mile and 60 chains to the south-west corner of Buninyong suburban allotment No. 123 B; thence on the south by a line bearing due east for a distance of 3 miles to the south-east corner of Buninyong suburban allotment No. 98; thence on the east by a line bearing due north for a distance of 1 mile 60 chains to the point of commencement."

And the petitioners pray as follows:—"Your petitioners therefore pray that the said district so defined may be proclaimed a municipal district under the name of 'The Municipal District of Buninyong,' according to the provisions of the Act of Council 18 Victoria No. 15."

[The signatures to the above mentioned petition will be found in the Gazette, Nos. 58, 61, pp. 790, 818, ante.]

## CITY COUNCIL OF MELBOURNE.

WHEREAS by an Act of the Governor and Legislative Council of New South Wales, 14 Victoria No. 20, intituled, *An Act for regulating the formation, drainage, and repair of Streets, Courts, and Alleys, on Private Property, within the City of Melbourne*, it is amongst other things enacted, that where any street, court, or alley on private property in the city of Melbourne shall not be, or shall not have been, sufficiently paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired, to the satisfaction of the council of the said city, it shall be lawful for the said council, at any time, and from time to time, by any order under the hand of the mayor or town clerk of the said city, for the time being respectively, to order that any such street, court, or alley, or any part thereof, shall be freed from obstruction, paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired, in such manner and within such time as to the said council may appear expedient, and thereupon the owners of the tenements adjoining or abutting upon such street, court, or alley, on each side thereof, shall in such manner and within such time as shall be expressed in such order, at their respective costs, charges, and expenses, remove all obstructions, and well and sufficiently pave, flag, and macadamise, level, drain, and sewer, or otherwise complete or repair so much of the said street, court, or alley, to the centre thereof, as may be opposite to and co-extensive with their respective tenements, adjoining or abutting on such streets, courts, or alleys respectively:

And whereas the streets, courts, and alleys enumerated in the schedule to this order annexed marked A, have not been sufficiently paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired, to the satisfaction of the council of the city of Melbourne:

Be it now ordered by the council of this the said city, that the streets, courts, and alleys enumerated in the schedule to this order annexed, marked A, shall, within ten days from the date of this order's coming into operation, be freed from obstruction, paved, flagged, macadamised, levelled, drained, and sewered, in such manner as is expressed in the schedule to this order annexed and marked B; and it is hereby notified to the owners respectively of the tenements adjoining or abutting upon the streets, courts, and alleys enumerated in the schedule to this order annexed, marked A, that if they or any of them shall neglect or omit to remove the obstruction, and pave, flag, macadamise, level, drain, and sewer, or otherwise complete and repair the street, court, or alley on which their respective tenements adjoin or abut, in the manner and within the time expressed in this order, then the council of the said city will remove all obstructions in the said streets, courts, and alleys, and pave, flag, macadamise, level, drain, sewer, and otherwise complete or repair the same, or such parts thereof as shall not have been so done pursuant to this order, and will thereupon ascertain, determine, and charge such respective owners with their several proportionate parts of the costs, charges, and expenses thereof, according to and co-existent with their respective tenements adjoining or abutting on such street, court, or alley, having regard in such apportionment to the state and condition of the pavement, flagging, macadamising, levelling, draining, and sewerage in such streets, courts, or alleys respectively, or any part thereof, as shall or may be at the time of making this order.

Made and passed by the council of the city of Melbourne, this eighteenth day of April, 1859.

E. G. FITZGIBBON,  
Town Clerk,

## SCHEDULE B, REFERRED TO IN THIS ORDER.

Manner in which the streets, courts, and alleys, enumerated in schedule A, referred to in this order, are ordered to be freed from obstruction, paved, flagged, macadamised, levelled, drained, and sewered.

The natural soil is to be reduced or made up as the case may require, so that the longitudinal section of the whole right-of-way shall in no part have an inclination of less than 1 in 120, and where practicable the entire length is to form one incline. In laying on any stuff it is to be spread in layers of not more than one foot thick. The transverse section of the right-of-way is to show a roadway whose crown shall be one inch above the kerbs of the footways, and in the fall from the crown of the water-channels is to be at the rate of 1 in 25.

On either side of the roadway there is to be a water-channel eighteen inches wide, consisting of two rows of bluestone pitchers, nine inches deep, and not less than nine inches by fourteen inches on the surface, with upright sides, set in loam and rammed with a rammer weighing forty pounds, so as to subside four inches.

The bottom of the channel is to be seven inches below the top of the kerbs.

On either side of the roadway there is also to be a footway not more than three feet wide, and these are to be separated from the roadway by a red gum plank or kerb ten inches by three, set on edge, and fastened with five-inch spikes to piles four inches by four of red gum, three feet long, driven into the soil.

The footways are to be covered with a coat of gravel three inches thick, and the surface is to fall towards the channel at the rate of 1 in 10. The roadway is to be covered with a coat of broken metal, broken to a two and a half inch gauge, and laid on seven inches thick at the channels, and eight inches at the crown, and this when necessary is to be covered with a coat of loam one and a half inches thick.

Wherever private entrances lead from the right-of-ways they are to be paved to the full width with bluestone pitchers in the same manner as the channels. Paving is to be extended from the channels towards the line of houses or fences, so as to cross the entire footway.

The whole of the work must be done under the inspection and subject to the approval of the City Surveyor, who is authorised to order any deviation from these general principles which the particularities of any case may require. No. 653

## MUNICIPALITY OF DUNOLLY.

A MEETING of the ratepayers of the municipal district of Dunolly will be held within the Bull and Mouth Hotel, Dunolly, on Friday, the 10th day of June next, at Eight of the o'clock, morning, for the purpose of electing three members of council in the place of William Stott, Peter Frayne, and George Crossland, who retire by rotation. The councillors so retiring are eligible for re-election.

No. 692

FITZ ROY MUNICIPALITY.

FIRST HALF-YEARLY REPORT OF THE MUNICIPAL COUNCIL OF FITZ ROY, FROM 30TH SEPTEMBER, 1858, TO 31ST MARCH, 1859.

ON the 9th of September, 1858, His Excellency the Governor proclaimed that portion of Collingwood formerly known as Fitz Roy Ward a separate municipality, under the title of the "Municipal District of Fitz Roy."

On the 28th September following, a public meeting of the ratepayers was held, in accordance with the Municipal Act, in Mr. Templeton's schoolroom, George street. Dr. Embling, M.L.A., presided, and Messrs. Vasey and Prince were elected to act as assessors. It was then decided that the municipal council should consist of seven members, and that they should receive no remuneration. Immediately afterwards the following candidates were nominated:—Messrs. Hugh Peck, Benjamin Bell, Edward Harris, Charles Lister, A. T. Best, G. H. Williams, G. Hyde, H. P. Fergie, Edward Langton, George Wallder, Thomas Hargreave, R. T. Clarke, R. Wallace, Edwin J. Bennett, George Symons, J. T. McMinn, H. Templeton, W. J. Mulready, Henry Groom, and Thomas Rae. The polling took place on the following day, Dr. Embling presiding. The following were the number of votes recorded for the successful candidates:—Thos. Rae, 901; George Symons, 789; E. Langton, 685; Henry Groom, 640; Benj. Bell, 569; Edwin Bennett, 561; and Thos. Hargreave, 561. On the 30th September, the chairman of the election declared the abovenamed gentlemen duly elected as members of the Fitz Roy Municipal Council. On the same day the council held its first meeting, at the Exchange Hotel, in Gertrude street, on which occasion councillor George Symons was unanimously elected chairman.

Since that date the council have held thirty-four meetings, at which the attendance of the councillors has been as follows:—

Councillor George Symons	attended 21	out of 25	meetings.
Councillor Thomas Rae	" 27	" 34	"
Councillor Edward Langton	" 29	" 34	"
Councillor Henry Groom	" 32	" 34	"
Councillor Benjamin Bell	" 32	" 34	"
Councillor Edwin J. Bennett	" 34	" 34	"
Councillor Thos. Hargreave	" 34	" 34	"
Councillor G. H. Williams	" 4	" 4	"

The chairman (councillor Symons) resigned office on 26th January, and on the 28th, councillor Edwin James Bennett was elected chairman for the remainder of the municipal year. On the 2nd of March last, George Henry Williams was elected to fill the place of councillor Symons, resigned.

The Public Works and Lighting Committee (councillor Groom, chairman, councillors Bennett and Bell) have held

twenty-eight meetings during the past half-year. The Finance Committee (councillor Langton, chairman, councillors Rae and Hargreave) have held twenty-two meetings during the same period. The Health and Legislative Committee (councillor Rae, chairman, councillors Langton and Hargreave) have held sixteen meetings; and the Markets and Licensing Committee (councillor Bell, chairman, and councillors Langton and Hargreave) have held sixteen meetings also. The Free Public Library Committee (councillor Rae, chairman, councillors Langton and Hargreave) have held four meetings since its appointment on 1st December last. The committee for enquiry into the propriety of establishing municipal gas works held one meeting, and adjourned *sine die*. The Benevolent Committee (councillor Hargreave, chairman, councillors Bennett and Bell), appointed on 23rd February last, for the purpose of relieving pressing cases of poverty, have held two meetings. On the 20th March, a committee, consisting of the chairman, and councillors Langton, Hargreave, and Williams, were appointed to enquire into, and report to the council, upon the present condition of the local Fire Brigade, and also as to the best means for extinguishing fires.

**PUBLIC WORKS.**

The Government grant in aid of £3000, being the share due to this municipality from the vote of £25,000 granted by the Legislature in aid of repairing the streets of Melbourne, was appropriated in metalling Brunswick street, Gertrude street, and a portion of Victoria parade, and in the construction of several cube crossings at the intersections of those streets.

The following works have been repaired and constructed during the last half-year under contracts :—

No. 75.—MAY 13TH, 1859.—4.

**BYE-LAWS.**

The following bye-laws have been framed by the council, and have received the approval of His Excellency the Governor in Council :—

- Bye-law No. 1.—For regulating the proceedings of the municipal council.
- Bye-law No. 2.—For empowering the chairman to take elections by ballot, for supplying vacancies in the municipal council.
- Bye-law No. 3.—For regulating building operations within the municipality.
- Bye-law No. 4.—For levying a rate of One shilling and sixpence in the pound, for the current municipal year.
- Bye-law No. 5.—For preventing damages to the footpaths and water-channels, and for regulating the foundation of private and common crossings.
- Bye-law No. 6.—For appointing stands for public carriers, carters, water drawers, and public vehicles.

**REVENUE.**

The rateable property within the municipality is valued at £144,508, which, at One shilling and sixpence in the pound, will yield a revenue of £10,838 2s.

**GOVERNMENT GRANTS.**

The council have already received £1000 from the fund voted in aid of municipalities formed during the year 1858; also, the sum of £8000, being the sum due to this district from the £25,000 voted by Parliament for the maintenance of the streets of Melbourne, which, together with the first instalment of £4500 named on account of the grant in aid for the current year, makes a total of £8500 already received by this municipality. The proportion of rate collected up to 31st March amounts to £5400 17s. 6d.

**DEPUTATIONS.**

The chairman, councillor Symons, attended by the town clerk, presented a memorial to His Excellency on the 26th November last, praying that the southern boundary of this municipality be not altered.

The chairman and councillor Langton represented this council at the municipal conference. The object of the meeting was to endeavor to obtain redress from the Legislature with respect to the monopoly of carriage licenses possessed by the city of Melbourne.

Several deputations have waited on the Attorney General to endeavor to obtain a conveyance of the rights and privileges of the Fitz Roy Ward Improvement Act from the city corporation to the municipal council. On one of those occasions the Attorney General stated that it was his intention to bring a bill before the last Parliament to obtain that object, but the council regret to say he has not done so.

Deputations from this council have also waited on the President of the Board of Lands and Works respecting Reilly street drain, and it is now probable the work will be proceeded with forthwith, according to plans that have received the approval of the joint councils of East Collingwood and Fitz Roy.

A deputation recently waited at the above office, and received a favorable reply to an application for a site for public baths, and for other purposes of recreation. The locality indicated as a suitable spot was that triangular portion of land lying between the Heidelberg road and Smith and Reilly streets.

A numerous signed petition has been forwarded to His Excellency, praying for the extension of the northern boundary of the municipality, so as to embrace the above-described locality.

On the 22nd December last, the municipal council, as local board of health, appointed R. T. Tracy, Esq., M.D., health officer for this district. A favorable report of the sanitary condition of this district, prepared by Dr. Tracy, together with the certificate required by the Health Act, has been transmitted to the Central Board of Health.

After repeated applications, the Attorney General appointed a temporary clerk of petty sessions for this district; the court, which had been proclaimed on 30th November last, was then opened on the 4th March following.

The Sewerage and Water Commission have extended their mains throughout the whole district, and at the instance of the council, laid down one hundred and fifty fire plugs, in addition to the hundred previously laid down by the corporation of Melbourne.

The Melbourne Gas Company have laid mains down Nicholson street to Johnston street, and have agreed to lay down mains throughout the entire length of Brunswick street, with a view of ultimately carrying branch mains into the cross streets, north of Johnston street; the council therefore intend shortly to call for tenders for supplying lamp posts, with a view of better lighting the present unlighted portions of the municipality.

The council have voted an annual grant of £50 towards the funds of the Fire Brigade.

The council have co-operated with that of East Collingwood to prevent the placing a toll on Johnston street bridge, and though unsuccessful in their immediate object, have, however, good reason to believe that upon their representations the rates imposed will not exceed 3d. for each dray laden with produce and firewood.

The joint committees of the two councils have had several interviews with the council of the Mechanics' Institute respecting the establishment of a Free Public Library.
