

SUPPLEMENT  
TO THE  
VICTORIA  
GOVERNMENT GAZETTE

OF TUESDAY, MAY 22, 1860.

Published by Authority.

No. 65.]

WEDNESDAY, MAY 23.

[1860.

No. 15.

General Post Office, Melbourne.

LIST OF UNCLAIMED SHIP LETTERS FOR THE WEEK ENDING 15TH MAY, 1860.

PERSONS applying for Letters at the General Post Office are particularly requested to give the correct number of the letter and also the date and number of the list in which they may have observed their names, as such reference will materially facilitate delivery. Persons in the country making written applications, in addition to the number of the letter, and the date and number of the list, are requested to give their christian name or names in full, and state where they expect their letters from, and any information which may tend to prevent an unnecessary transmission of letters.

Application to be made at the General Delivery Department, entrance from Little Bourke street.

N.B.—Letters posted in any part of the Colony of Victoria are not advertised. The Lists contain only Letters received by SHIP from England, Foreign Countries, and the neighbouring Colonies.

WILLIAM TURNER,  
Secretary.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. This is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. These methods include surveys, interviews, and focus groups, each with its own strengths and limitations.

3. The third part of the document describes the process of interpreting the data and drawing conclusions. This involves identifying patterns, trends, and anomalies, and then relating these findings back to the organization's goals and objectives.

4. The fourth part of the document discusses the importance of communicating the results of the research to the relevant stakeholders. This involves preparing clear and concise reports, presentations, and other communication materials.
