NOTICE TO SHAREHOLDERS IN MINING COMPANIES.

BY the 90th section of the Act 21 Victoria No. 22, it is enacted that no person shall be entitled to institute proceedings in any court of mines, or in any other court, or before any warden, to recover possession of any land occupied by virtue of any Miner's Right, or damages for the occupation of or encroachment upon such land, or to obtain relief as tenant in common or coadventurer in any such land, against his tenant in common or coadventurer, unless such person shall have been the holder of a Miner's Right at the time when his title to recover such possession or obtain such relief first arose or accrued.

The holder of shares in a mining company carrying on operations on Crown lands (not under lease), who has not taken out a Miner's Right, is therefore without any means of obtaining legal redress, either as against strangers or as against his fellow shareholders.

Miner's Rights can be obtained at the several Receipt and Pay Offices in Victoria, upon payment of One pound. They remain in force for one year from the time they are issued.

It is not necessary for a person to take out more than one Miner's Right, although he may be interested in a number of mining companies.

PETITION UNDER THE MUNICIPAL ACT.
HAWTHORN.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by two hundred and ninety-two householders, resident in and around the township of Hawthorn, in the county of Bourke, praying for the erection of their locality into a municipal district.

O.5234.

WILLIAM NICHOLSON.

The petitioners state that they are householders within the meaning of the *Municipal Act*, resident in and around the township of Hawthorn, and within the undermentioned district, the area whereof is less than nine square miles, and wherein no point is distant six miles from any other point, viz.:—Commencing at a point on the east bank of the Yarra Yarra River, being the centre of the road forming the northern boundary of portion 28, parish of Boroondara; bounded on the north by the centre of the said road bearing east, the south side of the said road forming the northern boundaries of portions 28, 29, 35, and 69, until it intersects the western boundary of portion 70; thence again on the north by a prolongation of the centre line of the before-mentioned road passing through portion 70, bearing east fifty-six chains twenty links to the eastern boundary of portion 70; thence again on the north by a line bearing east fifty links to the centre of a road one chain wide (the west side of the said road forming the eastern boundaries of portions 70, 93, 94, 97, 98, 101, 102, 104 B, 105 B, 106 B, and 108); thence following the centre of the said road south until it intersects the north bank of the Kooyong Koot or Gardiner's Creek; thence by the said north bank of the Kooyong Koot or Gardiner's Creek to its confluence with the Yarra Yarra River, and by the north and east banks of the Yarra Yarra River to the commencing point, all in the county of Bourke.

They further state that they feel deeply interested in the progress and improvement of the said district, and are of opinion that erecting it into a municipality will prove of undoubted advantage and benefit to the inhabitants, who have at four public meetings unanimously approved of the application now made.

And the petitioners pray as follows:—

"May it therefore please your Excellency, with the advice of the Executive Council, to cause to be published in the manner required by law the substance and prayer of this petition, and in due time to proclaim the aforesaid district to be 'The Municipal District of Hawthorn,' constituted and empowered under the provisions of the *Municipal Act*, 18 Victoria No. 15."

[The signatures to the above-mentioned petition appeared in Nos. 77 and 78 of the *Gazette*, pp. 1197, 1202 ante.]
