No. 29. For the suppression of nuisances.

No. 30. For the further regulation of public vehicles.

No. 31. For the regulation of Sandhurst cattle market and abattoirs.

NOTE.—No. 28 has not yet received the Governor's assent. The remainder have.

FINANCE.

The sum of £1961 10s. 5d. has been received from the Government as an instalment of the grant-in-aid for the current year.

The amount received for market tolls and dues for the half-year is £1421.

A new assessment of all rateable property has been prepared by Messrs. Skene and Lane, containing 4011 properties, and amounting to £134,231, on which a rate for the current year is being struck.

MISCELLANEOUS.

For the prevention of fires, the council have purchased and had fixed in the main of the Bendigo waterworks a number of fire plugs, to which suitable hydrants and hose are fitted.

The cattle market and abattoirs have been completed, and are now in use, with a fair prospect of being remunerative for outlay, besides being a great convenience to the public.

The Camp Reserve, so long desired by the public as a place of recreation, was ceded to the municipal council and formally given into their possession by the Government officers on the 29th May last, but the council regret to say that an attempt made afterwards by the Government to oblige the council to compensate persons whom the Government had allowed to trespass for occupation purposes in the reserve, and to which the council could not agree, has prevented those steps being taken for planting and fencing the ground which otherwise would have been.

The threatened withdrawal of grants from municipalities, and other local grievances, have necessitated deputations being twice sent to Melbourne, and the objects sought have been pretty generally obtained.

The botanic gardens reserve has been laid out, fenced and planted, and it is expected will, in the ensuing spring, be a sufficient source of pleasure and attraction to the community to justify the outlay incurred. The council are also planting some hundreds of trees in the streets.

At the wish of many of the inhabitants in the suburbs to be included in the municipality, steps are being taken for an extension of the boundary.

The council have made many applications to the Government in furtherance of the interests of the district, amongst others for the prevention of the erection of the toll-bar at Kangaroo Flat, in which matter they believe the Government have yielded to the wishes of the inhabitants.

ELECTIONS.

At the commencement of the year, Councillor Strickland by 680 votes, Councillor Casey by 50 votes, Councillor Macartney by 421 votes, were elected as councillors in the places of Messrs. Abbott, Casey, and Strickland, who retired by rotation.

At the first meeting of the council Councillor Casey was elected chairman for the year.

Mr. A. M. Lloyd has been appointed cattle-market inspector; Mr. J. W. Townsend, collector; and Sergeant Drought, inspector of nuisances, &c., the two latter appointments were rendered necessary in consequence of an alteration in the duties and mode of payment of the collector, and the resolution of the council to employ a sergeant of police as town inspector instead of an officer solely for that duty as before.
