PETITION UNDER THE MUNICIPAL ACT.
ESSENDON AND FLEMINGTON.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and sixty-nine householders resident at and near Essendon and Flemington, in the parish of Doutta Galla, in the county of Bourke, praying for the erection of their locality into a municipal district.

R. HEALES.

Chief Secretary's Office,
Melbourne, 8th November, 1861.

8597.

The petitioners state that they are all householders resident at and near Essendon and Flemington, within the meaning of the Municipal Institutions Act, 18 Victoria No. 15; that they are more than one hundred and fifty in number; and that the area within which they reside contains a population of more than three hundred householders, and does not exceed nine square miles, wherein no one point is six miles distant from any other point.

They further state that they are desirous that their locality should be erected into a municipal district to be governed by a council as provided by the said Act, and suggest the following boundaries for such district (as described on a plan which accompanied the petition), viz.:-

Commencing at a point on the northern boundary fence of the Melbourne and Mount Alexander railway at its intersection with the western side of Moonee Ponds Creek; thence along the northern fence of the railway for a distance of eighty-seven chains, more or less, by a curved line having an average bearing of west by 8° 30' north to its intersection with the eastern side

of the Saltwater River; thence for a distance of three hundred and four chains, more or less, along the eastern side of the Saltwater River, being an irregular line having a general bearing of north by 38° 30' west to the intersection of the western boundary of No. 1 allotment of portion 7, in the parish of Jika-jika, with the northern side of the Saltwater River; thence by a line for a distance of one hundred and thirty chains, more or less, bearing due north to its intersection with the northern side of the one-chain Mount Macedon road; thence by a line for a distance of seventy-two chains, more or less, bearing east by 8° south to the intersection of the eastern side of the Main Melbourne road with the northern side of Woodland street; thence due east for a distance of one hundred and fourteen chains, more or less, along the northern side of Woodland street to its intersection with the western side of Moonee Ponds Creek; thence for a distance of five hundred and twenty-six chains, more or less, along the western side of Moonee Ponds Creek, being an irregular line having a general bearing of south by 10° east to the point of commencement, all the above being situate in the parish of Doutta Galla, county of Bourke.

The petitioners state, lastly, that they are desirous that the district above described be proclaimed as the municipal district of Essendon and Flemington, and pray as follows, viz.:-

"Your petitioners therefore pray your Excellency that the before described boundaries may be constituted the limits of the municipal district; that your Excellency will be pleased to constitute the same under the name of 'The Municipal District of Essendon and Flemington'; and that your Excellency will also be pleased to issue the necessary Proclamation for declaring it a municipality, and defining the limits accordingly."
