## ATTENDANCE OF MEMBERS.

Twenty-one general and nine special meetings of the council (irrespective of committee meetings) have been held, at which the attendance of members was as follows:—

	General.	Special.
The Chairman (D. K. Campbell, Esq., J.P.)	12	6
Councillor Taylor	18	6
Councillor Casey	18	8
Councillor Virtue	15	7
Councillor Christian	14	8
Councillor Fowler	14	5
Councillor Garland	13	9

## ANNUAL ELECTION.

On the 3rd of May a public meeting of ratepayers was held at the Town Hall to nominate candidates in the room of Councillors Fowler, Casey, and Virtue, who retired by rotation. Councillor Fowler, in consequence of his leaving the district, declined being nominated for re-election. Six candidates were nominated, and a poll having been demanded, the same was taken on the 4th of May, with the following result:—

For Mr. Casey, 84 votes; Mr. Macdermott, 70; Mr. Hawkes, 61; Mr. Harkness, 57; Mr. Towerton, 49; Mr. D. W. Virtue, 46.

At the close of the poll the three first-named candidates were declared duly elected.

## CHAIRMAN OF COUNCIL.

At the first meeting of the council for the current year, held on the 7th of May, Councillor D. K. Campbell, J.P., was unanimously re-elected chairman of the council.

## FINANCE.

A return of rates collected to the 30th of April, amounting to the sum of £1231 5s., has been forwarded to the Treasury. This amount shows an increase of £638 12s. 9d. on the return of previous year. As the grant-in-aid received in 1860 was under £1000, this municipality, according to the plan of distribution adopted by the Legislature, is not included with those municipalities subject to proportionate deductions in the distribution of the grant for the year 1861.

## DEPUTATION.

The council, in order to secure the granting of various applications made to Government, deemed it advisable to send a deputation to Melbourne in the month of April last. The successful result of the labors of the deputation, as published in a report of its proceedings, has fully justified the council in incurring this expense to further the interests of the town.

## GAS.

A proposition was made to light the town with gas, conditionally on the council taking shares in the undertaking to the extent of £1000. After mature deliberation, the council was satisfied that the scheme would be a profitable one, but considered that in the face of many other public works of equal

importance, it would not be prudent to invest the amount of money required, especially as the undertaking (ample proof having been given of its payable nature) was certain to be carried out at no distant period by private enterprise.

## PUBLIC WORKS.

The following works have been completed:—  
Forming culvert in Nolan street.  
Cutting watercourse, ten feet in width, from Inkerman street to Nolan street, and from thence to Hospital street, to carry off the storm water.  
Deepening and enlarging the municipal dam near the main lead.  
Clearing and levelling the recreation ground.  
Clearing and forming Hospital street across the main lead.  
Further contract for deepening the municipal dam.  
Filling up holes on the main lead and completing the formation of Alma street to Inkerman street.

## WORKS IN PROGRESS.

Metalling Nolan street from Hofer street to Burke street.  
Making bluestone dish drain across Nolan street at Hofer street.  
Clearing and forming Inkerman street from Clarendon street to the round tower at the south-west boundary of the gaol.

## APPLICATIONS TO GOVERNMENT, GRANTED.

The survey of a road to St. Arnaud.  
The creation of a road board for the electoral district of Maryborough, called the Tullaroop Road Board.  
A reduction in the scale of charges at the Telegraph Office.  
The fencing in of the Government reserve.  
The erection of a powder magazine.  
The removal of the court of general sessions to Maryborough.  
The survey of a road to McCullum's Creek.  
The proclamation of first circuit court in Maryborough.  
An increased grant for water supply.  
The proclamation of the new gaol.  
A reserve for municipal dam.

## APPLICATIONS NOT YET GRANTED.

The survey of a single line of railway from Castlemaine to Maryborough.  
The erection of a bridge over the Deep Creek at Carisbrook.  
The formation of the mail road from Maldon.  
The completion of the road from Newstead.  
The formation of the road to St. Arnaud.  
A grant for a benevolent asylum.

## FOOTSCRAY MUNICIPALITY.

## ANNUAL ELECTION.

IN terms of the 18 Victoria No. 15, sec. 19, I hereby convene a Public Meeting of the Ratepayers, for the purpose of electing three members of council to serve in the place of the three who retire by rotation at the expiration of the current municipal year, viz.:—

John O'Farrell,  
William Cleverdon,  
Francis Brown;

such meeting to be held at the municipal chambers, Footscray, on Friday, 28th June, at Eight o'clock in the morning. Should there be more candidates for the office of municipal councillor than vacancies, a show of hands will be taken for each candidate, and the three persons in whose favor the show of hands shall be decided, shall thereupon be declared to be members of council accordingly, unless any candidate or six ratepayers shall thereupon dissent from such decision, and shall demand a poll, in which case a poll will be held on Saturday, the 29th June instant; such poll to open at Eight o'clock in the morning, and close at Four o'clock in the afternoon of the same day.

By Authority: JOHN FERRES, Government Printer, Melbourne.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text outlines various methods for organizing and storing data, including digital databases and physical filing systems. It also mentions the need for regular audits and reviews to ensure the integrity of the information.

2. The second section focuses on the role of communication in the organization. It highlights the importance of clear and concise communication channels, both internally and externally. The text suggests implementing regular meetings and reports to keep all stakeholders informed and engaged. It also discusses the benefits of using technology to facilitate communication, such as email, instant messaging, and video conferencing.

3. The third part of the document addresses the issue of resource management. It stresses the need to allocate resources effectively and efficiently to achieve the organization's goals. The text provides guidelines for identifying key resources, such as human capital, financial assets, and physical infrastructure. It also discusses strategies for optimizing resource usage, including prioritization, delegation, and continuous improvement.

4. The final section discusses the importance of risk management. It explains that identifying and mitigating potential risks is crucial for the long-term success and sustainability of the organization. The text outlines a systematic approach to risk assessment, including identifying risks, evaluating their impact, and developing contingency plans. It also emphasizes the need for ongoing monitoring and review of risks to adapt to changing circumstances.
