**PETITION UNDER THE MUNICIPAL ACT.
VICINITY OF AMHERST.**

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by forty-eight persons, stated to be the majority of the residents within an area contiguous to the municipal district of Amherst, praying that the said district may be enlarged so as to include their locality.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 21st January, 1862. 165.

The petitioners represent that they constitute a majority of the residents within the area hereinafter described, which is contiguous to the municipal district of Amherst, and that, with the addition of their locality, the district will still comprise less than nine square miles.

They further state that they are entirely debarred from participating in municipal rights and privileges.

And the petitioners pray as follows, viz.:-

"Your petitioners therefore humbly pray that your Excellency will be pleased to extend the boundaries of the Municipality of Amherst in the following manner: Commencing at the south-east angle of section six with a line bearing east thirty-six chains thirty-six links; from thence by a line bearing north one hundred and fifty chains; from thence by a line bearing west thirty-six chains thirty-six links; from thence by a line bearing south one hundred and fifty chains to the point of commencement."

[The signatures to the above-mentioned petition appeared in Gazette No. 8, page 116 ante.]

**PETITION UNDER THE MUNICIPAL ACT.
BROWN'S AND SCARSDALE.**

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and sixty-seven landholders and householders resident at Brown's and Scarsdale, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 23th January, 1862. 390.

The petitioners state that they are resident landholders and householders in the locality hereinafter described, and known as "Brown's and Scarsdale," in the parish of Scarsdale, which they are desirous should be erected into a municipal district.

That there are between 5000 and 6000 inhabitants in the proposed district, most of whom are engaged in mining, commercial, and agricultural pursuits, and are located at Brown's, Scarsdale, and Black Hill, and that there is, besides, a large number of scattered habitations, the occupants of which it is desirable to include, and thus to secure to all the comforts and advantages derivable from centralization.

That the locality is well adapted for agriculture, and if rendered available by division into allotments of from half an acre to five acres or more will be capable of producing cereals and vegetables at present imported from other localities, and that the saving anticipated from such an arrangement might be applied to municipal requirements.

That the elements of wealth, such as a large and increasing population, a genial soil, and mineral productiveness, are here concentrated; that 325 acres are held under mining leases at a rental of £1625; and that there are 35 steam-engines in operation, which, with their appliances, are valued at £50,000; fifteen commodious hotels, a large number of mercantile establishments of a costly description, comfortable dwellings, a considerable number of horses and cattle, and a weekly yield of about 1500 ounces of gold.

That the greatest inconvenience experienced by the petitioners arises from want of roads, there being but ten chains of made road in the district, and the intercourse with surrounding localities constant and frequent, and that the prices of articles of necessity are enhanced through the hazards and delay inseparable from bad roads.

Lastly, the petitioners are stimulated to improve the surrounding lines of communication by the anticipation that their district will become the entrepôt between the western district and the sea-board via the Ballarat and Geelong Railway.

And the petitioners pray as follows:-"Your petitioners seeing the manifold advantages of municipal institutions in other districts believe that similar results would follow the extension of the Municipal Act to theirs, and they therefore most humbly pray your Excellency to proclaim the area herein described as 'The municipal district of Brown's and Scarsdale,' [viz.]—commencing at the south-east corner of the Smythesdale municipality; thence west along the south boundary of the said municipality one hundred and twenty chains; thence by a continuation of the same line sixty chains; thence south three hundred and twenty chains; thence east one hundred and eighty chains, running partly along the north boundary of Brown's pre-emptive right; thence north three hundred and twenty chains to the commencing point aforesaid, the whole area being nine square miles."

[The signatures to the above-mentioned petition appeared in Gazette No. 13, pages 177, 178 ante.]

SOUTH BARWON MUNICIPALITY.

NINTH Half-yearly Report of the South Barwon Municipal Council, from the 21st July, 1861, to the 20th January, 1862.

During this period the council have held fourteen meetings, of which

	Times.
The Chairman attended	14
Councillor Mackenzie	14
Councillor Powell	12
Councillor Matthews	14
Councillor Martin	13
Councillor Benart	13
Councillor Lowe	10

Mr. Williams, who was a councillor at the commencement of the half-year, having resigned, Councillor Lowe was elected in his room, on the 14th September, without opposition.

Mr. Tufts was appointed town surveyor on the 22nd July. The balance sheet contains in detail the various works carried on in the district.

The statistics of the municipality were forwarded to the Exhibition, and the half-yearly health reports have been duly prepared.

The Newtown and Chilwell Council have been reminded that it would be necessary to make arrangements for the appropriation of the tolls at their new bridge, and that council replied they were prepared to do so ere the bridge was opened.

Application was made to Government to lay off the junction of the Germantown and Colac roads. The Government, in declining, left it to the council to do it themselves out of the toll fund.

A deputation to the Government, and considerable correspondence has been taken, with regard to the Mount Pleasant and Lower Barrabool road. The council originally asked permission to appropriate a portion of the toll fund to the improvement of the Mount Pleasant road. This was declined on the ground that the lower road was the proclaimed main road. The council then asked that the upper road might be proclaimed the main road. The subject is still under consideration.

An application has been made for an additional grant of land, adjoining the Queen's Garden, for the purpose of a zoological garden.

The use of the council room has been granted to various ministers for holding religious service on Sundays.

Councillor Mackenzie has attended, in Melbourne, at meetings of the Municipal Conference Committee.

The Conewarre Road Board have granted permission to the council to use their quarry to procure stone for the roads.

A petition was presented to the honorable the Legislative Assembly, praying for the speedy completion of the Geelong and Ballarat Railway.

Bye-law No. 20, for making an assessment and imposing a rate, has been sanctioned and duly gazetted, and the rate is now being collected.

Amended rules and regulations, determining the number of cattle or horses each inhabitant is allowed to turn out on the common, have also been approved of and gazetted.

JOHN HERD,
Chairman.
JOHN RICHARDSON,
Town Clerk.

Councillor Wilson	8	1

The following public works are finished or in progress, viz.:—
Cutting 1 mile 32 chains side channels in streets; grubbing and clearing 2 miles 6 chains roads; repairing ford at police paddock; forming and metalling 17 chains 45 links of streets.

On the 19th September, Constable Read was appointed inspector of nuisances.

A new and larger common has been granted to the town, but the council have declined to frame rules for its management until it is lawful to appoint a town herdsman.

On the representation of the council, the tenders called for a lock-up were withdrawn by the Government, and a gaol promised to be built instead.

Application has been made to have the sum of £2000 put on the estimates, to make about one mile of the approach to the town from Ballarat, which is totally impassable in winter.

During the half-year, by the exertions of the council, several roads, which were either closed or not straight, have been opened and straightened.
