PETITION UNDER THE MUNICIPAL ACT.

CHILTERN.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by one hundred and ninety householders, resident at Chiltern, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 10th January, 1862.

9558.

The petitioners state that they reside within the area hereinafter defined, and that the township of Chiltern is the centre of an extensive mining district, and comprises a mining and trading population who have invested large sums in trading stock, buildings, and mining plant.

That the land in the township has been lately sold, some of it at a high price, and that notwithstanding the amount paid to Government no provision has been made for roads or approaches to the town, the streets of which are sometimes almost impassable.

That the township contains over fifteen hundred residents.

They further state their opinion that the erection of their locality into a municipal district will greatly advance its interests and prosperity, and conduce to its permanent improvement and good government, and suggest an area circumscribed as follows, viz.:-"Commencing at the north-west corner of the West Chiltern town reserve, and bounded thence by a line running east 160 chains; thence by a line at right angles to the former running south 112 chains 50 links to the north boundary of the suburban lands; thence by a line running west along the said suburban lands 160 chains; and thence by a line running north 112 chains 50 links to the commencing point" as marked on a plan which accompanied the petition.

And the petitioners pray as follows:-
"The petitioners pray that the said area may be proclaimed a municipal district in accordance with the Act of Council 18 Victoria No. 15, under the style and title of 'The Municipality of Chiltern.'"

[The signatures to the above-mentioned petition appeared in Gazette No. 3, pages 46 and 47 ante.]

PETITION UNDER THE MUNICIPAL ACT.

VICINITY OF CRESWICK.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by thirty-eight persons, stated to be the majority of the householders resident within a defined area adjoining the Municipal District of Creswick, praying that their locality may be united with, and form part of, the said municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 14th January, 1862.

The petitioners state that they are a majority of the householders residing at Bald Hills, adjoining the southern boundary of the municipality of Creswick, and that they are desirous that the locality hereinafter described should be united to and form part of the said municipality, viz.:-"Commencing at the south-west corner of the said municipality; thence south one mile and ten chains; thence east one mile; thence north one mile and ten chains to a point on the south boundary line of the said municipality one mile east from the commencing point."

They further state that the number of householders residing within the abovementioned area exceeds thirty-six to the square mile, and that they believe it will be a great benefit to the

inhabitants to have the locality annexed to the Creswick Municipality.

And the petitioners pray as follows:—
 "Your petitioners therefore humbly beg that their petition will receive your Excellency's consideration, and that your Excellency will be pleased to grant the same."

[The signatures to the above-mentioned petition appeared in Gazette No. 5, page 75 ante.]

PETITION UNDER THE MUNICIPAL ACT.
WOODEND.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by One hundred and fifty-six householders, resident at and near Woodend, in the county of Dalhousie, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
 Melbourne, 24th December, 1861.

9612.

The petitioners state that they are householders resident in the township and district of Woodend, in the county of Dalhousie, and represent that their locality has greatly increased in importance, and now contains a population of resident householders larger than that required under the Municipal Institutions Act.

They therefore request that it may be erected into a municipal district, and suggest an area of six square miles for the same, bounded as follows, viz.:—On the west by the Campaspe River; on the south by the boundary of the parish of Woodend and sixty chains into the parish of Newham; on the east by a road running north-east to a point four miles and ten chains distant from the southern boundary; and on the north by a road running west to the Mount Alexander road; and thence by a line in continuation to the Campaspe River."

And the petitioners pray as follows, viz.:—
 "That as the formation of such municipality will be of the greatest benefit to this township and district, your petitioners humbly pray that your Excellency will be pleased to take this their petition into your consideration, and to grant its prayer."

[The signatures to the above-mentioned petition appeared in Gazette No. 185, page 2477, of the year 1861.]
