ORDER NISI FOR SEQUESTRATION.

11th June, James Murray, storekeeper, Black Forest, Laing
Dated this 16th day of June, A.D. 1862.

GEORGE BROUGHAM AUSTIN,
Insolvent Court, Melbourne. Chief Clerk.
No. 75.—JUNE 20, 1862.—2.

PETITION UNDER THE MUNICIPAL ACT.

EAGLEHAWK, ETC.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by two hundred and seventy-seven householders resident at and near Eaglehawk, in the Sandhurst division of the Sandhurst Mining District, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.
Chief Secretary's Office,
Melbourne, 14th June, 1862. 3603.

The petitioners set forth that a public meeting, convened by notice duly advertised in the Sandhurst and other local journals, was held at the Camp Hotel, on the 20th of May, 1862, and that a resolution was passed thereat that it is advisable that a municipal district should be proclaimed, to include within its bounds Ironbark from the western boundary of the Sandhurst municipality, Long and California Gullies, Eaglehawk, Sailors' and Peg-leg Gullies, Myers' Flat, and the vicinity of those places respectively.

The petitioners represent that the creation of a local body having control over the roads and means of communication has been long felt as evidently necessary, and that to supply this want the Marong Road Board District was created in 1861, the result of which has been antagonism between the agricultural and mining interests of the locality and the election of two boards, one sitting at Lockwood, the agricultural centre of the district, and the other sitting at Eaglehawk, the mining centre of the district.

They further represent that an overwhelming majority of the inhabitants of the Marong Road District are engaged in and depend upon mining pursuits, and are resident within the mining area, and that about seven-eighths of the house property in the road district are situate in the last-mentioned area, which contains over 500 persons, occupying tenements of the clear value of One hundred pounds each, viz., about 75 at Ironbark, about 100 in Long Gully, about 85 in California Gully, and about 250 at Eaglehawk and in Sailors' and Peg-leg Gullies.

They state, also, that no two points in the proposed municipal district are distant more than six miles from each other, and that it does not contain more than nine square miles.

They state, moreover, that they are liable to be sued at law for taxes by the Marong Road Board sitting at Lockwood, which the petitioners are advised is illegally constituted, and at which the inhabitants of the mining area are altogether unrepresented; and that, while the greater portion of the taxation falls on the inhabitants within the mining area, it will be expended for the most part on localities where agricultural interests prevail.

They state, lastly, that they are owners or occupiers of tenements situate within the boundaries of the proposed municipality, of the clear value of One hundred pounds.

And the petitioners pray as follows, viz.:—
"Your memorialists therefore pray that your Excellency may be pleased to declare that a municipality shall be constituted, pursuant and subject to the statute 13 Victoria No. 15, and the other statutes in that case made and provided, to include within its boundaries the land lying and being within the boundaries following (that is to say):—Commencing at the Sullivan post of the Sandhurst municipal boundary; thence south fifty-nine degrees forty minutes west eighty-two chains; thence north thirteen degrees thirty minutes east one hundred and fifteen chains; thence north twenty-three degrees forty minutes west ninety-two chains; thence north sixty-six degrees west one hundred and nine chains; thence north fifty-three degrees west one hundred and four chains; thence north twenty degrees east thirty-two chains; thence north eighty-nine degrees twenty minutes east one hundred and forty-four chains; thence north seventy-five degrees forty minutes east fifty-two chains; thence south fifty-eight degrees east two hundred and ten chains; thence south twenty-four degrees forty-five minutes west eighty-seven chains; thence south thirty-three degrees thirty minutes west seventy-three chains; thence south forty-seven degrees forty minutes west fifty-four chains to the commencing point aforesaid, be the said admeasurements and bearings more or less."

[The signatures to the above-mentioned petition appeared in No. 72 of the *Gazette*, page 1024 ante.]

PETITION UNDER THE MUNICIPAL ACT.

FOR ANNEXATION TO BRIGHTON.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by one hundred and twenty householders, purporting to be the majority resident within an area adjoining to the municipal district of Brighton, containing an average of thirty-six resident householders for each square mile of such contiguous area, praying to be united with and to form part of the said municipal district.

JOHN O'SHANASSY.
Chief Secretary's Office,
Melbourne, 13th June, 1862. 3455.

The petitioners state that they are a majority of the resident householders within the area hereinafter referred to as "the eastern portion of the Brighton special survey," which, by a Proclamation in the *Government Gazette* of the 14th of May, 1862, is included in the Moorabbin road district.

They represent that with respect to roads and public works they have no interests in common with the inhabitants beyond the southern boundary of the Brighton special survey, and that

they have forwarded a memorial to the Commissioner of Railways and Roads against being included in the road district above mentioned.

They further represent that the whole area of the Brighton special survey is less than nine square miles, and that its inhabitants have a common interest in roads, bridges, and public works.

And the petitioners pray as follows:—

“Your petitioners therefore humbly pray that the eastern portion of the Brighton special survey may be united with the Brighton municipality.”

[The signatures to the above-mentioned petition appeared in the Gazette, No. 71, page 1009, &c., ante.]

PETITION UNDER THE MUNICIPAL ACT.
RUTHERGLEN.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and fifty-seven householders resident in the township of Rutherglen, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 13th June, 1862.

3417.

The petitioners state that they are householders residing in the township of Rutherglen, and that it is the centre of a large and important mining and agricultural district, the population of which, according to the census returns, is over four thousand.

They further state that the town contains more than three hundred householders; that the buildings are for the most part well and substantially constructed; and that, at the earnest wish of the townspeople, the township has been recently surveyed by the Government, for the purpose of selling the land; but that, as at present there exist no means by which local improvements can be effected otherwise than by private enterprise, the streets and roadways are unformed, and in winter partially impassable.

They therefore believe that the establishment of a municipality will greatly conduce to the prosperity and permanent welfare of the town, and suggest the following municipal boundaries, viz.:—“Commencing from a point sixty-seven chains south-east of allotment No. 4, section 20, parish of Carlyle, bearing thence due west one mile; bearing thence due north two miles to a Government road; bearing thence east one mile; and thence south two miles to the commencing point.”

And the petitioners pray as follows:—“Your petitioners therefore humbly pray that the district, as above defined, may be proclaimed a municipality under the name of ‘The Municipal District of Rutherglen,’ according to the provisions of the Act of Council 18 Victoria No. 15.”

[The signatures to the above-mentioned petition appeared in the Gazette, No. 71, page 1010 ante.]
