By His Excellency SIR HENRY BARKLY, Knight Commander of the Most Honorable Order of the Bath, Captain-General and Governor-in-Chief of the Colony of Victoria, and Vice-Admiral of the same, &c., &c., &c.

WHEREAS by an Act of the Lieutenant Governor and Legislative Council of the colony of Victoria, passed in the sixteenth year of the reign of Her present Majesty, intitled, *An Act to make provision for the sale of fermented and spirituous liquors and of refreshments in certain districts*, it was amongst other things enacted, that it should be lawful for the Lieutenant Governor, by notice in the *Government Gazette*, from time to time to proclaim any part or portion of the said colony to be a district subject to the provisions of the said Act, to be called a Special Licensing District, and to define the boundaries of such district: And whereas by a Proclamation under the hand of the Governor and the seal of the colony, bearing date the second day of March, in the year One thousand eight hundred and fifty-nine, the portion of Victoria therein described was proclaimed under the designation of the Special Licensing District of Kilmore: And whereas it is expedient to enlarge such district: Now therefore I, Sir Henry Barkly, the Governor of Victoria, with the advice of the Executive Council, do hereby revoke the said Proclamation; and, with the advice aforesaid, I do hereby proclaim the following part or portion of the said colony to be a Special Licensing District, subject to the provisions of the said Act, that is to say:—

they have forwarded a memorial to the Commissioner of Railways and Roads against being included in the road district above mentioned.

They further represent that the whole area of the Brighton special survey is less than nine square miles, and that its inhabitants have a common interest in roads, bridges, and public works.

And the petitioners pray as follows:—

"Your petitioners therefore humbly pray that the eastern portion of the Brighton special survey may be united with the Brighton municipality."

PETITION UNDER THE MUNICIPAL ACT.

RUTHERGLEN.

IN pursuance of the Act of Council 18 Victoria No. 15, the Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of a petition addressed to His Excellency as hereinafter set forth, signed by one hundred and fifty-seven householders resident in the township of Rutherglen, praying for the erection of their locality into a municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 13th June, 1862.

3417.

The petitioners state that they are householders residing in the township of Rutherglen, and that it is the centre of a large and important mining and agricultural district, the population of which, according to the census returns, is over four thousand.

They further state that the town contains more than three hundred householders; that the buildings are for the most part well and substantially constructed; and that, at the earnest wish of the townspeople, the township has been recently surveyed by the Government, for the purpose of selling the land; but that, as at present there exist no means by which local improvements can be effected otherwise than by private enterprise, the streets and roadways are unformed, and in winter partially impassable.

They therefore believe that the establishment of a municipality will greatly conduce to the prosperity and permanent welfare of the town, and suggest the following municipal boundaries, viz.:—"Commencing from a point sixty-seven chains south-east of allotment No. 4, section 20, parish of Carlyle, bearing thence due west one mile; bearing thence due north two miles to a Government road; bearing thence east one mile; and thence south two miles to the commencing point."

And the petitioners pray as follows:—"Your petitioners therefore humbly pray that the district, as above defined, may be proclaimed a municipality under the name of 'The Municipal District of Rutherglen,' according to the provisions of the Act of Council 18 Victoria No. 15."

[The signatures to the above-mentioned petition appeared in the Gazette, No. 71, page 1010 ante.]

PETITION UNDER THE MUNICIPAL ACT.

VICINITY OF SANDHURST.

THE Governor, with the advice of the Executive Council, has directed the publication of the substance and prayer of the petition hereinafter set forth, signed by eighty-seven householders, purporting to be the majority resident within an area adjoining to the municipal district of Sandhurst, containing an average of thirty-six resident householders for each square mile of such contiguous area, praying that their locality may be united with and form part of the said municipal district.

JOHN O'SHANASSY.

Chief Secretary's Office,
Melbourne, 27th June, 1862.

3704.

The petitioners state that they are residents in an area outside of and adjacent to the northern boundary of the municipality of Sandhurst; that they constitute the majority of the residents within such area, which contains an average of thirty-six resident householders for each square mile thereof; and that they are desirous that the lands on which they reside should be included within the boundary of the municipality of Sandhurst.

And the petitioners pray as follows:—

"Your petitioners therefore pray that your Excellency will be pleased to declare, by a proclamation, the locality within which they reside to be united with and form part of the Sandhurst municipality, by the following general description as defined and set forth in the plan [which accompanied the petition], viz.:—"Commencing at Larrit's Post in the municipal boundary, and proceeding by a line sixty chains long to a point in parish of Marong boundary near Cape Clear Hotel; thence by about one hundred and forty-six chains to top of Windmill Hill; thence by a line of about two hundred and thirty-five chains to a point thirteen chains north 66°30 west of Simon's Post; thence by said thirteen chains to said post."

 8. The owners or occupiers of all breweries, dyeing establishments, livery stables, soap and candle, sodawater, ginger beer, and cordial manufactories, and all other premises where the quantity of water consumed, or likely so to be, would be greater than the average consumption of private houses, or where water is consumed for other than domestic purposes, shall be subject to such special rate as may be agreed upon between them and the board; and in default of such agreement, they shall consume by meter, and shall pay for the water consumed a sum not exceeding Four shillings for each thousand gallons.
 9. 15. Any plumber or other person who shall lay any pipe to communicate with the pipes of the board without giving two days' notice of the day and hour when such pipe is intended to be made to communicate with the pipes of the board, or who shall make such communication except under the superintendence and according to the directions of some officer of the board, or who shall lay any leaden or other pipe to communicate with the pipe of the board of a strength and material not approved of by the board, shall be liable for each such offence to a penalty not exceeding Twenty pounds.

16. If any person shall neglect to repair any service-pipe conveying water from the pipes of the board into the premises of such person, after having received notice from any officer of the board that such service-pipe requires repairing, the board may stop the water from flowing into such premises, either by cutting off the service-pipe or otherwise, as to the said board may seem fit, until the necessary repairs shall have been effected. The service-pipes from the main being the property of the owners or occupiers of the tenements supplied by such service-pipes, the occupier (if any), and if none the owner, shall in every instance in which any damage shall be caused by reason of such service-pipe being leaky or otherwise out of repair or broken, be liable to a penalty not exceeding Twenty pounds.

APPLICATION FOR A ROAD DISTRICT.

MORSE'S CREEK, OVENS RIVER, BUCKLAND, ETC.

A MEMORIAL, has been addressed to the Governor, signed by one hundred and thirty-four persons resident at Morse's Creek, Ovens River, Buckland, and other places in the eastern part of the Buckland division of the Mining District of Beechworth, wherein the memorialists state that they have for many years suffered great inconvenience and loss from the state of their roads, and that they are desirous that a local road board should be established for the locality, which is distant about fifty miles from Beechworth, and contains a population of more than 3000 persons.

They further state they have frequently brought under the notice of the Government their grievances in this respect without effect, so that, but for occasional repairs done at the expense of a few individuals, the roadways would be impassable, and still their condition occasions numerous difficulties and casualties, especially at crossing-places of creeks and the approaches thereto.

They lastly submit that the permanency, extent, and productiveness of the Buckland division (each escort carrying away 2000 oz. of gold), and the insignificant aid derived from the Government in furtherance of public objects, should be sufficient to render further details unnecessary for the object of their memorial.

And the memorialists pray as follows:—

"Your memorialists therefore beg to request that your Excellency will, with the advice of your Executive Council, cause the east [i.e. the eastern part of the] Buckland mining division to be proclaimed a road district; and further, having regard to the advanced season, and the urgency of the case, that your Excellency will be pleased to cause such proclamation to be made with as little delay as possible."

APPLICATION FOR A ROAD DISTRICT.

YACKANDANDAH.

A MEMORIAL, bearing three hundred and thirty-five signatures of landowners and inhabitants of the township of Yackandandah and its vicinity, has been addressed to the Governor, setting forth that the memorialists are subjected to great loss and inconvenience through the state of the roads in their locality, especially in the winter season, when the communications become interrupted, and that therefore they believe the formation of a Road District will be extensively advantageous.

They suggest for such road district the area comprised in the Yackandandah division of the Beechworth Mining District, as defined in the *Government Gazette* of the 4th of January, 1863, which, they state, comprises the townships of Belvoir, Barnawatha, and Yackandandah, and a settled population of nearly four thousand persons, and is steadily advancing in wealth and importance.

And the memorialists pray as follows:—

"Your memorialists therefore humbly request that your Excellency may be pleased to proclaim the aforesaid mining division to be a District Road Board, in accordance with the provisions of the Acts 16 Victoria No. 40 and 17 Victoria No. 29."

DEPUTATIONS.

On the 26th April, Councillor Milvain, as a deputation, waited upon the Lauriston and Edgecombe District Road Board, to ask their co-operation in making and repairing the road known as Milvain's road.

The result of the interview was a grant made by the Board of £40, on condition that the council expends £60 upon the same road. This offer has been accepted.

A deputation, consisting of the Chairman and Councillors Milvain and Tyson, was duly appointed to wait upon the honorable the Commissioner of Railways and Roads, relative to a proclamation issued for the purpose of excepting from the jurisdiction of this council the check toll-gate, toll-house, fence erected by the Board of Land and Works, together with so much of the parish boundary road as may be required for the occupation of such erections.

Owing to a letter fixing a day for the deputation to meet the honorable Commissioner in Kyneton not coming to hand, that opportunity was missed. Another interview has, however, been granted, at which it is hoped the object which the council has in view (the withdrawal of the proclamation) will be attained.
