Tenders for the Service of 1865.

CONVEYANCE OF MAILS, 1865.

TENDERS are hereby invited, and will be received until Noon of Tuesday, the 1st November, 1864, for the Conveyance of Post Office Mails, as undermentioned, for one year, from the 1st January, 1865, to the 31st December, 1865, both days inclusive.

All tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and may be forwarded (if by post, prepaid) addressed to the Deputy Postmaster General, or placed in the Tender Box at the General Post Office.

Tenders are requested to describe by their numbers, as below, the mail services for which they tender, and every tender will be taken to include the entire service as called for.

Every tender must bear the *bona fide* signatures and addresses of the tenderer, and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

Persons tendering are requested to state whether they propose to convey the mails on horseback or in a carriage; in the latter case, they are to state the description of vehicle they intend to use and the number of horses by which it is to be drawn.

It is particularly requested that the tenders for each service may be written on separate forms, and that the number of the service may be plainly endorsed on the outside of the cover.

The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any Post Office in the colony.
