CORRESPONDENCE RESPECTING THE PROVISIONAL RECOGNITION OF A FLAG FOR THE DUCHIES OF SCHLESWIG HOLSTEIN, AND LAUENBURG.

No. 1.

Count Apponyi to Earl Russell.—(Received February 21.)

Londres, le 21 Février, 1865.

M. LE COMTE.—Le Gouvernement de Sa Majesté Impériale et Royale Apostolique et celui de Sa Majesté le Roi de Prusse ont résolu d'accorder aux Duchés de Holstein et de Slesvig, jusqu'à leur constitution définitive, un pavillon national provisoire, composé de trois bandes horizontales, bleue, blanche, et rouge, avec un carré jaune sur la bande bleue, près de la hampe.

J'ai été chargé en conséquence, de concert avec mon collègue de Prusse, d'inviter le Gouvernement de Sa Majesté Britannique à reconnaître ce pavillon, et à vouloir bien donner les ordres nécessaires afin qu'il soit reconnu dans tous les ports dépendants de la Couronne d'Angleterre et par toutes les autorités navales Britanniques.

Le Gouvernement Impérial se plaît à espérer que jusqu'à la conclusion de nouveaux Traités de Navigation avec le Gouvernement définitif à instituer dans les Duchés, les bâtiments navigants sous le pavillon national provisoire jouirait des mêmes droits et immunités qui étaient accordés aux navires des Duchés de Holstein, de Slesvig, et de Lauenburg, avant leur séparation du Danemark, par suite des Traités de Commerce et de Navigation existants avec ce Royaume.

En priant votre Excellence de vouloir bien me faire connaître en son temps la suite donnée à ma présente démarche, je saisis, &c.

London, February 21, 1865.

M. LE COMTE.—The Government of His Imperial and Royal Apostolic Majesty, and that of His Majesty the King of Prussia, have resolved on granting to the Duchies of Holstein and Schleswig, until the definitive settlement of their Constitution, a provisional national flag, composed of three horizontal stripes, blue, white, and red, with a yellow square on the blue stripe, next to the flagstaff.

I have been instructed in consequence, in concert with my colleague of Prussia, to invite the Government of Her Britannic Majesty to recognize this flag, and to be pleased to grant the necessary orders in order that it may be recognized in all the ports depending on the Crown of England, and by all the British naval authorities.

The Imperial Government indulges in the hope that until the conclusion of fresh Treaties of Navigation with the definitive Government to be instituted in the Duchies, vessels sailing under the provisional national flag will enjoy the same rights and immunities which were granted to the ships of the Duchies of Holstein, Schleswig, and Lauenburg, before their separation from Denmark, in virtue of the Treaties of Commerce and Navigation existing with that kingdom.

Begging your Excellency to be so good as to inform me in due time of the course adopted with regard to my present application, I take, &c.

Count Bernstorff to Earl Russell.

(Translation.)

London, February 21, 1865.

MY LORD.—The Government of the King my gracious Sovereign, in conjunction with the Austrian Government, has determined to grant a provisional national flag to the ships of the Duchies of Schleswig, Holstein, and Lauenburg until the definitive settlement of those territories. This flag will have the

colours blue, white, and red, in horizontal stripes, and will be distinguished from the Mecklenburg flag, which has the same colours, by a yellow field placed on the blue field next the flag-staff.

I am instructed, together with the Austrian Ambassador, who will at the same time address a communication to your Excellency, to propose this provisional flag for recognition to the Government of Her Majesty the Queen, &c., and at the same time to express the hope of His Majesty's Government that the British Government will grant to the ships bearing this flag the same rights which belonged to the ships of the aforesaid three Duchies until their separation from Denmark, on the ground of the Commerce and Navigation Treaties concluded by that Power with England.

I have, &c.,

No. 3.

Earl Russell to Lord Napier.*

Foreign Office, March 8, 1865.

MY LORD,—I enclose herewith to your Excellency a copy of a note which was addressed to me on the 21st ultimo by the Prussian Ambassador at this Court,† stating that the Governments of Austria and Prussia had determined to grant a provisional national flag to the Duchies of Schleswig, Holstein, and Lauenburg until the definitive settlement of the Constitution of those territories, and proposing that Her Majesty's Government should recognize the flag in question, and should grant to ships bearing it the same rights which were accorded to the ships of the Duchies previously to their separation from Denmark. A similar communication was addressed to me by the Austrian Ambassador.

I have to instruct you to state to the Minister for Foreign Affairs that Her Majesty's Government have fully considered this proposal, and that they are prepared to recognize the flag provisionally, saving the rights of the States of Holstein and Schleswig and of the German Confederation, and only till the definitive Constitution of the Duchies concerned.

I am, &c.

(Signed)

RUSSELL.

CITY OF MELBOURNE.

At a meeting of the Council of the City of Melbourne, held in the Council Chamber, in the Town Hall, Swanston street, in the said city, on the 12th day of June, 1865, at which were present—The Right Worshipful the Mayor, Councillor George Wragge (presiding); Aldermen Edward Cohen, Richard Eades, and Michael Kealey; Councillors Samuel Amess, George Hughes, Thomas Kenny, Joseph Story, Abraham Linacre, Alexander McBean, Thomas McPherson, and William Williams, being more than one-third of the members of the said council, it was resolved and ordered, That whereas by an Act of the Governor and Legislative Council of New South Wales, 14 Victoria No. 20, intituled *An Act for regulating the formation, drainage, and repair of streets, courts, and alleys on private property within the city of Melbourne*, it is amongst other things enacted that where any street, court, or alley, on private property in the city of Melbourne, shall not be or shall not have been sufficiently paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed and repaired to the satisfaction of the council of the said city, it shall be lawful for the said council at any time, and from time to time, by any order under the hand of the Mayor or Town Clerk of the said city for the time being respectively, to order that any such street, court, or alley, or any part thereof, shall be freed from obstruction, paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired, in such manner and within such time as to the said council may appear expedient; and thereupon the owners of the tenements adjoining or abutting upon such street, court, or alley, on each side thereof, shall, in such manner and within such time as shall be expressed in such order, at their respective costs, charges, and expenses, remove all obstructions, and well and sufficiently pave, flag, macadamise, level, drain, and sewer, or otherwise complete or repair so much of the said street, court, or alley, to the centre thereof, as may be opposite to and co-extensive with their respective tenements, adjoining or abutting on such streets, courts, or alleys respectively:

And whereas by the Act of Parliament of Victoria, No. 178, intituled *An Act to further alter and amend the Laws relating to the City of Melbourne and of the Town of Geelong respectively, and to extend and apply other existing Acts thereto*, it is amongst other things enacted that the words "tenements adjoining or abutting on such street, court, or alley," where used in the first hereinbefore recited Act, shall be held and taken to mean all tenements or premises actually abutting upon, and accessible from, and communicating with such street, court, or alley, whether the owners or occupiers thereof have or have not a right to use or do commonly use the same: And that the word "owner," used in the said Act, shall apply to and be held to include agent of an owner, but only in so far as to enable such agent to apply to the defrayal of expenses incurred in the formation, drainage, and repair of such street, court, or alley, under the authority hereof, moneys of his principal, of which he shall be in the receipt, or possession, accruing from tenements lawfully chargeable for such expenses:

And that the said Act for regulating the formation, drainage, and repair of streets, courts, and alleys on private property within the city of Melbourne, shall extend and apply to the entire limits of the said city:

And that the apportionment of the expenses incurred by the council of the city of Melbourne, in the formation, drainage, and repair of every such street, court, or alley, on private property, shall be made proportionate to the extent of the area of the land of each of the several owners which shall be so situated as to have or be capable of obtaining access to such street, court, or alley, at the time of or in consequence of the formation or repair of such street, court, or alley:

And whereas the streets, courts, or alleys enumerated in the schedule to the order annexed, marked A, have not been sufficiently paved, flagged, macadamised, levelled, drained, and sewered, or otherwise completed or repaired to the satisfaction of the council of the city of Melbourne:

Be it now ordered by the council of this said city, that the streets, courts, or alleys enumerated in the schedule to this order annexed, marked A, shall, within ten days from the date of this order's coming into operation, be freed from obstruction, paved, flagged, macadamised, levelled, drained, and sewered in such manner as is expressed in the schedule to this order annexed and marked B. And it is hereby notified to the owners respectively of the tenements adjoining or abutting upon the streets, courts, or alleys enumerated in the schedule to this order annexed, marked A, that if they or any of them shall neglect or omit to remove the obstructions, and pave, flag, macadamise, level, drain, and sewer, or otherwise complete and repair the street, court, or alley on which their respective tenements adjoin or abut, in the manner and within the time expressed in this order, then the council of the said city will remove all obstructions in the said streets, courts, or alleys, and pave, flag, macadamise, level, drain, sewer, and otherwise complete or repair the same, or such parts thereof as shall not have been so done pursuant to this order; and will thereupon ascertain, determine, and charge such respective owners with their several proportionate part of the costs, charges, and expenses thereof, according to and co-extensive with their respective tenements adjoining or abutting on said street, court, or alley, proportionate to the extent of the area of the land of each of the several owners so situated as to have or be capable of obtaining access to such street, court, or alley, at the time of or in consequence of the formation or repair of such street, court, or alley, having regard in such apportionment to the state and condition in which the pavement, flagging, macadamising, levelling, draining and sewerage of such streets, courts, or alleys respectively, or any part thereof, shall or may be at time of making this order.

Made and passed by the council of the city of Melbourne, at the meeting of the said council held on the 12th day of June, 1865.

E. G. FITZGIBBON,
Town Clerk.

SCHEDULE B.

Referred to in this Order.

Manner in which the streets, courts, and alleys enumerated in Schedule A, referred to in this order, are ordered to be freed from obstruction, paved, kerbed, flagged, macadamised, levelled, drained, and sewered.

The natural soil is to be reduced or made up, as the case may require, so that the longitudinal section of the whole street, court, or alley, shall in no part have an inclination of less than one (1) in eighty (80), and, where practicable, the entire length is to form one incline.

In laying on any stuff, it is to be spread in layers of not more than one foot thick.

The transverse section of the street, court, or alley (where the water-channels are on the sides), is to show a roadway whose crown shall be one inch above the kerbs of the footways, and the fall from the crown to the water-channels shall not be less than one (1) in twenty-five (25).

Each street, court, or alley shall have a bluestone pitched water-channel, either at each of its sides or in its centre, of sufficient capacity to meet the required drainage for the same, the width of said channel or channels in no instance to be less than two (2) feet.

The pitchers to be nine (9) inches wide, and from six (6) to nine (9) inches deep, and from nine (9) to fourteen (14) inches long, with upright sides, set in sand, and well rammed down to such section as the city surveyor may direct.

The bottom of the channel is to be seven (7) inches below the kerbstones of footpaths.

On either side of the roadway there is to be, where practicable, a footpath, not more than three (3) feet wide, and these are to be separated from the roadway by a neatly dressed bluestone kerb from two (2) to four (4) feet long, six (6) inches wide, and fifteen (15) inches deep.

The footways are to be covered with a coat of gravel three (3) inches thick, and the surface is to fall towards the channel at the rate of one (1) in ten (10).

The roadway is to be covered with a coat of clean bluestone metal, 2½-inch gauge, nine (9) inches deep in the centre, and six (6) inches deep on the sides, and this, when necessary, covered over with a coat of good loam two (2) inches thick, and rolled with corporation iron roller.

Whenever private residences lead from the streets, courts, or alleys, they are to be paved to the full width (of building line) with bluestone pitchers similar to those used in the channels.

All entrances from adjoining streets shall be pitched and kerbed either with four (4) inch bluestone cubes or nine (9) inch pitchers, as the city surveyor may direct, the sides being well supported with eight (8) inch stone kerbing.

The whole of the work must be done under the inspection, and subject to the approval, of the city surveyor, who is authorised to order any deviation from these general principles which the peculiarities of any case may require.

THE CHAIRMAN, DIRECTORS, AND SHAREHOLDERS OF THE BIRKY FLAT PADDOCK GOLD MINING COMPANY, TALBOT.

GENTLEMEN,—I beg leave to submit to your inspection the balance-sheet showing the receipts and disbursements of the company from the date of registration, the 24th of March, to the 30th June.

The balance-sheet of the last quarter proved the liabilities of the company to be £585 13s. 2d., which increased during the month of April, through repair of machinery and drainage without raising wash-dirt, to nearly £700. During the months of May and June the company succeeded by persevering pumping so far as to be able to block small pieces of ground at a profit.

The levels have at present unmasked a portion of the lead of 400 feet in width, which has proved in all parts payable; even in the last week the company washed 42 oz.

Owing to the overpowering body of water and inefficient machinery, and the in consequence frequent stoppages, the profit has been but small.

As the water has considerably decreased during the last four weeks, I have no doubt that we shall succeed in the next quarter to prove a handsome net profit, even with our machinery.

I strongly recommend to your consideration an increase of capital for the purpose of erecting a 25-horse power engine with 10-inch lift, so as to be able to drain effectively any amount of water which the company may encounter.

If you consider the handsome profit which the company has cleared during the past year, 50½ per cent. on the paid-up capital, the large area of ground opened and found payable, and the large extent of your claim (142 acres), your property will prove with the assistance of such powerful machinery as the difficulties of the ground require, one of the best and most profitable in the district.

I have the honor to remain,
Gentlemen,
Your obedient servant,
W. MATESKY, Manager.
