Printed forms of tender and conditions of contract may be obtained from the Inspector of Stores, Melbourne, or from the officer in charge of police at each station, by whom also any information or explanation will be afforded to persons tendering.

The tenders for each station will be accepted or rejected separately.

Tenders may be for either of the supplies required, oats, bran, hay, or straw only; and if all be included in one tender, it may be accepted for one article only, if advisable.

As much forage as the storage will accommodate will be drawn at a time for the convenience of contractors.

The price must be per ton for hay and straw, and per bushel of 40 lbs. for oats and 20 lbs. for bran, including delivery at the stations and all charges; bags to be returned when empty.

The net weight only after deducting the tare is to be charged.

The names and addresses of the tenderers and of their proposed sureties must be stated at full length.

The successful tenderer will be required to enter into a bond, with two approved sureties, for one-third the estimated amount of the contract, within ten days after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contracts satisfactorily, will be ineligible to again hold contracts for Government supplies.

All tenders must be enclosed in a separate envelope, marked "Tender for ——" (as the case may be), and deposited in the box at the Government Stores, King street; or if sent by post they must be addressed to the Chairman of the Tender Board, Stores and Transport Office, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by *Gazette* notice and by letter to accepted tenderers.

CONDITIONS.

1. The hay to be eaten, good, sound, and sweet; the straw to be whenen, and both to be in all respects of the best quality; oats (colonial grown) and bran to be sound and sweet and of the best description.

2. The supplies are for police and telegraph horses, and are to be delivered on the order of the officer in charge of the district or station. The quantities stated in the schedule being only approximative, it must be understood that the Government may draw either more or less than those mentioned; and should new telegraph stations be formed or additional horses be required to be stationed in any of the districts tendered for, the supplies required may be drawn from the contractor. The excess over the estimate will not, however, exceed during the whole year 50 per cent. of the estimated quarterly consumption.

3. The contracts entered into under this notice are not to be considered as being infringed or vitiated by any contracts made by the military commissariat.

4. The forage, when delivered, must be accompanied by the particulars of quantity, showing the gross weight, the tare, and the net weight, to be endorsed on the back of the order, which, when signed by the officer in charge of the station for the net quantity received, will be returned to the contractor, and by him rendered in support of his account.

5. Each contractor will be required to prepare his own account in the prescribed form, and on presentation thereof to the officer in charge of the station or district, it will be forwarded for payment at the Treasury, Melbourne, or the Pay Office of the District, as may be indicated by the contractor on the account.

6. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department (should circumstances require it) to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

7. In the event of a difference of opinion between the contractor and the officer receiving the forage as to quality of the same, it is to be decided by a board of survey composed of persons named by the head of the department ordering the supply, and the decision of the board is to be considered final.

8. If the board shall decide that the forage is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 6.

9. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue either to the public service or the contractor by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 6.

10. A repetition of irregularity in the quantity or quality of the forage, or of delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct not exceeding £20, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

11. It will be competent for the Inspector of Stores on behalf of the Government, or for the contractor on his own behalf, to terminate the contract, by giving in writing a notice of three full calendar months to that effect, it being understood that such notice only can be given from the first day of a month, and provided that no such notice can be given before the 30th June, 1866; and in the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

Colony of Victoria.*

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith, &c., &c.

To the SHERIFF of the Colony of Victoria, or his lawful deputy,
Greeting—

WHEREAS upon petition to the Honorable the Judges of our Supreme Court of the Colony of Victoria of the Oriental Bank Corporation, carrying on business in Queen street, in the city of Melbourne, in the colony of Victoria, against William Gledhill, late of Lonsdale street, in the said city of Melbourne, auctioneer and commission agent, it appears to us that the said William Gledhill is justly and truly indebted to the said Oriental Bank Corporation in the sum of One hundred and nineteen pounds eighteen shillings and sixpence of lawful money, for money lent by the said Oriental Bank Corporation to the said William Gledhill at his request, and for interest due and payable thereon; that the said William Gledhill has departed from, and remains absent from, the said colony, with intent to defeat or delay his creditors in obtaining payment of their just debts; and the said William Gledhill did thereby commit an act of insolvency; that the said William Gledhill is possessed of property in the colony of Victoria, whereupon the said Oriental Bank Corporation prayed that the estate of the said William Gledhill might be sequestrated for the benefit of his creditors: And whereas it further appears to us in our said court that the Honorable Robert Molesworth, one of the judges of the said court, did by order under his hand, bearing date the eighth day of February, One thousand eight hundred and sixty-six, place the estate of the said William Gledhill under sequestration in the hands of the Chief Commissioner of Insolvent Estates for the colony of Victoria, at Melbourne, until the same should thereafter be finally adjudged to be sequestrated, or the said petition should be discharged according to law; and did thereby appoint Edward Courtney, Esquire, one of the official assignees of insolvent estates, to be the official assignee of and for this estate: Now therefore we command you that you summon the said William Gledhill, that he be before our Justices of our Supreme Court aforesaid, on Thursday, the first day of March, One thousand eight hundred and sixty-six, at Ten o'clock in the

forenoon, to show cause, if he have any, why his estate should not, by sentence of the said court, be adjudged to be sequestrated for the benefit of his creditors; and return you then there this writ with whatever you have done thereupon.

Witness His Honor Sir WILLIAM FOSTER STAWELL, Knight, our Chief Justice of our said Court, this tenth day of February, in the year of our Lord One thousand eight hundred and sixty-six, in the twenty-ninth year of our reign.

Dated this twelfth day of February, One thousand eight hundred and sixty-six.

(L.S.) CLAUD FARIE,
Sheriff of the Colony of Victoria.

TO WILLIAM GLEDHILL.

Take notice that, within four days after service of the above summons, you must deliver to Wriothesley Baptist Noel, Esquire, Chief Commissioner of Insolvent Estates, at Melbourne, if your residence is within twenty-five miles of such commissioner's residence; and if at a greater distance then you must, within the same time, put it into the nearest post office, addressed to such commissioner, a statement in writing, signed by you, of any facts alleged in this summons or in the said writ, a copy of which is above set forth, which you intend to dispute; and all facts, no notice of an intention to dispute which shall be so given, will, upon the hearing of the case, be taken to be admitted by you, and the petitioning creditor will not be required to prove the same.

Dated this twelfth day of February, One thousand eight hundred and sixty-six.

Creditors' Attorney.

UPON hearing Sir George Stephen of counsel for the Oriental Bank Corporation, and upon reading the affidavits of William Greenhill and George Walstab respectively, sworn herein the twelfth day of February instant, I do order that the summons issued herein be served on John Gledhill, of Sandridge, near the city of Melbourne, and that copies thereof be advertised in three successive publications of the Victorian Government Gazette, and twice in two of the Melbourne newspapers, the first of such advertisements in the said Melbourne newspapers to be inserted fourteen days before the return of the said summons, the other to be inserted at an interval of fourteen days thereafter.
