No. 310), initialed An Act to amend the Laws relating to or affecting Public Health, it is amongst other things enacted that the Governor in Council may from time to time make, alter, or vary, and may revoke such orders as may seem to be necessary for the purpose of prohibiting or regulating the introduction into Victoria, from any country or colony, or part of a country or colony (in which respectively any disease in sheep, cattle, horses, swine, or other animals of the same or any other kind or kinds whatsoever; is known to exist), of all sheep, cattle, horses, swine, or other animals of the same or any other kind or kinds whatsoever; or of meat, skins, hides, horns, hoofs, or other parts of any animals; or of hay, straw, fodder, or other articles likely to propagate amongst men or other animals any infectious or contagious disease whatsoever: And the Governor in Council may also from time to time make such orders as may seem to be necessary for the purpose of prohibiting or regulating the removal to or from such parts or places within Victoria as may be designated in any such order of all sheep, cattle, horses, swine, or other animals of the same or any other kind or kinds whatsoever; or of meat, skins, hides, horns, hoofs, or other parts of any animals; or of law, straw, fodder, or other articles likely to propagate amongst men or other animals any infectious or contagious disease whatsoever; and may from time to time revoke, alter, or vary any such order. And all orders for any of the purpose hereinbefore in this section mentioned shall have the like force and effect as if the same had been inserted in this Act; and all persons offending against any order made under the authority of this section shall for each and every offence forfeit and pay any sum not exceeding Fifty pounds, or such smaller sum as the Governor in Council may in any case by such o

Act, make the following regulations, that is to say:—

1. All cattle, horses, sheep, swine, or other animals brought to this colony by sea from Europe, or other places in which any infectious disease amongst cattle or other such animals is known to exist, shall be examined by the health officer or other officer duly authorized for the purpose, as hereinafter mentioned; and any such cattle or other animals which shall on such examination be found to be suffering from any infectious or contagious disease, or to have been suffering therefrom within the forty days immediately preceding their arrival in the colony, shall perform quarantine in such place as shall have been duly appointed for the purposes of quarantine, or as shall be directed by the health officer or other officer as before mentioned, until the expiration of forty days from the date of the occurrence of the last case of such disease amongst such cattle or other animals.

2. For the purposes of this regulation the Collector of Customs at any port at which there may not be a health officer shall be the authorized officer for carrying the same into effect.

And the Honorable James McCulloch, Her Majesty's Chief Secretary for Victoria, shall give the necessary directions herein accordingly.

CONDITIONS.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and to be delivered in sound packages.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and to be delivered in sound packages.

2. Bread. A sample of the best ordinarily retailed to the public will be considered as a test loaf for first quality. Second quality to be made of flour known in the trade as "best seconds," and the third quality (that issued for prisoners of the Crown) to be made of flour, the produce of prime wheat, from which twelve per cent. has been extracted in bran and waste.

3. Fresh meat is to be supplied in such proportions as may be required, and, when the quantity admits, to be delivered in fore and hind quarters alternately. When shins of beef form a portion of the supply, a fair proportion of the bone, not less than five inches, must have been cut off.

4. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the office in charge. All other supplies will be ordered by the head of department, either for delivery at the Stores and Transport Office, or at the office of the department concerned, as may be stated in the order.

5. The order issued by the head of department must accompany the goods, and the account is to be rendered simultaneously with delivery of the supplies. In other cases the account is to be rondered monthly. The rates quoted in the orders cannot be exceeded.

6. Should the contractor fail to supply any articles at the time mentioned in the order they will be otherwise procured, and the expense over and above the contract price will be deducted from his account.

7. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same to be decided, in cases where the article is not of proper quality, it must be aimediately replaced by the contractor; failing which, it will be procured by the person requiring it, and the expense otharder and supply good in its stead; failing which it will be obtained by th

otherwise, and no such transfer will be recognized by the Government.

12. It will be competent for the Inspector of Stores, on behalf of the Government, or the contractor, on his own behalf, to terminate the contract, by giving, in writing, a notice of three full calendar months, it being understood that such notice can be given only from the first day of the month. It will also be competent for the Inspector of Stores to terminate the contract, without notice, on infringement of condition No. 11, or should there be reason to know that the contractor takes advantage of his contract to communicate improperly with a prisoner.

13. In the event of any alteration in the Tariff affecting any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance, by way of deduction from or increase of the price of the items an affected.

14. The contracts entered into under this notice are not to be considered as being infringed or vitiated by the importation of stores for the Government service, or by any contracts made by the Imperial Commissariat, or on account of other Governments; or by the consumption of the produce or surplus stock of any Government establishment.

#### CONVEYANCE OF MAILS, 1868.

CONVEYANCE OF MAILS, 1868.

TENDERS are hereby invited and will be received until Noon of Wednesday, the 30th October, 1867, for the Conveyance of Post Office Mails, as undermentioned, for one year from the 1st January, 1868 to 31st December, 1868.

Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and may be forwarded (if by post, pre-paid) addressed to the Deputy Postmaster-General, with the words "Tender for the Conveyance of Mails" endorsed on the cover, or placed in the Tender-box at the General Post Office.

Tenderers are requested to describe by their numbers, as below, the mail services for which they tender, and every tender will be taken to include the entire service as called for.

Every tender must bear the bond fide signatures and addresses of the tenderer, and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

Every tender must be accompanied by a bank deposit-receipt for a sum equal to twenty per cent. of the amount for which the tenderer is willing to undertake the service; the money to be lodged to the credit of the Deputy Postmaster-General, and to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete, within tendays of the date of notice being given of the acceptance of his tender, the usual bond and contract to the satisfaction of the Government. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

The money deposited by unsuccessful tenderers will be returned to them on application, and on their signing receipts for the respective amounts, but not otherwise.

Persons tendering are requested to state the description of the vehicle they intend to use, and the number of horses, by which it is to be drawn.

A separate tender must be sent in for each service, but notwithstanding this condition, any offer will be entertained for the performance of any number of services for a lump sum. The number of the service or services tendered for must be plainly endorsed on the outside of the cover.

The tender of any person failing to comply with the foregoing conditions will not be entertained.

The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used Members of Parliament shall be conveyed free of charge between the districts they represent and Melbourne.

The Government will not necessarily accept the lowest or any tender.
