Plans and specifications may be seen and all particulars obtained at the office, 125, Lonsdale street west.

The preliminary deposit on this contract will be £25, which must be paid at the board room, in bank draft, and no tender will be entertained unless this condition is complied with. The deposit will be returned within three days to unsuccessful tenderers, but will be forfeited in the event of the successful tenderer failing to complete his security within the specified period.

All tenders must be on the printed form, and endorsed "Tender for Alterations and Additions to Office Buildings," and deposited in the Tender-box at the office of Victorian Water Supply.

The lowest or any tender not necessarily accepted.

LANDS FOR PASTORAL OCCUPATION.

TENDERS will be received (under the 39th section of *The Amending Land Act 1865*) by the Board of Land and Works, up to Noon of Wednesday, the 20th November next, at this office, at Melbourne, for the occupation (for pastoral purposes only) of the portions of land hereunder described, subject to the following terms, conditions, limitations, and provisions contained in *The Land Act 1862*, and *The Amending Land Act 1865*, relating to the ordinary pastoral occupation of Crown lands, and to the provisions of the 78th section of the first-named Act defining the privileges of travellers.

1. The period of occupation will be one year from the date of the acceptance of the tender.
2. The minimum fee in each case will be £5, in accordance with the Regulations of the 16th May, 1865.
3. The license fee must be paid every year in advance; the first fee must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the tenders, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition will be accepted.
4. The licensees will be subject to the granting of licenses under the 42nd section of *The Amending Land Act 1865*, without any reduction of the license fee or allowance for compensation during the current year of occupancy.
5. If the land be not required for sale or for other appropriation, the license will be renewable at the option of the said Board, on the same terms and conditions, provided application be made by licensee two months prior to the expiry of the current license, and payment of license fee for the ensuing year be made on the approval of the Board being signified.
6. If any error whatsoever be made to appear in the description or area of the portions of land to be licensed hereunder, the same shall be rectified, and a compensation or equivalent in satisfaction thereof, shall be determined by the Board of Land and Works, and accepted by the licensee in full of claim for loss or damage sustained thereby, or in the event of the licensee being dissatisfied with the amount so determined, the Board may cancel such license, and return to the licensee the proportionate part of the license fee for the unexpired term of such license.
7. Any improvements made upon the land will be so made at the risk of the licensee, as no compensation will be made for such improvements, neither will any time after the expiration of this license be allowed to remove any improvement so made.
8. The highest or any tender not necessarily accepted.

Plans and information may be obtained in this office.
 J. M. GRANT,
 President of the Board of Land and Works.

Lot 1. Four hundred and thirty-eight acres, county of Bourke, parish of Korkuperrimul, part of allotment 2 of section 1, having a frontage to the River Werribee, excluding land already licensed.

Lot 2. Two hundred and thirty acres, in the parish of Bairnsdale, Gippsland North, being that portion of the Eagle Point township reserve not in the Bairnsdale run, and separated from the said run by a fence from Eagle Point Bay and the River Mitchell, including all land between said fence and Point Dawson, as per plan.

Tenders for the Service of 1868.

CONVEYANCE OF MAILS, 1868.

TENDERS are hereby invited and will be received until Noon of Wednesday, the 4th December, 1867, for the Conveyance of Post Office Mails, as undermentioned, for one year from the 1st January, 1868, to 31st December, 1868.

Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and may be forwarded (if by post, pre-paid) addressed to the Deputy Postmaster-General, with the words "Tender for the Conveyance of Mails" endorsed on the cover, or placed in the Tender-box at the General Post Office.

Tenderers are requested to describe by their numbers, as below, the mail services for which they tender, and every tender will be taken to include the entire service as called for.

Every tender must bear the *bond fide* signatures and addresses of the tenderer, and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

Every tender must be accompanied by a bank deposit-receipt for a sum equal to twenty per cent. of the amount for which the tenderer is willing to undertake the service; the money to be lodged to the credit of the Deputy Postmaster-General, and to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete, within ten days of the date of notice being given of the acceptance of his tender, the usual bond and contract to the satisfaction of the Government. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

The money deposited by unsuccessful tenderers will be returned to them on application, and on their signing receipts for the respective amounts, but not otherwise.

Persons tendering are requested to state the description of the vehicle they intend to use, and the number of horses by which it is to be drawn.

A separate tender must sent in for each service, but notwithstanding this condition, any offer will be entertained for the performance of any number of services for a lump sum. The number of the service or services tendered for must be plainly endorsed on the outside of the cover.

The tender of any person failing to comply with the foregoing conditions will not be entertained.

The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used Members of Parliament shall be conveyed free of charge between the districts they represent and Melbourne.

The Government will not necessarily accept the lowest or any tender.

Tenders will be accepted or rejected separately. The contracts for fuel, Melbourne, must comprise the suburbs mentioned. Tenderers are to specify the kind of coal tendered for delivery by them, also the kind or kinds of wood, and the proportions of each kind.

The wood is to be split out of large forest timber of either red or white gum, box, or she-oak, perfectly sound, and cut into billets not exceeding nor less than two feet in length.

Printed forms of Tender may be obtained from the Inspector of Stores, Melbourne, and the Police Magistrate at Geelong, by whom also any information or explanation will be afforded to persons tendering.

Security will be required in cash, Government debentures, or bank deposit-receipt.

Tenderers must state the security proposed, whether in debentures, bank deposit-receipt, or cash deposit.

Tenders must be accompanied by a bank draft in favor of the Chairman of the Tender Board, or by bank notes, for ten per cent. of the amount of security required, which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

The security must be completed within ten days of acceptance of the tender, failing which, the contract may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

All tenders must be enclosed in a separate envelope, marked "Tender for ——" (as the case may be), and be deposited in the Tender-box at the Stores and Transport Office, King street; or if sent by post, they must be addressed to the Chairman of the Tender Board, Stores and Transport Office, Melbourne.

CONDITIONS.

1. The house coal is to be the best of its kind, free from shale, small coal, dust or other impurities. The smiths' coal must be free from dust, ashes, shale, or other impurities. The water is to be fresh and pure. The firewood to consist of either box, she-oak, red or white gum, and must be dry, perfectly sound, and of good burning quality.

2. The orders will be issued by the departments requiring the supplies; and should an order be not complied with within forty-eight hours, it will be competent for the department concerned to purchase at the contractor's risk, and to deduct from the contractor's account the extra expense (if any) over and above the contract price. Supplies are to be delivered in quantities from one to twenty tons at a time on board steam dredges wherever the same may be employed, and on board steam tugs at any wharf or bulk selected by the contractor in Hobson's Bay, the Yarra River, or Geelong, as the case may be.

3. The contractor for coal will be bound to furnish scales and weights, and to weigh the coal on delivery. The contractor for firewood will be bound to supply the wood in billets cut into two feet lengths, and to place the same in separate stacks of two feet in width and five feet high for measurement, on such ground as may be pointed out, a space being left between each stack.

4. As soon as the order for the coal or wood shall have been completed, the contractor will be required to furnish his account in the prescribed form, with the order attached thereto, to the department supplied. For water the account is to be rendered monthly for the quantity supplied during the previous month. Accounts will be payable at the Treasury, Melbourne or Geelong, as the contractor may require.

5. In the event of a difference of opinion between the contractor and the officer receiving the supply, as to the quality, the same is to be decided by a Board of Survey, composed of persons named by the head of the department, and the decision of the board is to be considered as final.

6. If the board shall decide that the article is not of proper quality, it must be immediately replaced by the contractor, failing which it will be procured elsewhere, and the extra expense, if any, will be deducted from the contractor's account.

7. If from any cause injury would accrue to the public service by waiting for a Board of Survey, the head of department, or officer in charge of station, will have the power to reject such articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected article, and supply good in its stead, failing which it will be procured elsewhere, and the extra expense, if any, will be charged as in condition 6.

8. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor to such mulct, not exceeding £50, as the Government may direct. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith.

9. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

10. In the event of any alteration in the Tariff affecting any of the items included in these Contracts, the Government, or the Contractor, as the case may be, will make a proportionate allowance by way of deduction from, or increase of, the price of the item so affected.

11. It will be competent for the Inspector of Stores on behalf of the Government, or the contractor on his own behalf, to terminate the contract by giving, in writing, a notice of three full calendar months; it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made.
