TENDERS will be received (under the 39th section of *The Amending Land Act 1865*) by the Board of Land and Works up to Noon of Thursday, the 9th day of May next, for the occupation (for pastoral purposes only) of the portions of land hereunder described, subject to the following terms, conditions, limitations and provisions contained in *The Land Act 1862* and *The Amending Land Act 1865*, relating to the ordinary pastoral occupation of Crown lands, and to the provisions of the 78th section of the first-named Act defining the privileges of travellers.

1. The period of occupation will be one year from the date of the acceptance of the tender.

2. The minimum fee in each case will be £5, in accordance with the Regulations of the 16th May, 1865.

3. The license fee must be paid every year in advance; the first fee must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the tenders, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition will be accepted.

4. The licenses will be subject to the granting of licenses under the 42nd section of *The Amending Land Act 1865*, without any reduction of the license fee or allowance for compensation during the current year of occupancy.

5. If the land be not required for sale or for other appropriation, the license will be renewable at the option of the said Board, on the same terms and conditions, provided application be made by licensee two months prior to the expiry of the current license, and payment of license fee for the ensuing year be made on approval of the Board being signified.

6. If any error whatsoever be made to appear in the description or area of the portions of land to be licensed hereunder, the same shall be rectified, and a compensation, or equivalent in satisfaction thereof, shall be determined by the Board of Land and Works, and accepted by the licensee in full of claim for loss or damage sustained thereby, or in the event of the licensee being dissatisfied with the amount so determined, the Board may cancel such license and return to the licensee the proportionate part of the license fee for the unexpired term of such license.

7. Any improvements made upon the land will be so made at the risk of the licensee, as no compensation will be made for such improvements, neither will any time after the expiration of this license be allowed to remove any improvement so made.
