SIR,—I have much pleasure in transmitting to you a copy of a Warrant issued under the Royal Sign Manual, under which the decoration of the Victoria Cross may be conferred on persons serving in the local forces which are or may hereafter be raised in any of Her Majesty's colonies.

I have to instruct you to take whatever steps may appear to you most likely to give publicity to this Warrant.

## WARRANT FOR EXTENDING THE VICTORIA CROSS TO THE LOCAL FORCES IN NEW ZEALAND AND IN THE COLONIES AND THEIR DEPENDENCIES GENERALLY.

### VICTORIA R.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith. To all to whom these Presents shall come, Greeting:

Whereas by a Warrant under our Royal Sign Manual, countersigned by one of our principal secretaries of state, and bearing date at our Court at Buckingham Palace, the 29th day of January, 1856, in the nineteenth year of our reign, we did constitute and create a new naval and military decoration, to be styled and designated the Victoria Cross, which decoration we expressed our desire should be highly prized and eagerly sought after by the officers and men of our naval and military services, and did also make, ordain, and establish the rules and ordinances therein set forth for the government of the same, to be thenceforth inviolably observed and kept:

And whereas during the progress of the operations which we have undertaken against the insurgent native tribes in our colony of New Zealand, it has happened that persons serving in the local forces of our said colony have performed deeds of

gallantry, in consideration of which they are not, according to the strict provisions of our said recited Warrant, eligible for this high distinction:

Now know ye, that we of our special grace, certain knowledge, and mere motion, have thought fit hereby to signify our Royal will and pleasure that the said decoration may be conferred on such persons aforesaid, who may be qualified to receive the same in accordance with the rules and ordinances made, ordained, and established by us for the government thereof by our said recited Warrant, and we do by these presents, for us, our heirs and successors, ordain and appoint that it shall be competent for such persons aforesaid to obtain the said decoration in the manner set forth in the rules and ordinances referred to, or in accordance with such further rules and ordinances as may hereafter be made and promulgated by us, our heirs and successors, for the government of the said decoration, provided that it be established in any case that the person was serving with our troops, under the orders of a general or other officer, under circumstances which would entitle an officer or soldier of our army to be recommended for the said decoration, in accordance with the rules and ordinances prescribed in our said recited Warrant, and provided also such person shall be recommended for it by such general or other officer:

And we do further for us, our heirs and successors, ordain and appoint that the said decoration may also be conferred, in accordance with the rules and ordinances prescribed in our said recited Warrant, and subject to the provisions aforesaid, on such persons who may be qualified to receive the same in accordance with the said rules and ordinances, as may hereafter be employed in the local forces raised, or which may be raised in our colonies and their dependencies, who may be called upon to serve in co-operation with our troops in military operations which it may be necessary to undertake for the suppression of rebellion against our authority, or for repelling invasion by a foreign enemy.

Given at our Court, at Osborne House, Isle of Wight, this first day of January, 1867, in the thirtieth year of our reign.

By Her Majesty's Command,  
(Signed) J. PEARL.

## CHANGE IN CHANNEL OVER BAR OF HOKIANGA RIVER.

THE following Notice to Mariners is published for general Information.

J. G. FRANCIS,  
Commissioner of Trade and Customs.  
Department of Trade and Customs,  
Melbourne, 18th April, 1867. 67/1611.

CHANGE IN CHANNEL OVER BAR OF HOKIANGA RIVER. NOTICE is hereby given that the channel over the bar at the entrance of Hokianga River (as laid down in Captain Drury's survey) has lately shoaled to seven (7) feet at low-water, and is no longer safe to enter.

The proper entrance now for vessels is by a new channel which has opened about two (2) cables length to the southward of the old one, having a breadth of one and a half (1½) cables length, and a depth of eighteen (18) feet at low-water. The mark for entering the same is to bring the flagstaff on South Head to bear N.E. by E. ¼ E., and be further guided by a white square at the yard-arms of the flagstaff, which hoisted at the south yard-arm denotes "keep more to the southward," and when hoisted at the north yard-arm "keep more to the northward," both squares down denotes "steer as you go."

Two beacons will, within a short time, be erected on the South head as leading marks for crossing the bar.

J. J. BURGESS,  
Port Master.  
Harbor Office,  
Auckland, 15th February, 1867.

## PORT NATAL BLUFF LIGHTHOUSE.

THE accompanying Notice to Mariners, which has been received from the Government of Natal, is published for general information.

J. G. FRANCIS,  
Commissioner of Trade and Customs.  
Department of Trade and Customs,  
Melbourne, 18th April, 1867.

## GOVERNMENT NOTICE No. 1, 1867.

His Excellency the Administrator of the Government directs the publication, for general information, of the following amended Notice of the Erection of a Lighthouse on the Bluff, at the south side of the entrance of Port Natal, in correction of the notification given in Government notice No. 122, 1866.

By His Excellency's command,  
D. ERSKINE,  
Colonial Secretary.

Colonial Office,  
Natal, 4th January, 1867.

## NOTICE TO MARINERS.

A Lighthouse has been erected on the Bluff, at the south side of the entrance of Port Natal, at an elevation of 292 feet above high-water, a light from which will be exhibited on the 23rd January, 1867.

The Lighthouse is in latitude  $29^{\circ} 52' 50''$  S., and longitude  $31^{\circ} 3' 35''$  E.

The building is an iron tower, in the form of a frustrum of a cone, 81 feet high, painted white; centre of light being 70 feet above the base, exhibiting a revolving white light of the second class (dioptric), attaining its greatest brilliancy once every minute.

It is visible in all directions from north (round by east and south), to S.  $59^{\circ}$  W.; and can be seen from a ship's deck 24 miles in clear weather.

The above light is not visible from the Aliwal Shoal, which is 25 miles S.,  $53^{\circ}$  W., from the lighthouse: vessels should not, therefore, when coming from the southward and westward, approach the shore nearer than 4 miles, or shoal their water under 40 fathoms, using the lead freely until they make the light well out from the deck, when they may stand in until it bears N.  $59^{\circ}$  E.,—which bearing will keep them outside all known danger—until they are abreast the Umlazi River (about  $9\frac{1}{2}$  miles below the lighthouse), when they must keep it more to the northward, as the land trends more to the eastward, giving the shore a good berth of a mile, and when the light bears about W. N. W., they can haul in to the northward for the anchorage: anchoring in  $8\frac{1}{2}$  to 10 fathoms, with the lighthouse bearing S. W. to S. W.  $\frac{1}{4}$  S., distant 1 mile.

W. E. ARCHDEACON,  
Master R. N.,  
Admiralty Surveyor.

N.B.—The above bearings are magnetic.

## Tenders.

TENDERS FOR OCCUPATION OF LAND UNDER  
39TH SECTION OF THE AMENDING LAND ACT.

TENDERS will be received (under the 39th section of *The Amending Land Act 1865*) by the Board of Land and Works up to Noon on Thursday, the 9th day of May next, for the occupation (for pastoral purposes only) of the portions of land hereunder described, subject to the following terms, conditions, limitations and provisions contained in *The Land Act 1862* and *The Amending Land Act 1865*, relating to the ordinary pastoral occupation of Crown lands, and to the provisions of the 78th section of the first-named Act defining the privileges of travellers.

1. The period of occupation will be one year from the date of the acceptance of the tender.

2. The minimum fee in each case will be £5, in accordance with the regulations of the 16th May, 1865.

3. The license fee must be paid every year in advance; the first fee must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the tenders, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition will be accepted.

4. The licenses will be subject to the granting of licenses under the 42nd section of *The Amending Land Act 1865*, without any reduction of the license fee or allowance for compensation during the current year of occupancy.

5. If the land be not required for sale or for other appropriation, the license will be renewable at the option of the said Board, on the same terms and conditions, provided application be made by licensee two months prior to the expiry of the current license, and payment of license fee for the ensuing year be made on approval of the Board being signified.

6. If any error whatsoever be made to appear in the description or area of the portions of land to be licensed hereunder, the same shall be rectified, and a compensation, or equivalent in satisfaction thereof, shall be determined by the Board of Land and Works, and accepted by the licensee in full of claim for loss or damage sustained thereby, or in the event of the licensee being dissatisfied with the amount so determined, the Board may cancel such license and return to the licensee the proportionate part of the license fee for the unexpired term of such license.

7. Any improvements made upon the land will be so made at the risk of the licensee, as no compensation will be made for such improvements, neither will any time after the expiration of this license be allowed to remove any improvement so made.

Plans and information may be obtained in this office, and the Survey Office of Hamilton.
