CONVEYANCE OF MAILS.

TENDERS will be received at this office until Noon on Thursday, the 22nd instant, for the Conveyance of Mails to and from ROCHESTER and COBOR, three days a week, from the 1st September to 31st December, 1867.

WILLIAM TURNER,
Deputy Postmaster-General.

General Post Office,
Melbourne, 5th August, 1867.

Tenders for the Service of 1868.

CONVEYANCE OF MAILS, 1868.

TENDERS are hereby invited and will be received until Noon of Wednesday, the 16th October, 1867, for the Conveyance of Post Office Mails, as undermentioned, for one year from the 1st January, 1868, to 31st December, 1868.

Tenders are required to be written on a form, printed copies of which may be had gratuitously on application at any post office in the colony, and may be forwarded (if by post, pre-paid) addressed to the Deputy Postmaster-General, with the words "Tender for the Conveyance of Mails" endorsed on the cover, or placed in the Tender-box at the General Post Office.

Tenderers are requested to describe by their numbers, as below, the mail services for which they tender, and every tender will be taken to include the entire service as called for.

Every tender must bear the *bond fide* signatures and addresses of the tenderer, and of two responsible persons willing to become bound for the fulfilment of the same in such sum as the Government may direct, not exceeding the gross amount of the contract.

Every tender must be accompanied by a bank deposit-receipt for a sum equal to twenty per cent. of the amount for which the tenderer is willing to undertake the service; the money to be lodged to the credit of the Deputy Postmaster-General, and to be absolutely forfeited to the Government in case the person whose tender may be accepted shall fail to complete, within ten days of the date of notice being given of the acceptance of his tender, the usual bond and contract to the satisfaction of the Government. The notice of acceptance, if delivered at the address named in the tender, shall be deemed sufficient.

The money deposited by unsuccessful tenderers will be returned to them on application, and on their signing receipts for the respective amounts, but not otherwise.

Persons tendering are requested to state the description of the vehicle they intend to use, and the number of horses by which it is to be drawn.

A separate tender must be sent in for each service, but not withstanding this condition, any offer will be entertained for the performance of any number of services for a lump sum. The number of the service or services tendered for must be plainly endorsed on the outside of the cover.

The tender of any person failing to comply with the foregoing conditions will not be entertained.

The general conditions referred to in the printed form of tender, and upon which the tender is to be made, can be inspected by persons proposing to tender, either at the General Post Office or at any post office in the colony.

The attention of tenderers is drawn to the condition which requires that in cases where vehicles are used Members of Parliament shall be conveyed free of charge between the districts they represent and Melbourne.

The Government will not necessarily accept the lowest or any tender.

SATURDAY, 31ST AUGUST.

Eleven o'clock.

In the Insolvent Estate of JOHN JOSEPH ROBERTS, of Highlander Hotel, Deniliquin.

For positive sale, the Highlander Hotel, Burlington Arcade, Post Office, and other buildings, situated in End and Wellington streets, Deniliquin.

R. GOLDSBROUGH and Co., under instructions from F. T. Humphrey, Esq., official assignee in the insolvent estate of J. J. Roberts, will offer for sale by auction, at their rooms, Melbourne, on Saturday, the 31st instant, at Eleven o'clock, those valuable freehold properties known as the Highlander Hotel, also the Burlington Arcade, Post Office, and other offices and premises, stables, coach-houses, out offices, extensive highly cultivated garden, &c., &c., together with the under-mentioned land, namely:-

Lots 1, 2, 3, 4, and part of lots 5 and 6 of section 20, and

Lots 19 and 20 of section 5, South Deniliquin.

The land has a frontage of 285 feet to End street by a depth of 165 feet to Wellington street, and a frontage of 396 feet to a street unnamed, bounded by the Edward River.

The Highlander Hotel is a most substantially built two-storied brick building, with handsome verandahs and balconies, extending the the whole front to End and Wellington streets, containing on ground floor, a front bar 20 feet by 17 feet, two large private sitting rooms, commercial room 20 feet by 17 feet, dining room 36 feet by 17 feet, private parlor 13 feet by 11 feet, new bar 27 feet by 18 feet, also ten large convenient bedrooms, a billiard room which is not surpassed in or out of Melbourne, kitchens, pantries, and servants' rooms.

The second floor contains twenty-three large bedrooms and four parlors, the latter are so constructed with folding doors as to be easily convertible into an assembly or concert room 60 feet long by 18 feet wide; two large bathrooms fitted with plunge and shower baths, in short every requisite of the most useful and substantial description.

All the apartments are well finished, with handsome cornices, the whole forming the most convenient and best appointed hotel in the district; in short this property has been erected under the immediate supervision of the proprietor, utterly regardless of cost, and with the recently erected additions, is fully adequate to meet the requirements of a most extensive business.

The Burlington Arcade adjoins the Highlander Hotel, and forms part of the freehold; it is substantially built, with a frontage to End street of about 153 feet; it is subdivided into business premises suitable for offices and general stores, which have hitherto been let to respectable tenants at satisfactory rentals.

The out offices, consisting of stables, coach-houses, and other conveniences, are all commodious, and are well adapted to the requirements of the hotel.

The auctioneers would observe that they do not deem it necessary to enumerate at greater length, in an advertisement, the numerous advantages secured by a purchaser of the above-mentioned valuable property, indeed the premises are too well known to require it, but they have plans prepared which show, not only the hotel as first erected, but other and very extensive additions only recently finished. Intending purchasers are invited to inspect the property, or call at the auctioneers' offices, where the fullest information as to conditions of sale, &c., will be afforded them. They will simply add, that the buildings briefly described above, were specially designed to supply a want long felt in the district, and from the highly respectable manner in which the house has been conducted, the purchaser will ensure the good-will of a first-class business.

N.B. The furniture, stock-in-trade, &c., of the hotel, may be taken by the purchaser at a valuation, if desired.

Terms—Half cash, balance by bills at 3 and 6 months, bearing interest, and secured in the usual manner.
