THE Governor, with the advice of the Executive Council, has approved of the subjoined Regulations for Official Agents, viz.:-

1. Every official agent shall in respect of each company in his hands keep a separate account at a bank, to be approved of by the Government, in his name as "Official Agent of the [stating name of the] Company." To such account all moneys received by him, belonging to such company, shall be paid forthwith, and in every case within forty-eight hours of receipt; and no such moneys shall be withdrawn from such account, except to meet claims approved and ordered to be paid by the Court of Mines.

2. Every payment in respect of any company shall be made by cheque on the bank account of that company, and must be supported by a receipt setting forth the service or claim in respect of which the payment is made.

3. No bill of costs for law expenses incurred by the official agent in connection with any company shall be paid from the funds of the company, unless such bill be first submitted to and allowed by the Court of Mines.

4. As soon as practicable after any company is placed in the hands of the official agent for winding up, he shall enter in a book to be kept for the purpose, an inventory of the property and credits of the company, and a list of the persons liable to contribute to the assets thereof, and the amount of their liability respectively, and shall, from time to time, as contributions are paid, note against the names of such persons the amounts paid by each respectively, with the date of payment; and shall also enter in the same book every liability of the company when ascertained; and such book shall at all reasonable times be open to inspection by all persons interested, on payment of a fee of two shillings and sixpence.

5. The official agent shall not in any case apply for warrants to call in a greater amount of capital than is reasonably necessary to meet the liabilities of the company and the expenses connected with the winding-up thereof.

6. The official agent shall on the first day of each month, having first paid into the proper bank accounts all moneys received in respect of any company, despatch to the Minister of Justice a return of the transactions during the preceding month in the Form annexed.

7. Such return shall contain all the particulars indicated by the form, and bear a certificate signed by the manager or officer in charge of the bank, that the balances shown on the return are in the bank to the credit of the several companies.

8. The accounts of the official agent will be inspected from time to time by an official auditor, and the official agent shall at all times on the demand of such auditor, deliver to him for the purposes of audit, all accounts, books, papers, and documents connected with the office of such agent or any company in his hands, and shall afford every reasonable facility for such audit.

9. A special audit will be held on the application of any creditor or shareholder of a company placed in the hands of an official agent, upon the expense of such audit being guaranteed to the satisfaction of the Minister of Justice.

10. No official agent shall receive any profit, or any payment direct or indirect, for services in any way connected with his official duties, or with any company in his hands, except for the commission of 5 per cent. allowed to him by law.

11. Under special circumstances the Minister of Justice may authorize a departure from these regulations.

12. Any official agent violating or neglecting to comply with these regulations will be liable to dismissal.

Schedules of the articles required, and forms of tender, may be obtained at the Stores and Transport Office, Melbourne, where samples of books and forms lie for inspection of tenderers. Tenderers to extend the several items, and to specify the total amount of the tender.

The supplies are to be properly packed by the contractors, and delivered in cases suitable for transport. The cases will be returned to contractor without delay.

Security will be required in the amount of £100 for due fulfilment of the contract, either in Government debentures, bank deposit-receipt, or cash deposit, as the tenderer may elect.

Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

The security must be completed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders, sealed and marked "Tender for Forms and Books for Victorian Railways," to be addressed to the Chairman of Tender Board, Stores and Transport Office, King street, Melbourne.

#### CONDITIONS.

1. Every article is to be strictly in accordance with the specification or sample, and subject to approval.

2. All orders for supplies must be issued from the Secretary of Railways, and all goods must be delivered free of charge to Railway Stores, Williamstown, unless otherwise directed by the secretary.

3. The Government will not be bound to issue orders upon the contractors for all the articles enumerated in the schedules, but only for such articles, and such quantities of those articles, as the Government may order from time to time; neither will the Government be bound to take from the contractors any larger supply of any of the articles than may be shown upon the orders which have been issued during the year, nor will they be bound to take any of the articles enumerated in the schedules for which orders have not been issued. Should the Government require a larger supply of any article than the quantity stated in the schedules, the contractor will be bound to supply the same at the contract rate.

4. Delivery as a rule is to be of the full quantity ordered at one time; but all deliveries must be accompanied with detail invoice, or bill of parcels, showing quantity, rate, and value; also the number of the order, otherwise the goods will not be received.

5. Fourteen days will be allowed to execute orders for printed forms, and twenty-one days for books.

6. Any irregularity in the quantity or quality of the supplies, or of delay in delivery, will subject the contractor, upon report from the Railway Storekeeper, to such mulct, not exceeding one-fourth the amount of the monthly account, as the Government may direct.

7. The Railway Storekeeper will have the power to reject such supplies as he may consider not according to contract, and the contractor may claim a survey to be held, provided he gives the Railway Storekeeper notice thereof within twenty-four hours after the goods have been rejected. The Commissioner of Railways will appoint the Board of Survey, and his decision will be final.

8. On completion of an order, the contractor will furnish his account to the Railway Storekeeper, and payment will be made at the Treasury.

9. The contract may be terminated by three months' notice from either party—the contractor on his own behalf, and the Secretary for Railways on behalf of the Government. Should the contractor, however, fail to perform the contract satisfactorily, the Secretary of Railways may terminate the contract forthwith.

10. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.
