7. *Transfer of grant of a drainage area.*—The holder or holders of a grant for a drainage area, who shall dispose of his or their interest in the draining machinery erected upon such area may transfer such grant to the person or persons to whom such draining machinery has been disposed of, by each party giving notice, in writing, of their intention to dispose of and to accept of such transfer respectively, to the mining registrar for the division in which such area is situate, in the form in the schedule hereunto appended (marked G); and such mining registrar shall register such transfer and give to the transferee, on payment of five shillings, a certificate of such transfer in the form in the schedule appended hereto (marked H), and no transfer shall be valid unless it can be shown that these conditions have been fully complied with, and upon such transfer being effected the original holder of the grant shall endorse and give such grant to the transferee, who shall then be deemed to be the holder of such grant and entitled to the drainage rates fixed by such grant, as if he were the original holder thereof, provided also, that the transferee of such grant shall within seven (7) clear days at most after the transfer of such grant, notify the same to the clerk of the mining board.

8. *Relinquishment of a grant for a drainage area.*—The holder or holders of a grant for a drainage area, who may be desirous of relinquishing the same, may do so at any time on getting the permission in writing of the shareholders, or a majority of the shareholders, in each claim included within the area, or by giving notice in writing to the owners of all claims within the area of his or their intention to relinquish such grant, and to cease draining operations at least two (2) months before such draining operations are ceased; failing either of these conditions the holder or holders of such grant shall be held liable for any damage that may accrue to any claim within the area by reason of any stoppage, provided that the holder or holders of such grant shall not be held liable for any damage caused to any claim through the sudden stoppage of his or their machinery if it can be shown that such stoppage was the result of accident, not caused by culpable negligence or carelessness, or through his or their machinery requiring repairs, or cleaning, if it can be shown that all repairs or cleaning have been made and performed, and drainage resumed with the utmost despatch.

9. *Transferee or mortgagee in possession of a claim in a drainage area liable for same amount of rates as transferrer or mortgagor.*—The transferee or transferees, or the mortgagee or mortgagees, in possession of any claim, or of any share in any claim within the boundaries of any drainage area, granted by the mining board, shall be liable for the same amount of drainage rates as the transferrer or transferrers or the mortgagor or mortgagors of such claim or share in such claim were liable for, provided that they shall not be held liable for any amount due at the time of the transfer, or mortgage of such claim or share.

10. *Drainage rates, when to be paid, and in default, how recoverable.*—The amount of drainage rates upon each claim, within a drainage area fixed by the mining board, and stated in the certificate of grant of such area, shall be the sum which the owner or owners of each claim are liable to pay, and shall be paid by such owner or owners to the clerk of the mining board, at the Mining Board Office, Maryborough, on the first Monday in every month; and in default of payment may be recovered in a summary manner, as prescribed by *The Mining Statute 1865*.

12. *Owners of amalgamated claims liable for same amount as they were liable for previous to amalgamation.*—Whenever the owners of two or more claims within a drainage area shall amalgamate their respective claims, then the owners of such amalgamated claim shall collectively be liable for the same amount of drainage rates as the owner or owners of such claims so amalgamated were previously liable for respectively.

13. *Efficient drainage.*—The holder or holders of a grant of a drainage area shall efficiently drain the claims on the reef or on the line of reef within such area, and shall for that purpose always keep his or their pumping shaft deeper sunk from the datum water-level than the working shaft or shafts of any claim or claims from the owners of which they receive drainage rates, and the owner or owners of any claim or claims within a drainage area whose working shaft is sunk deeper from the datum water-level than that of the holder or holders of the grant for such area, and who in consequence thereof are unable to proceed with their working operations, shall be exempted from the payment of drainage rates until the pumping shaft of the holder or holders of such grant is sunk to a greater depth from said datum water-level than his or their shaft or shafts, when he or they shall be again liable for and pay such drainage rates, provided that such owner or owners of claims as aforesaid shall not be exempted from payment of drainage rates as aforesaid, unless he or they shall have at least fourteen (14) clear days previous to ceasing payment of such drainage rates notified the owner or owners of such grant, in writing, of their intention at the expiration of

such fourteen (14) days to cease payment of drainage rates until the pumping shaft of the owner or owners of such grant is sunk deeper from said datum water-level than his or their shaft or shafts.

14. *Measurements.*—In all measurements of the depth of any shaft or shafts under this bye-law the datum water-level shall be the level from which such measurements shall be estimated.

15. *Expiration of grant for a drainage area.*—No grant for a drainage area shall be in force for a longer period than two (2) years from the date thereof, but the owner or owners of a grant may make application for a fresh grant two (2) months at most before the expiration of the term of his or their grant, in the form prescribed in section two (2) of this bye-law, and in case such fresh grant is issued to him or them it shall come into force and have effect immediately on the expiration of the former grant.

16. *Rates how to be disbursed.*—All sums of money received by the clerk of the mining board on account of drainage rates shall be paid by him into the account of the mining board, at such bank as shall from time to time be fixed by the mining board as the bank at which its account shall be kept, and shall be disbursed to the parties entitled to receive the same, once in every month, in the manner prescribed in the 78th section of *The Mining Statute 1865*; provided that there shall be deducted from such disbursements the costs of collecting and disbursing the same.

Tenderers will state separately for each district:—

Rate per lineal mile marked as directed for suburban surveys.

Rate per lineal mile marked for main and secondary roads unconnected with survey of allotments (both sides of road marked, but payment made by single measurement).

The surveys in future are to be proceeded with in the following order:—Lists of the applications for surveys in each district received in one calendar month will be handed to the contractor on or about the first day of the month following, and such surveys are to be proceeded with at once, and finished before any further applications of a more recent date can be commenced:—

6. BYE-LAWS OF THE HAMILTON HOSPITAL AND BENEVOLENT ASYLUM.

OBJECT.

THE institution will afford surgical and medical aid gratuitously to any person requiring it; but any person who shall be admitted, and found able to pay for the assistance rendered, may be allowed to remain on payment of such a sum, not exceeding two pounds per week, as the committee shall determine.

CONTRIBUTORS.

2. Every benefactor of £25 and upwards, and every annual contributor of £1 and upwards, shall be and be alone regarded as "contributors for the time being" under the second section of the Act of Incorporation, and be eligible to be members of committee. Every contributor of £25 in one sum shall be a life governor with the privilege of voting, by proxy, at all meetings of contributors. The scale of voting to be as follows:—Contributors of £1 and under, £5 one vote, £5 and under £10 two votes, £10 and upwards three votes.

3. No person shall hereafter be qualified to vote at any meeting of contributors, unless he shall have been a contributor of at least £1 sterling to this institution for the space of six months previous to such meeting; provided always that where a contributor shall have paid his subscription for the year immediately preceding the year in which any public meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such contributor to vote.

4. At the annual meeting of contributors in January all honorary officers, as president, vice-president, treasurer, medical officers, and auditors, shall be chosen, and all matters pertaining to the hospital shall be open to discussion; and resolutions may be passed, approving or disapproving of all or any of the things done during the year just terminated, recommending any future procedure which may appear desirable, and deciding absolutely on any business brought before it which may, consistently with the Act of Incorporation and the bye-laws, be transacted at it.

5. It shall be competent for the general committee by vote, or any twelve or more contributors by writing under their hands, to require the secretary to summon a general meeting of contributors at any time or times between the annual meetings; the occasion of calling every meeting shall be specified in the requisition, and no other business shall be transacted thereat, and every such meeting shall, with an intelligible reference to its object, be called by the secretary, by advertisement in one or more of the public newspapers of the colony, local if possible, at least one week before the day of meeting.

6. At all general meetings of contributors ten shall constitute a quorum, and as soon as a quorum is present the chair shall be taken; but if no quorum be present within half an hour of the time named, the meeting shall stand adjourned to the following week at the same day and hour, and so on from week to week until a quorum be formed.

7. All votes at the annual and other meetings of the contributors shall be taken by a show of hands, unless a ballot shall be demanded by at least one-third of those present, in which case the vote or votes referred to shall be by ballot.

GENERAL COMMITTEE.

8. The institution shall be governed by a general committee, consisting of a president, vice-president, honorary treasurer, twelve town and twelve country contributors (four to form a quorum), to be elected according to the provisions of the Act of Incorporation; but no person being a paid servant in the employment of the institution, nor any person who shall be interested in the execution of any contract entered into for the institution, shall be a member of such committee.

9. The president, vice-president, and treasurer, shall hold office for one year only, and which shall become vacant under the twelfth section of the Act of Incorporation:—"If any member of the committee shall die, or resign, by letter under his hand addressed to the chairman of the committee, or become insolvent, or compound with his creditors, or be convicted of any treason, felony, or misdemeanor, or be absent for four consecutive meetings from the committee, his office shall become vacant, and the remaining members of the committee may declare his office vacant and temporarily appoint thereto some contributor to such institution until the next annual meeting for the election of the committee, when the person thus temporarily appointed, shall retire as one of those who by the provisions of this Act are required to go out of office;" and the president, vice-president, and treasurer shall go out of office (but may nevertheless be re-elected) on the second Thursday in the month of January in every year, at which time a fresh election shall be made by contributors.

10. If it shall happen that any member or members of the general committee, whose retirement may require to be determined by lot, shall be absent from the meeting at which it shall be necessary to determine by lot who shall go out of office, then the chairman of the meeting, if need be, shall inscribe the name or names of him or them so absent on the paper, and shall do all things necessary to be done on behalf of the absentee or absentees for determining the issue of the said lot, and the retirement or otherwise, and the decision then arrived at shall be valid and effectual as if such party or parties were present.

11. The secretary shall keep a list for each year of the attendance and non-attendance at ordinary meetings of the various members of the general committee, and a similar but distinct list in relation to special meetings; and in the event of any member of the general committee or any honorary officer becoming disqualified, and his office remaining vacant, it shall be necessary, before the remaining members proceed to fill up the vacancy, that one month's notice of motion to that effect be given by some member of the general committee.

12. The general committee shall direct the business of the hospital, frame rules for its internal regulation (the same not being repugnant to the bye-laws), alter, repeal, amend, and make new rules, enter into contracts for the supply of provisions and other articles for the use of the hospital, direct payment to be made for the same, fill up vacancies in all honorary offices, between the annual meetings in January, and appoint and discharge all servants and paid officers of the institution. They shall meet on the first Tuesday in every month, and on such other days as they may appoint by way of adjournment. As soon as a quorum shall be present, the chair shall be taken by the president or vice-president, or in their absence, by a chairman appointed by the members then present; but if no quorum shall be present within fifteen minutes of the time named, such meeting, as well as every special meeting hereinafter authorized, shall stand adjourned to the following week at the same day and hour, and so on from week to week until the next monthly meeting, unless it shall appear to those members present that an earlier date of meeting is necessary. They shall superintend and give all necessary directions for the admission, discharge, and dismissal of patients, in accordance with the terms and spirit of the bye-laws.

13. No proposition to enact or amend a bye-law, or to vary any rule, shall be entertained, unless one month's previous notice has been given of such, and no motion to rescind a resolution shall be submitted within three months after such resolution has been passed, unless one month's notice of the same be given, and such motion be passed by the votes of not less than seven members of the committee.

14. All ordinary meetings of the general committee shall be notified to the town members thereof by circular, by the secretary, three days at least before the day of meeting, but no town member thereof absents himself for four consecutive ordinary meetings shall be at liberty to plead any insufficiency, or even entire lack of such notification, against the cessation of his office.

15. The general committee, by vote, or three members thereof, by writing under their hand, shall be at liberty at any time to require the secretary to summon a special meeting of the general committee to be holden within two weeks from the delivery thereof. Seven days' notice at least of such shall be given to each member by circular, by the secretary, and the occasion for calling the meeting shall be stated both in the requisition and summons, and no other business than that so stated, or clearly indicated, shall be transacted at such meeting. But non-attendance at special meetings shall not in itself or in conjunction with any other induce a vacancy of office.

16. The general committee shall present a report of the affairs of the hospital at the annual meeting in January, which report shall be prepared by the treasurer, secretary, and medical officers, and be presented at a special meeting for revision and approval, at least one week before the day appointed by the committee for the annual meeting.

VISITING COMMITTEE.

17. The visiting committee shall consist of three members, selected monthly by rotation from a list to be kept by the secretary for the purpose, one having power to act alone.

18. The visiting committee shall have power to furnish outdoor relief in the shape of money, food, medicine, or clothing, to any person who may be in a state of destitution, and whom they may deem an unfit object for admission as an inmate of the institution.

19. The visiting committee shall, at least once a week, visit the hospital, for the purpose of inspecting the arrangements thereof, and of enquiring of the patients if they are properly attended to, and shall report, in writing, to the next meeting of the general committee, any alterations or suggestions they may think necessary.

HONORARY TREASURER.

20. The honorary treasurer shall receive all money on behalf of the hospital, and invest the same to the credit of the hospital in such bank as the general committee shall direct. He shall pay all accounts after the same shall have been signed by the president or chairman of the meeting as having been approved by the general committee, by drafts on the bank, countersigned by the secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the general committee.

SECRETARY.

21. The secretary shall keep the minutes, accounts, and records of the hospital, compile all reports, conduct the correspondence, attend all meetings of the general and visiting committees, and bring all business before the same; carry out their resolutions; and perform all clerical duties that may be ordered by either committee.

COMMON SEAL.

22. The common seal of the corporation shall be kept in a strong box with two locks and keys (one of which keys shall be kept by the treasurer and the other by the secretary), and be deposited at the bank where the hospital account is kept.

The common seal shall not be affixed to any deed or other instrument except by order of the general committee, at a meeting at which seven members at least shall be present.

COLLECTOR.

23. The collectors shall travel through such portions of the district at such periods of the year as the committee shall direct, and collect subscriptions and all moneys due to the institution, in all cases giving receipts for the same; and pay to the treasurer, at least once in every month, all moneys they may have received, and render an account of the same to the general committee. They shall also furnish security from a public company to such an amount as the general committee may deem necessary.

AUDITORS.

24. The duly qualified contributors shall, at the annual general meeting in January in each year, appoint two auditors, not members of the committee, to examine the accounts for the

past year; but, in case either, or both, of such auditors neglect or refuse to perform the said audit for a space of one month from the time of his appointment, a special meeting of the qualified contributors shall be called immediately, to elect a new auditor or auditors, as the case may require; and it shall be competent for the president, or in his absence, the vice-president, at the request of not less than ten duly qualified contributors, to convene, by advertisement, a public meeting, at any time, for the purpose of electing auditors, if any emergency arise to warrant the general committee in having the accounts audited.

HONORARY SURGEONS.

25. The honorary medical officers shall be legally qualified medical practitioners, who shall be elected for one year, or any expressed term of a year. They shall have access to the hospital at all times; they shall co-operate with the resident surgeon in the performance of all capital surgical operations—but no such operation shall be performed without previous consultations of the medical staff; and they shall regularly consult in all cases of importance, or of protracted continuance in the hospital.

RESIDENT SURGEON.

26. The resident surgeon shall be a duly qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any unreasonable period without the permission of the general committee. He shall not engage in private practice, except in cases of consultation at the request of other surgeons, and then only provided such consultations will not interfere with his duties as resident surgeon.

PATIENTS.

27. Accidents, and such cases as may be deemed of decided emergency by the resident surgeon, shall be received at any time; and, in ordinary cases, patients shall be received daily (Sunday excepted), at such hours as may be, from time to time, appointed by the general committee, on the recommendation of a contributor of at least £1, countersigned by a member of the committee, who shall certify that such patient is not capable of providing medical attendance.

28. No female for the purpose of confinement, child under seven years of age, insane person, or one affected with any infectious disease, or any person who, in the opinion of the resident surgeon, is unfit to be an indoor patient, shall be received under any circumstances.

29. The general committee may, if necessary, make provision for the reception and treatment of patients laboring under contagious, infectious, or other diseases excluded under clause 23, on the hospital ground, but at a suitable and safe distance from the hospital itself.

30. Ministers of religion shall have access to sick persons of their respective denominations at all reasonable times.

The foregoing rules were confirmed at a meeting of contributors of the above institution (said meeting duly convened by advertisement in the *Hamilton Spectator* and *Free Press*), and held at the Mechanics' Institute, Hamilton, on Thursday, 23rd January, 1868, at Half-past Three o'clock in the afternoon.
