The rates accepted for these surveys to be in operation up to the 30th June 1873.

The surveys to be executed personally by the contractor, unless under very special circumstances, which are to be reported to the Surveyor-General, when permission is requested to employ an assistant.

The surveys are to be proceeded with in the following order:—Lists of the applications for surveys in each district received in any one calendar month by the District Surveyor will be handed to the contractor on or about the first day of the month following, and such surveys are to be proceeded with at once, and completed before any further applications of a more recent date can be commenced.

TENDERS will be received until Eleven o'clock a.m. on Wednesday the 19th June from persons willing to supply Breadstuffs, in such quantities as may be ordered from them by the various departments of the Public Service, in the Williamstown district, during twelve calendar months commencing on the 1st July 1872.

Williamstown district will include the town of Williamstown, Hobson's Bay, and the River Yarra.

For Williamstown district tenders will be received (on separate forms) for delivery on board, and for delivery at the water's edge, Williamstown. In the latter case, receipts would not be given until the goods are put on board, inspected, and weighed. Supplies of breadstuffs and meat for Penal Hulks would in either case have to be delivered on board by the contractor.

Tenders will be opened in the presence of tenderers, and such tenderers as can conveniently attend are requested to do so.

The prices must be expressed, without alterations or erasures, in words as well as in figures, and total amount of tender stated. No tenders will be received by telegram, and tenders should be on the printed forms of tender.

The value of all packages, whether in bulk or otherwise, is to be included in the price demanded (except flour and meal bags, which will be returned when empty); and only the actual net weight or quantity received will be paid for.

Printed forms of tender, showing the estimated monthly consumption and conditions of contract, may be obtained from the Secretary to the Tender Board, Melbourne, by whom also information will be afforded to persons tendering.

Security will be required, either in Government debentures, bank deposit-receipt, or cash deposit, as the tenderer may elect, in the sum of £70.

Bank deposit-receipts to be in favor of the Secretary, Tender Board.

Tenders must be accompanied by a preliminary deposit in bank notes or a bank draft, payable to the order of the Secretary to the Tender Board, for £20 (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

The security must be completed within three days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Bread," and be deposited in the Tender-box at the Tender Board Offices, Treasury; or (if sent by post) must be addressed to the Chairman of the Tender Board, Tender Board Offices, Treasury, Melbourne.
