"Your Majesty having been pleased by Your Order in Council of the 3rd November 1871 specially to refer unto this Committee a humble Petition of John Henry Thomas Viscount Canterbury Governor of the Colony of Victoria by and with the advice and consent of the Executive Council of the said Colony setting forth—1. That differences have arisen between the Colony of New South Wales and the Colony of Victoria as to a tract of land called or known as Pental Island which is claimed by each of the said Colonies as part of the territory thereof: 2. No. 70.—OCTOBER 25, 1872.—1.

New South Wales by and with the advice and consent of the Executive Council of the said Colony have agreed to submit the said differences to Your most Excellent Majesty in Council to award and declare to which of the said Colonies the said tract of land exclusively belongs and have also agreed that the said Colonies shall respectively abide by the determination of Your most Excellent Majesty in Council in the premises: 3. That after the Petitioner and the said Governor of the Colony of New South Wales had agreed to submit the said differences as aforesaid they issued a joint Commission to take evidence upon the matters in difference in the Colony of New South Wales and in the Colony of Victoria for transmission to Your most Excellent Majesty in Council: 4. That the Honorable Edward Deas Thomson Companion of the most honorable Order of the Bath a Member of the Legislative Council of the Colony of New South Wales and the Honorable John O'Shanassy Companion of the most distinguished Order of St. Michael and Saint George a Member of the Legislative Council of the Colony of Victoria were the Commissioners respectively appointed by the said Governor of New South Wales in Council and the Petitioner and such Commissioners duly executed and returned the Commission issued as aforesaid on the 1st day of October in the year of our Lord 1870 and a true record of all matters relating to the said Commission and of the proceedings and evidence thereunder is transmitted herewith and humbly praying that Your most Excellent Majesty in Council will be graciously pleased to award and declare whether the said tract of land called Pental Island is part of the territory of the Colony of New South Wales or part of the territory of the Colony of Victoria.

"And Your Majesty having likewise been pleased by Your Order in Council of the 3rd November 1871 specially to refer unto this Committee a humble Petition of the Government of Your Majesty's Colony of New South Wales setting forth—1. That a dispute has arisen between the Petitioners and the Government of Your Majesty's Colony of Victoria touching the right of territorial possession of an island in the River Murray known as Pental Island: 2. That in the eighteenth and nineteenth years of Your Majesty's reign an Act was passed by the Imperial Parliament of Great Britain and Ireland entitled 'An Act to enable Her Majesty to assent to a Bill as amended of the Legislature of New South Wales to confer a Constitution on New South Wales and to grant a Civil List to Her Majesty' in the fifth section of which Act it is provided as follows:—

"And whereas by the before-mentioned Act of the fourteenth year of Her Majesty, chapter fifty-nine, it is, amongst other things, enacted that the territories therein described as bounded on the north and north-east by a straight line drawn from Cape Howe to the nearest source of the River Murray, and thence by the course of that river to the western boundary of the Colony of South Australia, should be crected into a separate Colony to be known and designated as the Colony of Victoria:

"And whereas doubts have been entertained as to the true meaning of the said description of the boundary of the said Colony: It is hereby declared and enacted that the whole watercourse of the said River Murray, from its source therein described to the eastern boundary of the Colony of South Australia, is and shall be within the territory of New South Wales."

3. That under the provisions of the said recited Act the Petitioners claim that the watercourse of the said River Murray is the channel or channels in which the waters of the said river flow and that the whole of such watercourse including such islands in the said river as are formed by the severance of the said watercourse into two channels are within the territory of New South Wales and that therefore under the circumstances hereinafter appearing the said Pental Island is

within the territory of New South Wales: 4. That the said Pentland Island is formed by the severance of the said River Murray into two channels which after a tortuous course almost parallel to each other reunite and form again one watercourse that the channel of the said river just above the said Pentland Island is of the width of 250 feet or thereabouts and the channel of the said river on the northern side of the said island is of the width of 300 feet or thereabouts and the channel of the said river on the southern side of the said island is of the width of 220 feet or thereabouts: 5. That the said River Murray is in ordinary seasons navigable for small steamers and vessels of light draft except during the later months of the summer and the autumn and that during the months in which the said river is navigable the southern and northern channels thereof surrounding the said island are equally suitable for navigation in point of width and depth of water but in consequence of the lessees of the said island having thrown two bridges across the said southern channel connecting the said island with the mainland the ships navigating the said river are compelled to use the northern channel alone: 6. That the waters of the said River Murray in the northern and southern channels thereof continue to flow throughout the whole year and the rise and fall thereof is regulated by the rise and fall of the said river throughout its course that the only waters which flow into the said southern channel from the Colony of Victoria are those of the Loddon River which does not flow into the said southern channel of the said River Murray except during floods and at all other periods the only waters in the said southern channel are the waters of the said River Murray: 7. That previously to the separation of the Colony of Victoria from the Colony of New South Wales or until the passing of the said Act 18 & 19 Vict. c. 54. no question arose as to whether the said two channels of the said River Murray together formed the whole watercourse of the said river and consequently whether the said Pentland Island was within the territory of New South Wales but after the passing of the said last-mentioned Act the attention of the Crown Lands Commissioner of the Murrumbidgee District in the Colony of New South Wales (being the district in which the said island is situated) was directed to the said description of the boundary of the said Colony of New South Wales in the said Act contained and thereupon the Petitioners claimed the said island as part of the territory of New South Wales and have ever since received rents and assessments for the use and occupation of the said island from the lessees thereof under the Acts in that behalf in force in the Colony of New South Wales: 8. That with a view to the submission of the matters in dispute touching the said Pentland Island between the Petitioners and the said Colony of Victoria to the decision of Your most Gracious Majesty his Excellency the Earl of Belmore the Governor of the Colony of New South Wales was pleased to appoint the Honorable Edward Deas Thomson C.B. and his Excellency Viscount Canterbury the Governor of the Colony of Victoria was pleased to appoint the Honorable John O'Shanassy G.M.C. to be joint Commissioners to make inquiry into the matters so in dispute as aforesaid and to take evidence thereupon and in pursuance of such Commission the said Commissioners took evidence upon the matters so in dispute as aforesaid both documentary and oral in both of the said Colonies all which evidence the Petitioners crave leave to submit to the consideration of Your Majesty: 9. The Petitioners have drawn up a statement of their case as established by the evidence and crave leave to submit the same to the consideration of Your Majesty and pray that it may be taken as part of this their Petition and humbly praying Your Majesty most graciously to consider the premises and that Your Majesty will be graciously pleased to submit this Petition and statement of their case for investigation and trial to the Judicial Committee of Your Majesty's Privy Council and that Your Majesty will be graciously pleased to endorse on this their Petition Your royal Declaration and Order to such effect as Your Majesty shall be pleased to deem necessary in that behalf and that the Petitioners may have and obtain from Your Majesty such further and other relief in the premises as under all the circumstances herein-before appearing shall be by Your Majesty deemed just and right.

(Signed) BELMORE, Governor.

On behalf of the Government of New South Wales, 27th January 1871.

"The Lords of the Committee in obedience to Your Majesty's said Special Orders of Reference have taken the said Petitions into consideration and having heard Counsel on behalf of the Colony of Victoria and also on behalf of the Colony of New South Wales and having inquired into the whole matter their Lordships do this day agree humbly to report to Your Majesty as their opinion that it ought to be awarded and declared by Your Majesty in Council that the tract of land called Pentland Island is part of the territory of the Colony of Victoria."

Her Majesty having taken the said Report into consideration was pleased by and with the advice of Her Privy Council to approve thereof and to order as it is hereby ordered that it be awarded and declared by Her Majesty in Council and it is hereby awarded and declared that the tract of land called Pentland Island is part of the territory of the Colony of Victoria. Whereof the Governor Lieutenant-Governor or Commander-in-Chief of the Colony of New South Wales and likewise the Governor Lieutenant-Governor or Commander-in-Chief of the Colony of Victoria for the time being and all other persons whom it may concern are to take notice and govern themselves accordingly.

### CONSTITUTION OF A SHIRE TO BE TWO SEPARATE SHIRES.

At the Executive Council Chamber, Melbourne, the fourteenth day of October 1872.

PRESENT:

His Excellency the Governor

Mr. Francis	Mr. Cohen
Mr. Langton	Mr. Mackay
Mr. Casey	Mr. Fraser
Mr. Stephen	Mr. Ramsay.
Mr. Kerferd	

WHEREAS by *The Shires Statute* (33 Vict. No. 358, § 20) it is amongst other things enacted, that it shall be lawful for the Governor, if he shall have received a petition, signed by not less than twenty persons, each of whose names shall appear upon some voters' roll for a shire or any one or more ridings thereof, setting forth that by reason of the great extent of such shire or remoteness of the part wherein such petitioners reside from other parts thereof, and of the diversity of the industry and interests of such part from those of the remainder thereof (of the truth of which allegations and the grounds thereof the Governor alone shall judge), it is expedient to constitute the two parts of such shires differently affected two separate shires, to constitute accordingly such parts with such boundaries and under such names as shall seem fit two separate shires to be deemed proclaimed shires under the said Act, and all ridings of the shire so separated shall cease to exist: And whereas by a Proclamation under the hand of the Governor and the seal of the colony, bearing date the 15th day of April in the year One thousand eight hundred and sixty-seven, the shire of Bairnsdale was constituted: And whereas by an Order of the Governor in Council made on the 28th day of September in the year One thousand eight hundred and sixty-eight, the said shire of Bairnsdale was subdivided into ridings: And whereas the powers conferred upon the Governor by the section of the Act above recited are now exercised upon a petition signed by not less than twenty persons, each of whose names appears upon the voters' roll of the said Shire of Bairnsdale, and notices of such petition have been published in the manner prescribed in the twenty-ninth section of the said Act: Now therefore His Excellency the Governor, with the advice of the Executive Council, doth by this present Order constitute the two parts, hereinafter described, of the area hitherto constituting the Shire of Bairnsdale to be two separate shires, and, with the advice aforesaid, doth hereby set forth the names and boundaries of such proclaimed shires in manner following, that is to say:—
