WHEREAS by *The Public Health Statute 1865* (28 Vict. Until such vessels and boats persons and things as aforesaid shall have respectively performed and shall be duly discharged from quarantine, no such persons or things shall either before or after the arrival of such vessels or boats at any place in Victoria come or be brought on shore or go or be put on board any other vessel or boat in order to come or be brought on shore in any such place (unless in such manner and in such cases and by such license as shall be directed or permitted by any such order as aforesaid). Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do by this Proclamation notify that the Port of Lyttelton, in New Zealand, is infected with Small-pox, and that it is probable that such disease may be brought from such place to Victoria.
