ALIENATION OF CROWN LANDS.

SUBDIVISION I.—BY LICENSE AND LEASE.

Section 19.—Applications.

3. Every intending applicant for a license under section 19 shall, between the hours of Nine a.m. and Four p.m., place a conspicuous post, or a cairn of stones, at each corner of the allotment, or, if such allotment consist of more than one parcel of land, at each corner of each parcel, and shall affix to each of such posts or cairns a notice in writing setting forth that he is an applicant for such allotment, the approximate area thereof, and his name and address, and from such post or cairn dig a trench at least two feet long, six inches wide, and four inches deep, in the direction of the containing sides. The applicant shall, before lodging his application for a license, pay to the nearest Receiver of Revenue the sum of £1, for a certificate of registration, which the said Receiver shall thereupon hand to him, and such sum shall not in any case be refunded. All applicants who mark out the same allotment upon one and the same day shall be deemed to be equal so far as regards priority of marking out.

4. After defining the boundaries as aforesaid, the applicant shall, within one week, post or deliver to the District Surveyor his application, together with the certificate of registration, and such application shall be in the form and shall be accompanied by the declaration on oath prescribed in Schedule II. hereto; and no application shall be accepted unless the said certificate be forwarded therewith; but at the hearing of such application the failure to comply with the provisions hereof respecting the time of delivering the application shall not be deemed to be a fatal objection where the applicant can prove the existence of some reasonable ground of excuse, which shall be recorded by the District Surveyor upon the application.

5. Immediately on receiving the application as aforesaid, the District Surveyor shall, if a survey be required, notify to the applicant that, on his depositing with a Receiver of Revenue the amount chargeable to him for survey, and producing or forwarding the receipt therefor to the District Surveyor, an Authorized Surveyor will be instructed to survey the land for and on account of the applicant; and should the said charge not be paid within twenty-eight days from the date of such notification the application shall be deemed to be abandoned, and the land shall be made available for other applicants.

6. No such survey shall be held to be a Government survey within the meaning of section 32 of *The Land Act 1869* until the Inspector-General of Plans and Surveys shall be satisfied of its accuracy. The applicant shall be responsible for the payment, whenever demanded, of any further sum that may be required for the survey of the allotment, or for any modification of the plan supplied where such modification is not caused by the neglect of the Authorized Surveyor.

7. The rates chargeable by Authorized Surveyors for surveys under these Regulations shall be as follows, and shall be paid by the applicant to the local Receiver, from whom the Authorized Surveyor will receive them on the certificate of the District Surveyor:—

Applicants for entire surveyed allotments shall pay survey fees at the rate of two-thirds of the scale number I. as above, but shall not be liable to mileage fees, and such survey fees shall pass to the general revenue.

Whenever it shall appear that the survey of any land is exceptionally difficult, owing to the nature of the country or any other cause, such extra charge as the Minister may deem fit shall be imposed for the survey of such land, and shall be duly notified in the *Government Gazette*.

8. When an application shall be approved, upon a survey furnished by and at the expense of another applicant, the successful applicant shall pay to such unsuccessful applicant the cost of such survey, or such lesser sum by way of reimbursement as the Minister may direct; and no license shall be delivered to such successful applicant until the payment be made.

9. The District Surveyor shall notify by post to every applicant and to every person who in his opinion is interested for or against the application the time and the place of the meeting of the Local Land Board at which such application and the objections (if any) thereto will be heard; but no person shall be deemed to have any right to receive any such notice, and any objection to any such application may be taken by any person, and shall be considered at the hearing although no notice thereof shall have been given.

10. After the consideration of the report of the Local Land Board and approval of the issue of any license, such license, in the form and subject to the conditions prescribed in Schedule III. hereto, shall be forwarded to the proper officer to issue upon payment of the fee for half-year's occupation of the land described therein, the fee for the issue of the license, and, if necessary, the charge for survey, together with such other sums as may be required in special cases for value of improvements, &c. The applicant shall be advised to pay the said sums within one month from the date of the license. Every such license shall bear date as of the first of the month next after that in which the issue of such license shall have been approved; but the diagram of boundaries and statement of area shall be deemed as approximate and temporary only.

11. If any person whose application for a license shall have been approved fail to pay the fees as hereinbefore directed, his application shall be liable to be deemed abandoned, and the allotment applied for shall be liable to be made available for selection.

12. Unless by the express direction of the Minister, all subsequent payments of license fees shall be made to the Receiver in whose district the land is situated; but no Receiver shall receive any moneys on account of licenses unless advised from the Occupation Branch so to do.

13. The Minister may, if he think fit, authorize the issue to any applicant for a license under section 19 or section 49 of *The Land Act 1869*, whose application shall have been recommended by a Local Land Board, of a permit, in the form of Schedule IV. hereto, entitling such applicant to provisionally use and occupy, for grazing purposes only, the land specified in such permit, subject to the terms and conditions and payment of such fees as shall be set forth therein: Provided that such permit shall only be so issued when the license applied for under either of the sections before mentioned is withheld, or the issue thereof is objected to in consequence of the land being deemed likely to be auriferous, or to be required for railway or other public purposes; and on withdrawal of such objections, or on refusal of the license under either of the sections before mentioned, the right to use and occupy the land under such permit shall cease and determine: Provided also that no permit so issued shall have force beyond the thirty-first day of December of the year during which the same shall have been issued.

MISCELLANEOUS LICENSES.

Section 47.

14. Licenses under this section of *The Land Act 1869*, unless otherwise provided, shall be classed in two divisions:—

The first division shall comprise those licenses which confer the exclusive right to enter upon any Crown lands not under lease or licensed under Part II. of *The Land Act 1869*, and shall be for the purposes and subject to the fees and conditions specified in Schedule V. hereto.

- The second division shall comprise those licenses which do not confer any exclusive right, and shall be for the purposes and subject to the fees and conditions specified in Schedule VI. hereto.
- And the provisions of sections 3 to 8 and 12 of these Regulations, except as is hereinafter provided, shall apply to applications under this section.
15. License fees shall be payable quarterly in advance, except where otherwise specially directed. The fee specified in section 3 of these Regulations is not payable under this section. Applications shall not, unless specially ordered, be heard by Local Land Boards. Application shall be made in the form of Schedule VII. hereto. The Minister may, if he think fit, dispense with a plan, either temporarily or wholly. Licenses under Schedule VI. hereto shall be issued by the officers appointed by the Treasurer for that purpose.
16. Licenses (except in cases expressly provided for) shall be in the form and subject to the conditions specified in Schedule VIII. hereto, and, if deemed expedient, to all or any of the special conditions specified therein, and to such other special condition as may be necessary in any particular case.
17. The interest in a license issued for any of the purposes specified in Schedule V. may be transferred, with the consent of the Minister, upon payment of a fee of One pound, and a new license shall thereupon issue to the transferee.
18. Tenders for licenses to enter upon Crown lands for any of the purposes specified in section 47, *Land Act* 1869, may be invited.

GARDEN LICENSES.

19. Each applicant for a Garden License shall mark out the land required in the manner prescribed in section 3 of these Regulations, and shall, within one week of such marking out, deposit with the District Surveyor, during ordinary office hours, an application in the form of Schedule VII. hereto.
20. The District Surveyor shall, if there be no objection to the occupation of the land, hand to the applicant, immediately upon receipt of the application, a certificate in the form of Schedule IX. hereto.
