FREEMAN'S CHANNEL, MORETON BAY.

As in the Middle Channel, during strong easterly and south-easterly winds, a short breaking sea runs, which, from the present direction of the Channel, is at times nearly abeam and

liable to break on board vessels while entering; two red buoys, which are to be passed on the starboard hand at about a ship's length, are again laid down in Freeman's Channel.

There is not less than 10 feet in this channel at low water springs, so that most of the coasting steamers can make use of it in safety in bad weather, when the other channels into Moreton Bay are more or less dangerous.

The depth in this channel at low water will be kept posted up at the Port Office, and any change will be duly notified.

CERTAIN £10 LICENSING DISTRICTS TO BE DISCONTINUED.

PROCLAMATION

By His Excellency SIR GEORGE FERGUSON BOWEN, Knight Grand Cross of the Most Distinguished Order of Saint Michael and St. George, Governor and Commander-in-Chief in and over the Colony of Victoria and its Dependencies, and Vice-Admiral of the same, &c., &c., &c.

WHEREAS by *The Wines, Beer, and Spirits Sale Statute 1864 amendment Act* it was amongst other things enacted, that it should be lawful for the Governor in Council, upon the application in writing of the council of any shire or road district, to proclaim any part of such shire or road district, to be defined by such council, and not being in or within one mile of any city or town, a part within which the licensing magistrates for such district might grant certificates for publicans' licenses as aforesaid for which should be charged the annual license fee of Ten pounds; and on the like application of the council of any borough, not being within fifty miles of the city of Melbourne, the Governor in Council might if he should think fit proclaim any portion of such borough as a part within which the licensing magistrates for the district might grant certificates for such publicans' licenses, and for which license should be charged a like fee of Ten pounds; and the said Governor in Council might from time to time revoke any such proclamation, such revocation to take effect from the time of the expiration of the last issued license under such proclamation: And whereas by a proclamation under the hand of the Governor and the seal of the colony, bearing date the twentieth day of December 1872 the parish of Kapong, in the shire of Minhamite, was constituted a district in which certificates for Publicans' £10 licenses might be granted: And whereas by another proclamation bearing date the twenty-ninth day of December 1873, the West Riding of the Shire of Minhamite was constituted a district in which similar certificates might be granted: And whereas it is expedient to revoke the above-mentioned proclamations, so far as they relate to the districts above named: Now therefore I, the Governor of Victoria, with the advice of the Executive Council, do hereby revoke the whole of the proclamation hereinbefore first mentioned relating to the parish of Kapong, and so much of the proclamation secondly hereinbefore mentioned as relates to the West Riding of the Shire of Minhamite, such revocation to take effect in each district from the time of the expiration of the license last issued in such district under the proclamation relating thereto.

Given under my Hand and the Seal of the Colony, at Melbourne, this eleventh day of September in the year of our Lord One thousand eight hundred and seventy-six, and in the fortieth year of Her Majesty's reign.

(L.S.) G. F. BOWEN.

By His Excellency's Command,

At the Executive Council Chamber, Melbourne, the eleventh day of September 1876.

PRESENT:

His Excellency the Governor

Sir James McCulloch	Mr. Anderson
Mr. MacPherson	Mr. McLellan
Mr. Kerferd	Mr. Jones.

WHEREAS by *The Local Government Act 1874* (38 Vict. No. 506, § 50) it was amongst other things enacted that any error under any order under Part I. of the said Act or under any of the analogous provisions of the Acts thereby repealed might be rectified by the Governor in Council by any subsequent order: And whereas the Shire of Portland was re-defined in an Order in Council, which was made on the twenty-seventh day of March last, and was published in the *Government Gazette* of the 31st of that month, in pages 599 and 600, and in the second line of the description of such shire the words south-east occur erroneously, and it is necessary to correct the error by substituting the words south-west in lieu thereof: Now therefore His Excellency the Governor, by and with the advice of the Executive Council, doth by present Order, for the purpose of correcting the error aforesaid, re-define the said Shire of Portland in manner following, that is to say:—

THE SHIRE OF PORTLAND.—Commencing on the sea-coast at the south-west corner of the county of Normanby; thence north by the eastern boundary-line of South Australia to the south-west angle of the township of Lindsay; thence along its south boundary and in continuation east to the River Glenelg, down the River Glenelg to its junction with the Stokes River, up the Stokes River to the intersection of the western margin of the parish of Grassdale; north by this and the west side of the parish of Tahara to the junction of the road on the southern boundary of section 12 of last-named parish; easterly and north-easterly by said road along it and the south-eastern boundaries of sections 12, 10, and 9, parish of Tahara, to the main road from Green Hills to Harrow; northerly by said main road to the River Wannon, up that river to the north-west angle of the parish of Murrumbidgee; southward and eastward around that parish and part of the north and east sides of the parish of Bransholme to the main road from Bransholme to Hamilton; north-easterly by that road to the intersection of the road at the north boundary of section 12, parish of Audley; east by this road to and south along a road from the north-east angle of section 13 of the said parish to the south-west angle of section 4, parish of Byambynee; east by the road on the south of said section to the north-west angle of allotment 2a of section 6 of the same parish; thence southerly by the road bounding said allotment and the Lyne pre-emptive section on the west to the south-west angle of the said pre-emptive section; thence west by the road on the north of allotments 4a, 5, and 6a of section 14 of said parish to the road bounding that section on the west; thence south by this last road to the south-east angle of section 13, parish of Byambynee, westward to the south-west angle of the same section, south to the centre of the main Louth Swamp; thence westerly by the centre of that swamp to the centre of the Lake Condah Swamp; southerly by the centre of the latter swamp and of Lake Condah to the south-east angle of said lake; thence by a direct line to the north-east angle of allotment 23 of the parish of Dunmore; thence south by the road bounding said allotment on the east to the intersection of the road bounding it on the south; thence west by that road to the north-west angle of portion 21, parish of Dunmore; thence south by the road bounding the last-named allotment on the west to the intersection of a road forming the north boundary of portion 16 in the parish of Tyrondarra; thence east by that road to the intersection of a road forming the west boundary of portions 17 and 33 of the last-named parish; thence south by that road to the sea-coast; thence westerly along the sea-shore to starting point, excluding the borough of Portland.

Whenever the line so described as aforesaid runs beside or along a river, creek, or road, whether specifically mentioned or not, the centre of such river, creek, or road shall be taken to be the boundary-line.

ROB. WADSWORTH,

SHIRE OF YACKANDANDAH.

PETITION FOR SEVERANCE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 39th and 44th sections of the said Act, which has been presented to the Governor in Council, are published, viz:—

The signatories to the petition are twelve in number, and the petitioners state that they are a majority of the ratepayers resident in the eastern portion of the parish of Barnawartha, in the shire of Yackandandah; that owing to remoteness from the seat of local government they have little or no voice in or benefit from the expenditure of the municipal funds; they have no interest in common with Yackandandah which they have with Wodonga; and the reasons which suggested the separation from Yackandandah of the localities now forming the Shire of Wodonga have equal force as regards their

locality, and while attached to Yackandandah they are virtually deprived of the privileges of local self-government.

And the petitioners pray as follows:—

"Your memorialists pray that you may be pleased to exercise the powers conferred by section 19 of *The Local Government Act 1874*, and separate the herein-after described portion of territory from the Shire of Yackandandah, said portion of territory containing an area of about 13 square miles, and including rateable property capable of yielding upon a rate not exceeding One shilling in the pound on the annual value thereof a sum of Thirty pounds (£30), and cause the same to be annexed to the shire of Wodonga.

"Commencing at the Murray River, at the point where the western boundary of the shire of Wodonga touches the same; thence westerly by the Murray River to a point north from the north-east angle of allotment 3 of section 30, in the parish of North Barnawartha; thence by a line bearing south to the range forming the northern watershed of Cookinburra Creek (parts of said line forming the eastern boundaries of section 30, allotments 1 and 10 of section 31, sections 38 and 37, all in the parish of North Barnawartha); thence by that range easterly to the western boundary of the Shire of Wodonga; thence by that boundary north to the Murray River at the commencing point."

JOHN A. MACPHERSON,
Chief Secretary.

Chief Secretary's Office,

SHIRES OF ST. ARNAUD AND WIMMERA.

PETITION FOR SEVERANCE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 39th and 44th sections of the said Act, which has been presented to the Governor in Council, are published, viz:—

The petition is signed by not less than 500 inhabitants of the part of Victoria (consisting of portions of the Shires of St. Arnaud and Wimmera) sought to be constituted a shire, each of whom possesses rateable property therein. They state that their remoteness from the respective centres of local government causes their requirements to be ignored and deprives them of a fair share of expenditure, and that the district proposed to be constituted a shire is capable of yielding, on a rate not exceeding One shilling in the Pound, the sum of One thousand pounds, being fully settled.

And the petitioners pray as follows:—

"We humbly pray that you will be pleased to sever such territory from the respective shires of St. Arnaud and Wimmera and constitute the same a new shire, that is to say:—Commencing at a point on the River Wimmera at its intersection by the western boundary of the parish of Marma; thence by said river south-easterly to a point west of the south-west angle of allotment 48, parish of Marma; thence east to main road from Horsham to Glenorchy; thence by said road to intersection of the south boundary of the parish of Marma, east by parish boundary to north-west corner of the parish of Riachella; thence south by west, parish boundary of Riachella, to a point opposite the south-west angle of allotment 197, parish of Riachella; thence south-easterly by main road from Horsham to Navarre to a point opposite the south-east angle of allotment 205; thence north to a point opposite the north-east angle of allotment 226; thence east by south boundary of the parish of Wirchelleba to the River Richardson; thence by that river to intersection of eastern boundary of the parish of Burrum Burrum; thence north by the eastern boundaries of the parishes of Burrum Burrum and Laen to the intersection of the main road from Donald to Werracknabeal; thence by the main road to the eastern boundary of the parish of Nullan; thence north by the eastern boundaries of the parishes of Nullan and Bangerang to the intersection of the road from Werracknabeal to Carron; thence west by the main road to Yarrambiack Creek; thence south by that creek to the intersection of the north boundary of the parish of Longerenong; thence east by the parish boundary to the north-east corner of the parish; thence south by the parish boundary to the point of commencement.

"Wherever the line so described as aforesaid runs beside or along a river, creek, or road, whether specifically mentioned or not, the centre of such river, creek, or road to be the boundary-line."

And the petitioners further pray—

"That the same be subdivided into three ridings, to be called the east, west, and north ridings, as hereinafter described, that is to say:—Commencing at the point where the geodetic line between the parishes of Warranook and Riachella intersects the road from Horsham to Navarre at allotment 197, parish of Riachella; thence by the geodetic line bearing north to a point where it intersects the main road leading from Donald to Horsham, which will divide the east and west ridings:

"Then commencing at a point on the Yarrambiack Creek where it intersects the road leading from Donald to Horsham; thence by that road bearing easterly to a point where it intersects the main road leading from Werracknabeal to Donald, as hereinbefore described in the description of the proposed shire, which will divide the north from the east and west ridings."

For licensing yards and premises for the sale of cattle within the borough, and for fixing the dues to be paid for such licenses. IN pursuance of the powers conferred by "The Local Government Act 1874," the Mayor, Councillors, and Burgesses of the Borough of Wangaratta order as follows:—

1. That a free monthly market, for the sale of stock, and farm, dairy, and garden produce, shall be held on Thursday the 26th day of October 1876, and on the last Thursday (Christmas Day excepted) in each succeeding month, from Six o'clock a.m. to Six o'clock p.m.

3. That the council may, upon application, license yards and premises within the borough for the sale of cattle and other live stock therein, at such times only as the market-yards may prove inadequate.
4. That the sum of Five shillings be the amount to be paid for each such license.
5. That the weighbridge situated in front of the Royal Hotel, Wangaratta, shall be the market weighbridge, and be used, subject to such tolls and dues as the council may from time to time by "special order" appoint.
6. That the council shall appoint a market inspector, who shall also be inspector of provisions and collector, and whose duties shall, *inter alia*, be as follows:—(1.) (5.) To inspect all scales, weights, and measures used in the market, and to seize such as are found fraudulent or defective.
