6. *Motions.*—All notices of motion shall be dated and numbered, and given by the intending mover to the municipal clerk at the close of the meeting of council, or if not required by law to be given at a meeting, then three clear days prior to the next meeting of council; and such clerk shall enter the same in the notice of motion book, in the order in which they may be received.

7. *Motions to be moved in order in motion-book.*—Except by leave of the council, motions shall be moved in the order in which they have been received and recorded by the municipal clerk in the notice of motion book, and if not so moved or postponed shall be struck out.

8. *Motion to be proceeded with by councillor giving same except with consent.*—No motion entered in the notice of motion book shall be proceeded with in the absence of the councillor who gave notice of the same, unless by some other councillor producing written authority from him to that effect.

9. *Order, &c., of debate.*—Any councillor desirous of making a motion or amendment or taking part in discussion thereon shall rise and address the chairman, and shall not be interrupted unless called to order, when he shall sit down until the councillor (if any) calling to order shall have been heard thereon and the question of order disposed of, when the councillor in possession of the chair may proceed with the subject.

10. *Nature of motion to be stated.*—Any councillor desirous of proposing an original motion or amendment must state the nature of the same before he addresses the council thereon.

11. *Motion not to be withdrawn without leave.*—No motion or amendment shall be withdrawn without the leave of the council.

12. *Motion to be seconded.*—No motion or amendment shall be discussed or put to the vote of the council unless it be seconded, but a councillor may, however, require the enforcement of any standing order of the council by directing the mayor's or chairman's attention to the infraction thereof.

13. *Mover of motion.*—A councillor moving a motion shall be held to have spoken thereon, but a councillor merely seconding a motion shall not be held to have spoken upon it.

14. *Designation of councillors.*—The councillors in meeting of council shall designate each other by their official titles, namely, that of mayor, president, chairman, or councillor, as the case may require.

15. *Priority of councillors.*—If two or more councillors rise to speak at the same time, the chairman shall decide which is entitled to priority.

16. *Chairman to rise in addressing council.*—The chairman shall rise in addressing the council to discuss any question, and shall not leave the chair on such occasions.

17. *Councillor not to speak second time on same question.*—No councillor shall speak a second time on the same question, unless entitled to reply, or in explanation when he has been misrepresented or misunderstood.

18. *Points of order.*—The chairman when called upon to decide on points of order or practice shall state the provision rule, or practice which he deems applicable to the case without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

19. *Councillors not to digress, &c.*—No councillor shall digress from the subject-matter of the question under discussion, or comment upon the words used by any other councillor in a previous debate; and all imputations of improper motives and all personal reflections on councillors shall be deemed highly disorderly.

20. *Councillors to apologize for disorderly, &c., expression.*—Whenever any councillor shall make use of any expression disorderly or capable of being applied offensively to any other councillor, the councillor so offending shall be required by the chairman to withdraw the expression and to make a satisfactory apology to the council.

21. *Councillor called to order to sit down.*—A councillor called to order shall sit down unless permitted to explain.

22. *Councillor twice offending guilty of an offence.*—Any councillor using offensive or disorderly language, and having been twice called to order or to withdraw and to apologize for such conduct and refusing so to do, shall be guilty of an offence.

23. *Strangers.*—Any person not being a councillor who shall, having been admitted to any meeting of the council, be guilty thereof of any improper or disorderly conduct, or who shall not leave when lawfully requested by the chairman so to do, may be forthwith removed by him, and shall be deemed guilty of an offence.

24. *Councillor not attending order for call.*—Any councillor not attending in compliance with an order for a call of the whole council without reasonable excuse to the satisfaction of the majority thereof shall be guilty of an offence.

25. *Councillor may demand documents.*—Any councillor may of right demand the production of any of the documents of the council applying to the question under discussion.

26. *Voting.*—The council shall vote by show of hands, and any councillor present and not voting, not being disabled by law from so doing, shall be guilty of an offence.

27. *Question, how declared.*—The chairman shall, in taking the sense of the council, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.

28. *Motions, &c., to be in writing.*—At every meeting of the council all motions, whether original motions or amendments, shall be reduced into writing, signed by the mover, and delivered to the chairman immediately on their being moved and seconded.

29. *No second amendment until previous one disposed of.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

30. *Effect of rejection of words in original motion.*—If any words of an original question be rejected, the insertion of other proposed words shall form the next question, whereupon any further amendment to insert other words may be moved.

31. *If amendment be negatived, a second one may be moved.*—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the council for discussion at a time.

32. *Mover of motion to have right of reply.*—The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the chair; but no councillor shall be allowed to speak more than once on the same question, unless permission be given to explain, or the attention of the chair be called to a point of order.

33. *Motion for adjournment.*—No discussion shall be allowed on any motion for adjournment of the council; but if on the question being put the motion be negatived, the subject then under consideration or the next on the notice-paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

34. *Protests.*—Any councillor may protest against any resolution of the council, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against; and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the council by the protesting councillor in a book to be kept for that purpose in the office of the municipal clerk, and signed by such councillor, and shall be also entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the council to be not in accordance with truth or in its terms disrespectful to the council.

35. *Lapsed questions.*—If a debate on any motion moved and seconded be interrupted by the number of the councillors present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.

36. *Lapsed order of the day may be restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-book for a future day, and then such debate shall be resumed at the point where it was so interrupted.

37. *Committees.*—Minutes of all proceedings of committees as well as of their reports, numbered in consecutive order, shall be entered in the committees' minute-book, and being signed by the chairman of the committee shall be presented to the council; and the municipal clerk, when practicable, shall attend all meetings of committees.

38. *Meetings of the committee.*—The town clerk shall convene every committee within twenty days of its first appointment, or at any other time thereafter by order of the council, or on the written order of the chairman of the committee or of any two members of the committee.

42. *Petitions to be in writing.*—Every petition shall be in writing, and not printed or lithographed, and shall contain the prayer of the petitioners at the end thereof, and be signed by at least one person on every skin or sheet on which it is written.

43. *To be signed by petitioners.*—Every petition shall be signed by the persons whose names are appended thereto by their names or marks, and by no one else except in cases of incapacity by sickness.

44. *No letters, &c., to be attached.*—No letters, affidavits, or other documents shall be attached to any petition.

45. *Councillors confined to statement of certain facts.*—Every councillor presenting a petition to the council shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

46. *Appointments, &c., of officers.*—No appointment to any permanent office at the disposal of the council shall take place until fourteen clear days' public notice shall have been given by advertisement in one or more newspapers circulating in the shire inviting applications from qualified candidates for the same.

47. *Salaries of officers, &c.*—The salary or allowance attached to all offices and places at the disposal of the council shall in all cases be fixed before they proceed to appoint any person to fill the same before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

48. *No councillor, &c., to be surety for officer.*—No councillor or officer of the council and no assessor or auditor of the municipality shall be received as a surety for any officer appointed by the council or for any work to be done for the council.

51. *Treasurer to disburse moneys in certain cases.*—It shall be lawful for the treasurer of the municipality from time to time, on the written order of the municipal clerk, to disburse such moneys as shall have been appropriated by the council for the purposes of this clause, and as shall be required for any necessary occasion, not exceeding in the whole in any interval between two ordinary meetings of the council the sum of Five pounds.

52. *Suspension of rules.*—Any one or more of the rules or regulations contained in this subdivision may be suspended for a special purpose on motion upon notice duly given, and shall not otherwise be suspended except by a unanimous vote of the council.
