(5) No person shall be allowed to transfer his or her right of commonage.

(6) The managers may from time to time employ and remove such persons as herdsmen or otherwise as they may deem requisite, and pay them out of the common fees, and such persons shall find security to the satisfaction of the manager for the due execution of their duties, and in case any cattle be missed from any common it shall be the duty of the herdsman as soon as possible and within twenty-four hours after the same being missed by him to give notice thereof to the owners of such cattle.

(13) Cattle shall not be taken off a common without notice to the herdsman from the owners thereof, except in cases where they may be frequently required, when the managers may, if they think proper, grant permission to the owners to remove and replace the same at pleasure, in a quiet manner, so as not to interfere with or disturb other stock unnecessarily, but the herdsman shall not be considered to have any supervision whatsoever over such cattle.

(14) Any person having right of commonage or the managers of any neighboring common may register with the herdsman of any common the description and brands of any missing cattle in a book to be kept for that purpose, upon payment of a fee of One shilling for every head of cattle so registered, and such cattle, if found on such common, shall not be impounded until notice has been given to the owners or persons registering, who shall be required to remove the same within fourteen days from such notice being given, otherwise they shall be impounded.

## SHIRE OF ECHUCA.—PETITION FOR SEVERANCE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be a majority of the resident ratepayers in the portion of the East Riding of the Shire of Echuca which is described below, and they state that they are desirous such portion should be severed from such shire and annexed to the North Riding of the Shire of Benalla.

The reasons which they advance to justify severance are—1, absence of identity of interests; 2, distance from Echuca (over 100 miles); 3, iniquitable application of the rates collected; 4, their locality having been grievously neglected by the Shire Council; 5, other reasons which they might add.

The petitioners therefore pray for the severance of the following area from the Shire of Echuca and its annexation to the Shire of Benalla, pursuant to section 19 (V) of the Act above mentioned:—

"Description of district to be annexed to the Shire of Benalla:—Commencing at the north-east corner of the Benalla shire, being a point on the left bank of the Ovens River; thence north along the left bank of that river to the River Murray; thence westerly along the left bank of the River Murray to the north-west corner of the parish of Yarroweigh, being the point where meridian 145° 38' intersects the left bank of the Murray; thence south along the said meridian, being the west boundary of the parishes of Yarroweigh, Naningalook, Dumbulbalane, and Kalandra to the north boundary of the Benalla shire to the point of commencement."

JOHN A. MACPHERSON,  
Chief Secretary.
