The petitioners state that they are ratepayers of the Shire of Portland, and express a desire that the shire may be proclaimed an undivided municipality, and they further state that the Shire Council holds its meetings at Condah, twenty eight miles away from the Shire Hall, and that the non-central position of Condah practically debars a large portion of the ratepayers from becoming councillors, and that Heywood should be selected as a central meeting place. The petitioners further state that they feel aggrieved at the meetings being held at Condah, and object to an unnecessary expenditure in

erecting new premises there, and consider the expenditure of the funds partial and unfair, and they pray as follows:—
"Your petitioners humbly pray your Excellency, with a view to these grievances being redressed, to order the abolition of the Ridings of the Shire of Portland."

TENDERS FOR GRAZING LANDS.

NOTE.—No tender will be accepted unless the proportion of fee for this year accompanies the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Tuesday, 24th April next, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act* 1869 shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act* 1869, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act* 1869, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the license in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act* 1869, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be, in the first instance, from 1st May to 31st December 1877.

2. The license fee must be paid every year in advance; the fee for 8 months—for which the first license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per lot per annum separately.

4. Tenders to be endorsed "Tender for Lot 1," or 2, or 3, &c., as the case may be.

5. The highest or any tender not necessarily accepted.
