SHIRE OF ST. ARNAUD.

RULES AND REGULATIONS FOR THE MANAGEMENT OF THE LAKE BULOKE COMMON WITHIN THE SHIRE OF ST. ARNAUD.

WHEREAS by *The Land Act 1869* power is given to the Governor in Council to frame regulations for the management of commons, and in pursuance of the provisions of chapter XIII. of the regulations made under the said Act by the Governor in Council on the 26th day of May 1873, the Council of the Shire of St. Arnaud, as managers of the Lake Buloke Common, in the parish of Witchipool, submit to the Board of Land and Works for approval the following Regulations for the management of the said common:—

1. All persons entitled to commonage under the provisions of the Land Act of 1862, the Amending Land Act of 1865, and the Land Act of 1869 shall be allowed to depasture stock on the Lake Buloke Common, situate and being within the Shire of St. Arnaud, subject to these regulations, and upon payment in advance of the fees specified in the schedule hereunto annexed.

2. Ratepayers and other persons entitled to commonage, residing within five miles of the said common, may depasture thereon four head of large cattle or the equivalent of the whole, or a portion thereof in small cattle, on the basis that one head of large cattle be deemed equivalent to three head of small cattle. Farmers having under cultivation not less than one-tenth portion of the land occupied by them may depasture on such common in addition one head of large cattle or three head of small cattle for every ten acres of land so cultivated.

3. Every commoner depasturing cattle must be the *bona fide* owner of the cattle so depastured.

4. Bulls or entire horses over the age of nine months will not be allowed on the common without the written sanction of the managers; and sheep will be allowed to depasture on such portions only of the said common as may be set apart for that purpose by the managers.

5. The herdsman of the common shall be in attendance at a place to be named on the seven days immediately preceding the first day of each quarter, for the purpose of registering cattle and receiving the fees thereon; and due notice of such attendance, and the time and place thereof, shall be given by the managers.

6. All persons taking cattle to depasture shall deliver them into the charge of the herdsman at the time and place appointed as aforesaid, together with a written statement of the number and brands of such cattle, and the herdsman shall, on receiving the fees payable on such cattle, give a receipt for the same on behalf of the managers; and shall forthwith, with the assistance of the owner or the person in charge, brand such cattle in a conspicuous place with the common brand, which shall be of pitch or tar; and such brand shall be renewed whenever necessary, so as to be plainly legible during the whole period that such cattle are depasturing on the common. On presentation of the above-named receipt the managers shall deliver, or cause to be delivered, to the person named therein a license for the period specified.

7. No cattle duly registered in the books of the managers shall be removed from the common unless notice of intention to remove be first given to the herdsman, who shall obtain a receipt from the owner for the cattle so removed.

8. The managers or herdsman shall not be responsible for the loss of any cattle from the common, save as provided in the next section.

9. The herdsman shall, on any cattle straying or being otherwise removed without the owner's consent, notify the owner thereof within ten days; and in default of giving notice within that time, should such cattle be lost, the herdsman shall be held responsible for the loss, to be computed at the rate of Two pounds sterling per head for horses, and Two pounds sterling per head for horned cattle, to be deducted from the remuneration payable to the herdsman.

10. All fees must be paid quarterly in advance to the herdsman of the common; licenses to date from the first day of January, the first day of April, the first day of July, and the first day of September in each year.

11. All stock on which the prescribed fees shall not have been paid within ten days after date of renewal of license will be impounded.

12. All dead carcasses found on the common, which the owner or owners may refuse or neglect to remove, after receiving twenty-four hours' notice in writing from the managers or herdsman, the managers or herdsman shall have power to remove, or cause to be removed, by burning or otherwise, at the expense of such owner or owners.

13. The herdsman shall report immediately on the indication of any contagious disease in any cattle on the common to the managers, and shall give notice to the owner of such cattle to remove the same. The managers shall at once take precautionary measures to remove such cattle from the common; but they shall not be responsible for any loss the owners of such diseased cattle may sustain.

14. The herdsman shall take the necessary steps for the effectual destruction of thistles growing on the common, the

expense of such work to be defrayed out of the common fund; provided that express authority for such expenditure be first obtained from the managers.

15. Persons taking to water in Lake Buloke stock not duly registered in the books of the managers of the common, must confine such stock to such roads or tracks (not being less than five chains in width) as may be from time to time proscribed and set out by the managers; and no notice shall be required to be given as regards such stock, any law to the contrary notwithstanding.

16. The herdsman shall be responsible for the efficient carrying out of the regulations for the management of the common, and shall conform to any special instructions issued to him by the managers relative to the registration, custody, and delivery to the owners of the cattle thereon, and to the prevention of trespass thereon of animals for which no commonage fees have been paid, or which are not allowed to depasture as herein provided.

17. The herdsman shall pay all moneys received by him in respect of depasturing or trespass fees, within ten days after receiving the same, to the treasurer of the shire, who shall then pay the same into the Bank of Victoria, St. Arnaud, or such other bank as may be from time to time appointed by the managers, to the credit of the managers of the said common.

18. The remuneration to be paid to the herdsman shall be taken out of the common fund, and shall not exceed seventy-five per cent. of all fees received.

19. The herdsman shall, before entering upon his duties, provide a guarantee for the due performance thereof to the satisfaction of the managers to the amount of Twenty pounds.

20. Whenever in these regulations any act or thing is required to be done by the managers, it shall be considered to be well and truly done if done by any two or more of them duly appointed from time to time to act on their behalf.

21. The managers shall, within one month after the termination of each year, publish in a newspaper circulating in the district, a certified account of their receipts and expenditure for the year, in the form proscribed in the schedule xxv. to the regulations made by the Governor in Council on the 26th May 1878, and forward copy of such account to the Board of Land and Works.

R. W. CAMERON and W. H. STREET, trading as "R. W. Cameron & Co.," Defendants.

NOTICE is hereby given that an action has been commenced in this court by the above-named plaintiffs against the above-named defendants, for that it was agreed by and between the plaintiffs and the defendants that the defendants should sell and should deliver to the plaintiffs, and that the plaintiffs should buy and accept from the defendants a shipment of slates, to arrive by and be delivered at Melbourne, from the ship *H. C. Johnson*, at the price of eleven pounds ten shillings per thousand, of the same quality and description as a sample thereof produced and shown by the defendants to the plaintiffs; and all conditions were fulfilled, and all things happened, and all times elapsed necessary to entitle the plaintiffs to have such slates delivered as aforesaid, yet the defendants did not deliver to the plaintiffs any such slates as aforesaid but delivered to the plaintiffs in Melbourne, as and for the slates so agreed to be sold and delivered as aforesaid, certain slates not of the same quality as the said sample so produced and shown as aforesaid, but of an inferior quality and description, whereby not only were the said slates of less value to the plaintiffs but also by means of the premises the plaintiffs have lost the profits which they would have made by a resale of the said slates to one Alexander Watts, to whom they, relying on the observance of the aforesaid terms by the defendants re-sold the same; and the plaintiffs have also incurred great expense in and about ascertaining the quality of the said slates, and in and about the warehousing thereof, and for money payable by the defendants to the plaintiffs, for money received by the defendants to the use of the plaintiffs, and for money payable by the defendants to the plaintiffs, for money paid by the plaintiffs for the defendants at their request, and for money payable by the defendants to the plaintiffs for interest upon money due from the defendants to the plaintiffs and forborne at interest by the plaintiffs to the defendants at their request, and for money payable by the defendants to the plaintiffs, for money found to be due from the defendants to the plaintiffs on accounts stated between them; and a writ of foreign attachment has been issued directed to W. W. Couche, of William street, in the city of Melbourne, in the colony of Victoria, merchant (a member of the firm of Stuart, Couche, and Company), for the purpose of attaching in the hands of the said W. W. Couche all and singular the land and other hereditaments, moneys and chattels, bills, bonds, and other property of whatsoever nature, in the custody or under the control of the said W. W. Couche at the time of the service of the said writ belonging to the above-named R. W. Cameron and W. H. Street, or to or in which such defendants shall at the same time be legally or equitably entitled or otherwise beneficially interested (and whether solely or jointly with any person or persons), and all debts of every kind then due by the said W. W. Couche to such defendants, although the same or part thereof may be payable only at a future day; and if at any time before final judgment in this action the said R. W. Cameron and W. H. Street, or any person on their behalf, will give the security required by law, the said R. W. Cameron and W. H. Street upon entering an appearance and upon giving notice thereof to the plaintiffs may apply to the court and have the attachment dissolved.
