THE Governor has directed the subjoined Order of the Queen in Council, which was brought into effect and operation on the 8th November 1879 by proclamation under the hand and seal of His Excellency the Honorable Arthur Hamilton Gordon, K.C.M.G., the Governor of Fiji, Her Majesty's High Commissioner and Consul-General for the Western Pacific, to be published for general information.

By His Excellency's command,
GRAHAM BERRY,
Chief Secretary.

Chief Secretary's Office,
Melbourne, 2nd December 1879.

At the Court at Osborne House, Isle of Wight, the 14th day of August 1879.

PRESENT :

The Queen's Most Excellent Majesty in Council.

WHEREAS by the Western Pacific Order in Council of 1877 Her Majesty the Queen was pleased to create and constitute the office of High Commissioner in, over, and for certain islands and places in the Western Pacific Ocean, which islands and places are in the said Order more particularly described, and are therein and in this Order referred to as the Western Pacific Islands, with such powers and jurisdiction as are in the said Order set forth :

And whereas it is expedient to extend and amend in various respects the said Order :

Now, therefore, Her Majesty, by virtue and in exercise of the powers in this behalf by the Pacific Islanders Protection Acts 1872 and 1875, and by the Foreign Jurisdiction Acts 1843 to 1878, or otherwise, in Her Majesty vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows :—

Preliminary.

1. This Order may be cited as the Western Pacific Order in Council of 1879; and the Western Pacific Order in Council of 1877 and this Order may be cited together as the Western Pacific Orders in Council of 1877 and 1879.

2. This Order shall be read as if it were part of the Western Pacific Order in Council of 1877 (which Order is herein referred to as the Principal Order).

Successor or Representative of High Commissioner.

3. In the event of the death or incapacity of the High Commissioner, or in any such other event as may be from time to time provided for by Commission under the Sign Manual and Signet of Her Majesty, all the powers and authorities of the High Commissioner shall be transferred to and vested in such person as Her Majesty shall at any time after the making of this Order think fit by such Commission to appoint or designate to succeed temporarily to the office of High Commissioner, and to exercise the powers and authorities thereof, or if there be no person so appointed, then to and in the Chief Justice of Fiji.

4.—(1.) Whenever the High Commissioner has occasion to leave his ordinary place of official residence in order to visit any distant places within which he has jurisdiction as High Commissioner, he may, by an instrument under his hand and official seal, appoint a Judicial Commissioner, or some one of Her Majesty's Deputy Commissioners for the Western Pacific, to represent him during his absence; and the person so appointed shall be styled the Assistant High Commissioner, and may, so long as his appointment remains in force, exercise all the powers and authorities

of the High Commissioner, or so much thereof as is specified in the instrument appointing him.

(2.) The High Commissioner may revoke any such appointment by a similar instrument; and every such appointment shall cease on the return of the High Commissioner to his ordinary place of official residence.

(3.) Such appointment shall not affect the right of the High Commissioner to exercise his full power and authority in any place within his jurisdiction.

5. In this Order, and in the Principal Order, unless inconsistent with the context, the High Commissioner includes the person for the time being exercising any of the powers and authorities of High Commissioner under the foregoing provisions of this Order.

Proceedings before Deputy Commissioners.

6. All instruments relating to proceedings before a Deputy Commissioner, which under the Principal Order would require to be sealed with the seal of the Court, shall be sufficient without such seal if signed by a Deputy Commissioner.

Regulations by High Commissioner.

7.—(1.) The High Commissioner shall, by virtue of this Order, have power and authority to make from time to time in the name and on behalf of Her Majesty, by writing under his hand and official seal, such regulations as to him seem fit for the Government of British subjects in the Western Pacific Islands, and for securing the maintenance (as far as regards the conduct of British subjects) of friendly relations between British subjects and all kings, chiefs, and other authorities in those islands, and persons subject to them.

(2.) The regulations may define offences against the same; and acts thereby defined to be offences are hereby declared to be offences against the Principal Order; and the Regulations may impose a punishment for any such offence, as follows :—

(i.) Imprisonment for any term not exceeding three months, with or without hard labour, and with or without a fine not exceeding ten pounds: or

(ii.) A fine alone, not exceeding ten pounds, without any imprisonment; and

(iii.) In case of a continuing offence, in addition to any such punishment by imprisonment or a fine, or both, as aforesaid, a further fine, not exceeding in any case ten shillings for each day during which the offence continues after the day of the commission of the original offence.

(3.) The regulations shall be so framed as to allow that less than the highest punishment imposed by the regulations may be adjudged in any case; and the regulations shall not be so framed as to impose a fixed punishment in any case, or to prevent the Court from adjudging in any case as low a punishment as the Court in its discretion may think fit.

(4.) The regulations shall be affixed, and, as far as practicable, at all times kept exhibited, at each court-house, or at some other public place in each district.

(5.) Copies of the regulations shall be sold at such price as the High Commissioner directs.

(6.) The regulations shall, as soon as practicable, be published in the *Royal Gazette* of Fiji, and be printed separately.

(7.) The High Commissioner on making regulations shall forthwith report them to the Secretary of State.

(8.) Every regulation shall, unless approved by the Secretary of State, cease to be in force at the expiration of eighteen months from the making thereof, except as regards things done and rights and liabilities accrued and incurred thereunder before the expiration of that time, and the institution and prosecution thereafter of any proceeding, civil or criminal, in respect of any such thing, right, or liability.

(9.) The High Commissioner may at any time, in manner aforesaid, revoke or alter any regulation; and the Secretary of State may at any time direct the revocation of any regulation.

8.—(1.) The last foregoing Article is hereby substituted for Article 24 of the Principal Order.

(2.) But all regulations made under Article 24 of the Principal Order, before the commencement of this Order, shall remain in force as if this Order had not been passed, subject to be revoked or altered by the High Commissioner, and so that they shall, unless approved by the Secretary of State before or after the commencement of this Order, cease to be in force at the expiration of twelve months from the commencement of this Order, except as regards things done and rights and liabilities accrued and incurred thereunder before the expiration of that time, and the institution and prosecution thereafter of any proceeding, civil or criminal, in respect of any such thing, right, or liability.

Deportation.

9. Article 26 of the Principal Order shall be read and have effect as if the words "from the Western Pacific Islands" were omitted from the first paragraph thereof.

Extension of judicial power of High Commissioner.

10.—(1.) Notwithstanding anything in the Principal Order, the High Commissioner may, when at a place distant from his ordinary place of official residence, and in a case being, in his opinion, a case of urgency, and in the absence of a judicial commissioner, exercise so much of the jurisdiction and authority of the Court as is by Articles 27 and 28 of the Principal Order confined to a judicial commissioner.

(2.) The High Commissioner shall forthwith make a special report to the Secretary of State in every case in which he exercises such jurisdiction and authority, setting forth therein the reasons for his proceedings.

(3.) If in any case the sentence passed by the High Commissioner, under the authority of this Article, is a sentence of death, it shall not be executed unless and until the High Commissioner has referred the minutes and notes of evidence in the case to the Chief Justice of Fiji, or if, in the opinion of the High Commissioner, by reason of the remoteness of the place or otherwise, a reference to the Chief Justice would be inconvenient, then to another judicial commissioner, being a barrister of ten years standing, and the Chief Justice or that other judicial commissioner has certified in writing to the High Commissioner his concurrence in the sentence.

(4.) In every such case the High Commissioner shall postpone the execution of the sentence pending such reference, and shall commit the person convicted to prison for safe custody, or shall cause him to be detained in custody, and to be removed to any part of the Western Pacific Islands, or to Fiji, and to be there detained in custody pending such reference.

(5.) Nothing in this article shall affect the right of appeal or the power of the Court to reserve for the judgment of the Supreme Court any question of law or fact arising on a trial.

(6.) Where there is such an appeal or reservation, a reference under this Article to the Chief Justice of Fiji or another judicial commissioner shall not be made.

Confirmation of Sentence.

11. Article 47 of the Principal Order shall be read and have effect as if the following two paragraphs were therein substituted for paragraph (2) thereof:—

(a.) Where a sentence of a Judicial Commissioner is a sentence of death, and where a sentence of a Deputy Commissioner comprises imprisonment for nine months or upwards, or a fine of Twenty-five pounds or upwards, the sentence shall not be executed without the direction of the High Commissioner, by writing under his hand and official seal.

(b.) In every such case the Court shall postpone the execution of the sentence pending the submission thereof to the High Commissioner, and shall, if necessary, commit the person convicted to prison for safe custody, or shall admit him to bail, and shall take security by recognisance, deposit of money, or otherwise, for his payment of any fine.

(c.) In case there is, under Article 54 of the Principal Order, an appeal to the Supreme Court, or a reservation for the judgment of the Supreme Court of a question of law or fact arising on the trial, the sentence (if any) of the Supreme Court shall, for the purposes of this Article, be deemed to be the sentence of the Judicial Commissioner, or Deputy Commissioner, before whom the trial was had.

Mitigation or Remission of Punishment; Pardon.

12. (1.) The High Commissioner, or the Secretary of State, may, if he thinks fit, mitigate or remit any punishment adjudged by the Court.

(2.) Nothing in the Principal Order, or this Order, shall be deemed to affect Her Majesty's prerogative of pardon.

(3.) This Article is hereby substituted for Article 48 of the Principal Order.

Appeal.

13. Article 54 of the Principal Order, relating to appeals to the Supreme Court in criminal cases, and to the reservation for the judgment of the Supreme Court of questions of law or fact arising on criminal trials, shall not apply where the trial is had before the Chief Justice of Fiji as a Judicial Commissioner, if and as long as there is no Judge of the Supreme Court other than the Chief Justice.

Indemnity.

14. Where, after the commencement of the Principal Order, and before the commencement of this Order, any person has been erroneously tried and sentenced to imprisonment, or other punish-

ment, for an offence committed before the commencement of the Principal Order, and the punishment has been discontinued as soon as practicable after the discovery of the error, all persons are hereby indemnified against, and discharged from, all actions, suits, indictments, and proceedings whatever in respect of such trial, sentence, and punishment, and in respect of any act precedent to, or consequent thereon, done in good faith.

Fugitive Offenders.

15. (1.) The Fugitive Offenders Act 1843, or so much thereof as is for the time being in force, and any enactment for the time being in force amending or substituted for the same, are hereby extended, with reference to British subjects, to the Western Pacific Islands, with the adaptations following, namely:—

(a.) In sections two and six of the Fugitive Offenders Act 1843 the High Commissioner's Court by a Judicial Commissioner shall be deemed to be substituted for a judge of a superior court in a colony:

(b.) In sections three, five, six, and seven of that Act the High Commissioner shall be deemed to be substituted for the Governor of a colony.

(2.) This article is hereby substituted for article 50 of the Principal Order.

Offences out of Jurisdiction.

16. The Admiralty Offences Colonial Act 1849, or so much thereof as is for the time being in force, and any enactment for the time being in force amending or substituted for the same, are hereby extended, with reference to British subjects charged with offences, to the Western Pacific Islands, with the adaptation following, namely:

In the Admiralty Offences Colonial Act 1849, the High Commissioner shall be deemed to be substituted for the Governor of a colony.

17. The Admiralty Offences Colonial Act 1860 is hereby extended to the Western Pacific Islands, with such adaptations and modifications that it will read as follows, namely:

Where a person, being feloniously stricken, poisoned, or otherwise hurt, in the Western Pacific Islands, dies of such stroke, poisoning, or hurt, on the sea, or out of the Western Pacific Islands, then every offence committed by a British subject in respect of any such case, whether amounting to murder, or to manslaughter, or to the being accessory before the fact of the murder, or after the fact to murder or to manslaughter, may be dealt with, inquired of, tried, determined, and punished, in the Western Pacific Islands in all respects as if such offence had been wholly committed in the Western Pacific Islands.

18. Section eleven of the Merchant Shipping Act 1867 is hereby extended to the Western Pacific Islands, with such adaptations and modifications that it will read as follows, namely:

If, out of the waters mentioned in article 5 of the Principal Order, a British subject commits an offence on board a British ship, or on board a foreign ship to which he does not belong, the High Commissioner's Court, by a Judicial Commissioner, shall have jurisdiction to hear and determine the case, as if the offence had been committed on board a British ship in those waters.

19. Article 31 of the principal order shall be read and have effect as if the following words in the first clause thereof, (that is to say,) "on a charge for an offence committed within the Western Pacific Islands, and not within the jurisdiction of the Admiralty," were omitted therefrom; and article 21 of the Principal Order shall have effect as if the reference in clause 2 thereof to article 31 were omitted therefrom.

Local Criminal Jurisdiction.

20. For the purposes of criminal jurisdiction, every offence and cause of complaint committed or arising in the Western Pacific Islands shall be deemed to have been committed or to have arisen either in the place where the same actually was committed or arose, or in any place in the Western Pacific Islands where the person charged or complained of happens to be at the time of the institution or commencement of the charge or complaint.

Probate and Administration.

21.—(1.) Where probate, administration, or confirmation is granted in England, Ireland, or Scotland, and therein, or by a memorandum thereon signed by an officer of the Court granting the same, the testator or intestate is stated to have died domiciled in England, Ireland, or Scotland (as the case may be), and the probate, administration, or confirmation, is produced to, and a copy thereof is deposited with the High Commissioner's Court, the Court, by a Judicial Commissioner, shall write thereon a certificate of that production and deposit; and thereupon notwithstanding anything in the Principal Order, the probate, administration, or confirmation shall, in respect of the personal property in the Western Pacific Islands of the testator or intestate, have the like effect as if he had been resident in the Western Pacific Islands at his death and probate or administration to his personal property there had been granted by the High Commissioner's Court.

(2.) Any person who, in reliance on an instrument purporting to be a probate, administration, or confirmation granted in England, Ireland, or Scotland, and to bear such certificate of the High Commissioner's Court as in this Article prescribed, makes or permits any payment or transfer, in good faith, shall be, by virtue of this Order, indemnified and protected in respect thereof, in the Western Pacific Islands, notwithstanding anything affecting the validity of the probate, administration, or confirmation.

22. Section fifty-one of the Conveyancing (Scotland) Act, 1874, and any enactment for the time being in force amending or sub-

stituted for the same are hereby extended to the Western Pacific Islands with the adaptation following, namely:—

In that section the High Commissioner's Court by a Judicial Commissioner shall be deemed to be substituted for a Court of Probate in a colony.

Evidence.

23. A document purporting to be executed in the presence of any person, or to be attested by a witness or witnesses, whether required by law to be so executed or attested or not, may be proved by any person able to give evidence touching the requisite facts, without the production or evidence of any person in whose presence the document was executed or any attesting witness; but nothing in this Article applies to probate of wills.

24. Sections seven and eleven of the Evidence Act, 1851, are hereby extended to the Western Pacific Islands.

25. The following Acts, namely:—

The Foreign Tribunals Evidence Act, 1856,

or so much thereof as is for the time being in force, and any enactment for the time being in force amending or substituted for the same, are hereby extended to the Western Pacific Islands, with the adaptation following, namely:

In those Acts the High Commissioner's Court by a Judicial Commissioner shall be deemed to be substituted for a Supreme Court in a colony.

26.—(1.) Any person who by reason of any defect of religious knowledge or belief is incapable of comprehending the nature of an oath, or on whose conscience the Court is satisfied that the taking of an oath would have no binding effect, shall, in any criminal or civil proceeding, instead of taking an oath be permitted to make an affirmation or declaration to the effect that he will in that proceeding tell the truth, the whole truth, and nothing but the truth.

(2.) Nothing in this article shall prevent any person from being sworn according to the ceremonies of his own religion, or in such manner as he deems binding on his conscience.

(3.) If a British subject, who so affirms, declares, or is sworn, wilfully and corruptly gives false evidence, he shall be guilty of perjury.

Ascertainment of Law.

28.—(1.) Where a person bringing an action, either alone or jointly with another, is out of the Western Pacific Islands, or is only temporarily therein, he shall file in the Court, at or before the commencement of the action, a written statement of a fit place within the district where notices and other papers in the action may be served on him.

(2.) He shall also give security for costs in the action by deposit of such sum not exceeding £50, or by such bond, with or without such surety or sureties, for securing such sum, not exceeding £50, as the Court thinks fit.

(3.) The Court may at any time during an action, either of its own motion or on the application of any defendant, order a plaintiff, being out of the Western Pacific Islands, or only temporarily therein, to give security, or further or better security, for costs, to such amount as aforesaid, and may direct the proceedings in the action to be stayed until the same is given.

Counsel, Solicitors, and Agents.

29. The following paragraph is hereby added to Article 159 of the Principal Order (that is to say):—

(5.) Where the counsel, solicitor, attorney, procurator, or agent is not a British subject, he shall, before doing any act or taking any proceeding, obtain, and file in the proper office of the Court, the consent in writing of the competent authority on behalf of his own nation to his submitting himself, and shall submit himself, for the purposes of the intended or pending action or proceeding, to the authority of the Court: and thereupon he shall be subject to the authority of the Court, in all respects as if he were a British subject.

Orders in Shipping cases.

30. Where money ordered by the Court to be paid is due for seamen's wages, or is other money recoverable under the Merchant Shipping Acts or other law relating to ships, and the person ordered to pay is master or owner of a ship, and the money is not paid as ordered, the Court, in addition to other powers for compelling payment, shall have power to direct that the amount unpaid be levied by seizure and sale of that ship.

NORMANBY.

By His Excellency's Command,
J. B. PATTERSON,
Commissioner of Public Works.

GOD SAVE THE QUEEN!

* This Proclamation has been re-gazetted in consequence of a clerical error appearing in that published in the *Gazette* of 31st October last, page 2573, and which is now set right.

SHIRES OF BUNINYONG AND BALLAN. TRANSFER OF AREA.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46) the substance and prayer of a petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners are thirty-nine in number, and purport to constitute a majority of the ratepayers in the portion of the Shire of Buninyong which is described in their petition, and they desire that the area so described may be severed from the Shire of Buninyong and attached to the Shire of Ballan.

Area described in the petition:

“Commencing on the Moorabool River (western branch) at a point where it crosses the Melbourne to Ballarat North road, at the township of Wallace, and bounded thence by the said Moorabool River southerly to the centre of a one-chain road which crosses the said river between allotments 1 and 40 of section 8, parish of Kerri Barret; thence east by the centre of that road to a point on the Melbourne to Ballarat North road at the intersection of three other roads and between the eastern angle of allotment 5 of section 10 and the northern angle of allotment 1 of section 11, parish aforesaid; thence southerly by centre line of road, crossing the Main Ballarat road (west of Gordon), and continuing south therefrom to the Gordon Railway line; thence easterly to the eastern boundary of the Shire of Buninyong; thence north by that boundary-line to the centre of the Melbourne to Ballarat North road; thence westerly by the centre line of that road to the commencing point.”

Petitioners state that the territory herein described at one time formed a part of the west riding of the Shire of Ballan, and was severed therefrom only by a flaw having been discovered in the proclamation: that they had every reason to be satisfied with the manner in which the Ballan Shire Council expended the revenue collected in the territory described when such territory formed part of that shire: that they are greatly dissatisfied with the manner in which their interests are neglected by the Buninyong Shire Council, the amount expended by that council in petitioners' interests being very much less than they are entitled to.

That the present boundary is an undefined and unsatisfactory one, as, by an imaginary line, the township of Gordons is divided between the Shires of Ballan and Buninyong, thereby dividing the interests of a large number of petitioners and preventing united action being taken in matters affecting the welfare of this portion of the district: and the petitioners pray as follow:—

“Your petitioners therefore humbly pray that Your Excellency in Council will be pleased to exercise the powers conferred upon you by the 38th section of *The Local Government Act 1874* (No. 506) by severing this portion of territory from the Shire of Buninyong and attaching the same to the west riding of the Shire of Ballan.”

Notices intended to be served on petitioners may be served on Mr. Henry Wilkinson, Mount Hope Hotel, Gordon, or may be posted to said address.

By section 31 of the Marine Board Amendment Act, No. 6 of 1873, the master of any ship which had left the coasting or inter-colonial trade was bound to pay full pilotage on the return of the vessel to the colony, and for every subsequent voyage until such coasting or inter-colonial trade was resumed. TENDERS FOR GRAZING LANDS.

NOTE.—The full fee for one year must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Thursday, 18th December 1879, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly, or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be in the first instance, from 1st January 1880 to 31st December 1880.

2. The license fee must be paid every year in advance, if renewed. The fee for one year—for which the first license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

4. Tenders to be endorsed "Tender for Block 1," or "2," or "3," &c., as the case may be.

PATENT FOR "AN IMPROVEMENT IN THE STOPPERING OF AERATED WATER BOTTLES, AND THE METHOD OF MAKING SUCH IMPROVEMENT."

THIS is to notify to all whom it may concern that Alfred Felton and Frederick Sheppard Grimwade, both of Flinders lane west, in the city of Melbourne, wholesale chemists and druggists (the assignees of William Boyd, of Graham street, Beach, Emerald Hill, near the said city of Melbourne, manager of the Melbourne Glass Bottle Works), have applied to me for leave to enter a disclaimer and memorandum of alteration of the specification of the said invention, the particulars whereof are stated below. I do therefore appoint Friday the ninth day of January next, at Twelve o'clock noon, to hear and consider the said application and all objections to the same. And I do hereby require all persons having an interest in opposing the said application to leave, on or before the fifth day of January, at my chambers in Melbourne, particulars in writing of their objections to the same, otherwise they will be precluded from urging such objections.

Given under my hand this twenty-ninth day of November 1879.

BRYAN O'LOGHLEN,
Attorney-General.

The following is the disclaimer and memorandum of alteration which we desire to make in the specification of the above invention:—

We disclaim everything in the specification of the above invention except the improvement in the stoppering of aerated water bottles. We therefore alter the title to "An improvement in the stoppering of aerated water bottles."

We alter the description of this improvement, and make it as follows:—This invention consists of a novel construction of capsule, applied in a peculiar way in the stoppering of aerated water bottles. It is made of stiff metal (by preference cast), and instead of covering the whole of the mouth, as in ordinary capsules, it sits on the rim, and on an india-rubber washer let into a recess just inside such rim, leaving an orifice as large, or very nearly as large, as the mouth of the bottle for the contents to be poured out. On the outside it reaches just below the shoulder formed by the neck of the bottle, underneath which it is pressed so as to give it a firm grip, and thus enable it to resist the outward pressure of the stopper against the india-rubber washer. In our drawing, *a* is the stiff metal capsule, *b* the india-rubber washer, *c* the recess in the mouth of the bottle, and *d* the shoulder thereon.

We claim as our improvement in the stoppering of aerated water bottles the capsule *a*, substantially as herein described and explained.

A Bye-law of the United Shire of Beechworth, made under section 213 of "The Local Government Act 1874," and numbered 7, for Regulating the Carriage of Persons and Goods.

In pursuance of the powers conferred by "The Local Government Act 1874," the President, Councillors, and Ratepayers of the United Shire of Beechworth (the same shall be in force within the borough riding of the said united shire, being the portion of the said united shire which was previous the borough of Beechworth) order as follows:—

CARRIAGE OF PERSONS AND GOODS.

(1.) PASSENGER VEHICLES.

Prescribed Space for Licensing, &c.

1. The words "prescribed space" shall mean for the borough the space within the circumference of a circle whose radius is five miles in length from the principal post office of such borough.

Interpretation.

2. In this subdivision the term "hackney carriage" shall include every wheeled carriage, whatever may be its form or construction, used in standing or plying for hire for a passenger in any street within the prescribed space for the borough, and which shall upon every journey go from or come to any place within the prescribed distance for such borough to or from any other place within such prescribed distance; and the word "owner" shall include every person who, either alone or in partnership with any other person, shall keep or be concerned, otherwise than as a driver or attendant, in the keeping, employing, or letting to hire of any hackney carriage; and the word "conductor" shall include every director or other person, except the driver, who shall attend upon the passengers in any hackney carriage; and the

word "passenger" shall include every person carried by any hackney carriage except one driver and (where there shall be a conductor to such hackney carriage) one conductor.

Council may License Carriages.

3. The council of the borough may, from time to time, license to ply for hire, within the prescribed space for the same, such hackney carriages of any kind adapted for the carriage of persons as such council shall see fit.

Payments for Licenses.

4. For every such license there shall be paid to the council granting the same for a hackney carriage the sum of Five shillings.

Application for License.

5. Before any such license is granted by the council of the borough, an application for the same in the appointed form shall be made and signed by the owner or one of the owners of the carriage in respect of which such license is applied for, and in every such application shall be truly stated the name and surname and place of abode of the person applying for such license, and of every owner of such carriage; and any person who states in such application the name of any person who is not an owner of the carriage in respect of which he applies, or wilfully omits to specify truly in such application the name of any owner of such carriage, shall be liable to a penalty not exceeding Five pounds.

Inspection of Carriage.

6. The council, when any such application as aforesaid shall be made, shall cause an inspection to be made of the carriage to which the same shall relate, and shall not grant the license unless such carriage shall be found to be in a fit and proper condition for public use.

Contents of License.

7. In every such license shall be specified the name and surname and place of abode of every owner of the carriage in respect of which the license is granted, and the name of the borough by the council of which the same is granted and also the number of the license, but so that no two licenses granted hereunder by the council of the borough shall bear the same number, and also the number of persons to be carried in and by such carriage, together with such other particulars as the council shall think fit.

Registration of License.

8. Every such license shall be made out and signed by the town clerk of the borough the council of which grants the same, and shall be duly entered in a registry book to be provided for that purpose.

Duration and effect of License.

9. Every license so to be granted shall be in force for one year only from the day of the date thereof, and such license shall not include more than one carriage so licensed, or until the next general licensing day, in case any general licensing day be appointed by the council, which day shall in such case be named in such license.

Plying without License.

10. If any owner of any carriage permits the same to be used as a hackney carriage plying within the prescribed space without having a license in force in respect of such carriage from the council of the borough, or if any person be found driving, standing, or plying for hire within such prescribed space with any hackney carriage for which no such license is in force, or without having the name of the borough and the number of such carriage as aforesaid openly displayed on such carriage, every such person so offending shall forfeit a sum not exceeding Five pounds.

Occasional Inspection of Carriages.—Plying for Hire with Unfit Carriage.

11. The council of the borough may as often as they may deem it necessary cause an inspection to be made of all hackney carriages licensed by them, and of the harness and the horses used in drawing such carriages, and if any such carriage or the harness or the horses used in drawing the same shall at any time be in a condition unfit for public use, the council shall give notice to that effect to the owner thereof, which notice shall be personally served on such owner, or delivered at his usual place of residence; and if, after notice as aforesaid, any owner shall use or let to hire such carriage as a hackney carriage or use or let to hire such harness or horses, whilst respectively in a condition unfit for public use, the council may suspend for such time as may seem proper the license of such carriage, and every driver or conductor who knowingly shall ply for hire with any hackney carriage which shall be at the time unfit for public use shall forfeit a sum not exceeding Five pounds.

Number of Passengers to be Painted on Carriage.—And observed.

12. No hackney carriage shall be used or employed or let to hire or shall stand or ply for hire within the prescribed space for the borough unless the number of persons which according to the license may be carried by such carriage, in words at length and in the form following (that is to say), "To carry persons," be painted in manner directed by some regulation in that behalf on a plate placed on some conspicuous place on the outside of such carriage and in legible letters, so as to be clearly distinguishable from the color of the ground whereon the same are painted, one inch in length and of a proportionate breadth; and the driver of any such carriage shall not be entitled to carry in or by such carriage a greater number of persons than the number which according to the license may be carried.

Default in Painting Number.—Carrying Excessive Number.—Refusal to carry Full Number and Luggage.

13. If the owner of any hackney carriage permit the same to be used, employed, or let to hire, or if any person stand or ply for hire with such carriage within in any such case aforesaid the prescribed space for the borough, without having the

number of persons which according to the license may be carried by such carriage painted and exhibited in manner aforesaid, or if the driver or conductor of any such carriage shall carry a greater number of persons in or by such carriage than such number, or shall, where the carriage is a hackney carriage and for the time employed or plying as such, refuse when required by the hirer thereof to carry in or by such carriage the number of persons which such carriage is licensed to carry or a less number together with a reasonable quantity of luggage without additional charge, or refuse to carry any passenger not forming with other passengers already being in such carriage an excess of the number which such carriage is licensed to carry, and to whose admission no reasonable objection is made, every owner, driver, or conductor so offending shall forfeit a sum not exceeding Forty shillings.

Omission to Drive Hackney Carriage as required.

14. Any driver of a hackney carriage standing at any of the stands appointed for hackney carriages, or being in any street public or private within the prescribed space for the borough the council of which shall have licensed such carriage, who without reasonable excuse refuses or neglects to drive such carriage to any place within such prescribed space to which he is directed to drive by the person having hired or wishing to hire such carriage, or refuses to drive any such carriage for any time not exceeding three hours if so required by any such person, or who shall not drive the same at a reasonable and proper speed, or when required by the hirer thereof to drive at any slower pace, shall forfeit a sum not exceeding Forty shillings.

Carrying Others without Consent of Hirer.

15. Every owner or driver of any hackney carriage who permits or suffers any person to be carried in or upon or about such hackney carriage during the hire thereof without the express consent of the person hiring the same shall forfeit a sum not exceeding Forty shillings.

Agreement for Excessive Fare not Binding.

16. No agreement made with the owner or driver of any hackney carriage for the payment for the hire thereof of more than the proper sum limited by some regulation in that behalf shall be binding on the person making the same; and every owner or driver of a hackney carriage who exacts or demands for the hire thereof more than such proper sum, whether in pursuance of any such agreement or not, shall forfeit a sum not exceeding Forty shillings; and the adjudicating justice may upon the hearing order in addition that such owner or driver pay to the party aggrieved the amount of such overcharge if paid.

Omission to Fulfil Agreement where Fare stipulated for.

17. No owner or driver of any hackney carriage, having agreed to take any fare for any time, or from or to any place, shall refuse, neglect, or delay to fulfil such agreement; and every owner or driver offending against this section shall forfeit a sum not exceeding Forty shillings.

Driver, &c., of any Hackney Carriage not to carry Persons Misbehaving, &c.

18. Every driver or conductor of any hackney carriage who shall knowingly carry or permit to be carried in such carriage any person who so violently, noisily, or indecently conducts himself, or otherwise so misbehaves as to annoy any other passengers, save for such time only as may be necessary to procuring the delivery of such person into proper custody, shall forfeit a sum not exceeding Forty shillings.

Furious Driving, &c.—Damage to Persons or Property.—Other Offences.

19. Every driver of a hackney carriage who shall be guilty of wanton or furious driving, or who by carelessness or wilful misbehaviour shall during his employment cause any hurt or damage to any person or property being in any public or private street, or be drunk, or make use of any insulting or abusive language, or be guilty of any insulting gesture or any misbehaviour, shall forfeit a sum not exceeding Five pounds, and if the adjudicating justice see fit shall without or in addition to any penalty awarded be imprisoned for a period not exceeding three months.

Compensation for Damage done.

20. In every case in which any such hurt or damage as in the last section aforesaid shall have been caused, the justice upon the hearing may also adjudge as and for compensation to any party aggrieved as aforesaid a sum not exceeding Ten pounds, and may order the owner of the carriage the driver or conductor of which shall have caused such hurt or damage forthwith to pay such sum with costs; and any sum and costs so paid may be recovered by such owner in a summary way before a justice from the driver or conductor through whose default such sum shall have been paid, or the justice in the first instance may adjudge that such compensation be paid by such driver or conductor to the party aggrieved.

Carriage Lights.

21. The owner of every hackney carriage used in plying for hire or passengers, and of every private vehicle travelling or being driven after sunset and before sunrise, shall cause the same to be provided with proper carriage lights, and the driver or conductor of such carriage shall keep the same properly lighted while such carriage shall be so used; and every owner or driver offending against this section shall forfeit a sum not exceeding Forty shillings.

Lamps inside Hackney Carriages.

22. The owner of every covered hackney carriage shall cause to be placed and kept inside thereof a lamp in such manner and position as shall have been appointed by some regulation

in that behalf, and the conductor, or if there be no conductor the driver of such carriage, shall keep the said lamp properly lighted whenever such carriage shall be used to ply for hire or carry passengers at any time after sunset and before sunrise; and every owner, conductor, or driver offending against this section shall forfeit a sum not exceeding Forty shillings.

Leaving Carriages Unattended.

23. If the driver of any hackney carriage shall leave such carriage unattended in any street, whether public or private, or at any place of public resort or entertainment, whether such carriage, if a hackney carriage, be hired or not, any constable may drive away such carriage and deposit the same, with the horses harnessed thereto, at some neighboring place of safe custody, and such driver shall forfeit a sum not exceeding Forty shillings for such offence.

Feeding Horses in Street, &c.—Muzzles.

24. No driver of any hackney carriage in any street, whether public or private, or in any public place, shall feed any horse attached to such carriage, save by means and out of a nose-bag containing the forage and attached to the head of such horse, or shall remove the blinkers of any such horse, and every driver of any such carriage to which any vicious horse shall be attached shall keep such horse whilst standing on any stand or in any such street or place as aforesaid properly muzzled; and every driver offending against this section shall forfeit a sum not exceeding Forty shillings.

Compensation where Complaint against Driver, &c., Dismissed, &c.

25. If the driver of any hackney carriage be summoned or brought before a justice to answer any complaint or information made or laid by a private person touching or concerning any offence alleged to have been committed by such driver or conductor against the provisions of this Act, or of any regulation made under this Act, and such complaint or information shall afterwards be withdrawn, quashed, or dismissed, or if such driver be acquitted of the offence charged against him, such justice, if he shall think fit, may order the complainant or informant, in addition to any costs awarded, to pay to such driver or conductor such compensation for his loss of time in attending such justice touching or concerning such complaint or information as to such justice may seem reasonable.

Lawful Fare how Recovered.

26. If any person without lawful excuse refuse to pay on demand to any owner or driver of any hackney carriage the fare allowed and limited by any regulation in that behalf and due under such regulation, any justice may order payment of the same.

Wifely Injury to Carriage by Passengers.

27. Any passenger in or by any hackney carriage plying under a license granted hereunder who wilfully injures the same shall forfeit a sum not exceeding Five pounds, and shall also pay to the owner of such carriage such reasonable satisfaction for the damage so caused as shall upon the hearing be awarded and ordered by the adjudicating justice.

Regulations.

28. The council of the borough may from time to time make regulations for all or any of the purposes following (that is to say):—

For regulating the conduct of the owners, drivers, and conductors of hackney carriages plying within the prescribed space in their several employments, and for regulating the days and hours within which they may exercise their calling;

(2.) CARTS AND CARTERS.

Prescribed Space for Licensing, &c.

29. The words "prescribed space" shall mean for the borough the space within the circumference of a circle whose radius is five miles from the principal post office of such borough.
