NOTICES TO MARINERS.
(No. 3 of 1879.)

SOUTH AUSTRALIA.—PORT BROUGHTON, SPENCER GULF.

Notice is hereby given that a new channel has opened out at the entrance to Port Broughton, and has been marked by two perch buoys. One (painted black) lies 440 feet south of the red beacon marking the old entrance, and the other (painted red) lies 310 feet $\frac{3}{4}$ N. from the black buoy. Twenty new cask buoys (painted red) have been moored along the channel nearly up to the jetty. Vessels coming in should leave them on the starboard hand, and when approaching the entrance should borrow towards the perch buoys, as by passing either of these at a distance of 70 or 80 feet they will avoid a small knoll which lies in mid-channel, and has a foot less water upon it.

By following the above directions, when nearing or crossing the entrance, not less than five feet at low water will be obtained.

Bearings are magnetic.

R. H. FERGUSON,
President Marine Board.

Marine Board Offices, Port Adelaide,
31st March 1879.

(No. 2 of 1879.)

SOUTH AUSTRALIA.—COMMISSARIAT POINT, SPENCER GULF.

MARINERS are hereby informed that a perch buoy (painted black) has been moored on a sand spit between the two black beacons, Commissioner Point, Spencer Gulf.

Masters of vessels navigating in these waters without a pilot should keep well in mid-channel, as the water in many places shoals suddenly.

NOTE.—The fee for eight months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Wednesday, 30th April 1879, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

SCHEDULE.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act 1869*, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate or fence any portion thereof; but if the holder thereof desire such use of the land

beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be, in the first instance, from 1st May 1879 to 31st December 1879.

2. The license fee must be paid every year in advance, if renewed. The fee for eight months—for which the first license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

4. Tenders to be endorsed "Tender for Block 1," or 2, or 3, &c., as the case may be.
