HYDROGRAPHICAL INFORMATION.

Wolverene, at Noumea, 21st August 1880.
[Hydrographical Memo.—No. 3.]

THE following Hydrographical information is hereby published for general information and guidance.

J. C. WILSON,
Commodore.
The respective Captains, &c., &c.,
under my orders.

Shoal water report-d.—The master of the cutter *Rose* of Levuka, reports having passed over a large coral bank in latitude (approx.) 11° 3' S., and longitude (approx.) 170° 50' E. Two or three casts of the lead gave 14 and 15 fathoms. The bottom appeared very regular, and was plainly seen. No land was visible from her mast head.

Island of Api.—New Hebrides.—H.M.S. *Wolverene* anchored in a small bay about two miles to the southward of the Foreland, West Coast of Api, off a dark sandy beach in 20 fathoms. A more snug billet might be got closer in, as the soundings gradually shoal from 20 fathoms two-thirds of a mile off shore to 5 fathoms 200 yards off. This bay lies between two reefs, one extending west from the south end of the bay, the other west from the north end of the bay. The natives are very friendly, and a large number of them speak English.

Foreland anchorage.—Island of Api.—H.M.S. *Wolverene* anchored in a bay close under the north side of Foreland in 10 fathoms. This is a safe and secure roadstead from the prevailing winds and swell, with a good beach for boats to land on. The natives are friendly.

IN pursuance of the 66th section of *The Scab Act 1870* the Governor in Council has revoked all previous Orders in Council relating to the "Clean Districts" of Victoria; and has ordered that the whole of Victoria shall be a Clean District within the meaning of the said Act.

Note.—The fee for three months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Thursday, 30th September 1880, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the Government Gazette of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision vii. of section 47 of *The Land Act 1869* shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts i., ii., or iii. of *The Land Act 1869*, except subdivision vii. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act 1869*, or any other Act, now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of an allotment under *The Land Act 1869*, contrary to the true intent of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly, or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

Special Conditions.

1. The period of occupation will be from 1st October 1880 to 31st December 1880.

2. The license fee must be paid in advance. The fee for three months—for which the license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

4. Tenders to be endorsed "Tender for Block 5," or "13," or "19," &c., as the case may be.
