The Officer Administering the Government of Victoria.

[Enclosure.]

AT THE COURT AT WINNISON, THE 15TH DAY OF JULY 1881.—PRESENT: THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by the *Foreign Deserters Act 1852*, it is provided that whenever it is made to appear to Her Majesty that due facilities are or will be given for recovering and apprehending seamen who desert from British merchant ships in the territories of any foreign power, Her Majesty may, by Order in Council, stating that such facilities are or will be given, declare that seamen, not being slaves, who desert from merchant ships belonging to a subject of such power when within Her Majesty's dominions shall be liable to be apprehended and carried on board their respective ships, and may limit the operation of such Order, and may render the operation thereof subject to such conditions and qualifications, if any, as may be deemed expedient:

SHIRES OF NEWHAM AND ROMSEY.

PROPOSED SEVERANCE OF AREA.

IN pursuance of the provisions of *The Local Government Act* 1874 (No. 506, § 46), the substance and prayer of a petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz. :—

The Petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Newham which is described in their petition, and they desire that the area so described may be severed from the Shire of Newham and attached to the Romsey riding of the Shire of Romsey.

Area described in the petition :—
Commencing at the south-east corner of allotment 2, parish of Rochford; thence by the boundary of parish of Monegeeta to Bolinda Creek; thence westerly by boundary of Riddell's Creek riding of Romsey shire to south-west corner of lot 117, parish of Rochford; thence by road northerly to north-west corner of allotment 120 of said parish; thence north-easterly by road to Monument Creek at north-west corner of allotment 10 of same parish; thence by said creek to north-west corner of allotment 21 of same parish; thence east by road to north-east corner of allotment 16 of same parish; thence south by shire boundary to the starting point.

Petitioners state that for years past, more particularly since the opening of the Lancefield railway, their interests have been identified with Romsey, all their produce going to the Romsey station; that the Newham Council has utterly neglected the roads leading thereto, being desirous of drawing all traffic to Woodend; that Romsey shire has, on the other hand, studied their interests by making roads required by them in going to Lancefield station. And they therefore pray that the area above

described be severed from Newham and annexed to the Romsey riding of the Shire of Romsey.

Notices for the petitioners may be addressed to Joseph Anderson, Post Office, Romsey.

SHIRE OF BAIRNSDALE.

PROPOSED SEVERANCE OF AREA AND CONSTITUTION OF NEW SHIRE.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 44th section of the said Act, which has been presented to His Excellency the Governor, are published, viz. :-

The Petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Bairnsdale which is described in their petition, and they desire that the area so described may be severed from the Shire of Bairnsdale, and constituted, with outlying territory, a new shire, under the name or title of "The Shire of Tambo."

Area described in the petition :-
Commencing at the mouth of the Nicholson River; up that river to its source at Mount Baldhead, direct to the junction of the Tambo River and Back Creek; up the latter to its head at Mount Bindi; and up the eastern watershed of the Tambo River to the Great Dividing Range; along this range to Forest Hill; along the New South Wales boundary to a point six miles south-easterly from the Snowy River; southerly direct to the Southern Ocean, at Yering River, near Cape Conran; westerly by the ocean and north shore of Lake King to the commencing point.

Petitioners state that the large territory within the Shire of Bairnsdale prevents equal representation, owing to the excessive cost of travelling from the remote districts, while the officers of the shire are unable to attend to the requirements of that portion of the district inhabited by petitioners, owing to the large extent of country they would have to travel over; that the geographical features of the area renders direct communication with the seaboard a matter of necessity, which is not recognized by the other portions of the shire.

Petitioners therefore pray that the area above described may be severed from Bairnsdale Shire, and constituted, with the outlying territory included in same description, a new shire, to be called Tambo Shire; that it may be divided into four ridings, to be named the Bruthen, Bumberrah, Buchan, and Snowy River ridings, and that the council consist of twelve members; and that such apportionment of properties, rights, and liabilities may be made as will do justice to the municipalities concerned.

Notices on behalf of the petitioners may be served on Mr. John Merry, Bruthen.

Commissioner of Public Works.

SHIRE OF BULN BULN.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of *The Local Government Act 1874* (No. 506, § 46), the substance and prayer of a petition, in accordance with the 44th section of the said Act, which have been presented to His Excellency the Governor in Council, are published, viz. :-

The Petitioners purport to be one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Buln Buln, and state that they are desirous that the said municipal district be re-subdivided into three ridings as follows, viz. :-

NORTH RIDING.—Bounded by a line beginning at the intersection of the west boundary of the shire with the railway line; thence along the railway line to the eastern boundary line of Oliver Harkness' holding; thence north along the eastern boundary of Charles Harkness; thence west along the north boundary of the same to the eastern corner of John Comall's holding; thence north along the eastern boundary line of the same; thence east along the south boundary line of J. C. Smith's land to the south-eastern corner of same; thence north along his eastern boundary line to John Rogers' land; thence west and north by a line running through the said land to the main Gippsland road; thence north by a closed road between Levien's and Brown's land; thence north by the same road to its intersection with the old Telegraph road; thence due north to the Neerim road; thence east to the north-west corner of W. Little's holding; thence east to the boundary of the shire; thence north along such boundary to its north-eastern corner; thence westward and southward along the shire boundary to the starting point.

EAST RIDING.—Bounded by a line beginning at the junction of Lardner's track with the southern boundary of the shire; thence north along said track to the railway line; thence following the boundary line set forth in the North riding to its northern point at the Neerim road; thence east to the shire boundary; thence southward and eastward along the shire boundary to the starting point.

SOUTH RIDING.—Bounded by a line beginning at the intersection of the road from Cranbourne to Drouin with the western boundary of the shire; thence northward and eastward along the shire boundary to the railway line; thence along the railway line to Lardner's road; thence southward along that road to the boundary of the shire; thence south and west along the shire boundary to the south-western boundary of the shire; thence north-west and east along the western boundary of the shire to the starting point.

Petitioners state that, as at present subdivided, the shire is quite unworkable, thereby causing great delay in road-work and unnecessary expense and loss to the community at large. Also, that the physical features of the district have been ignored in the present subdivision, the result being the rates of many ratepayers are spent on roads they have no interest in, while, at the same time, they cannot contribute to the roads they actually use.

Petitioners therefore pray that you will re-subdivide the shire into three ridings, as prayed for, and that the number of councillors shall be nine.

Notices may be served on Mr. J. M. Gannon, Drouin.
