7. When two or more parcels are consigned to one person the above rates are charged on each parcel separately.

## PERISHABLES (TO BE PREPAID).

8. Fish, fruit, butter, eggs, milk, dead game or poultry, rabbit skins, fresh, ice and vegetables to be charged the above rates, stamped or not stamped, as the case may be, or *4th class goods rates* (except fish, which is charged *2nd class goods rates*) if carried at *owner's risk* and consigned on *owner's risk notes* (Form 86 A), and 9d. per ton per mile if carried at the *risk of the carrier*. If not prepaid, either by stamps or cash, ordinary parcels rates will be charged.

15. The stamps to be used for the prepayment of parcels freight are in number and value as follows:—

- |                |                     |
|----------------|---------------------|
| 1. One penny.  | 6. One shilling.    |

| 3. Threepence. | 8. Three shillings. |
| 4. Sixpence.   | 9. Four shillings.  |
| 5. Ninepence.  | 10. Five shillings. |

16. The freight stamp should be affixed, as nearly as possible, in the same relative position on the parcel as is the postage stamp on a letter, that is, on the right-hand side and close to the address. Where the package, being such as meat, a bag, a crate, a cage, &c., does not admit of this, the freight stamp should be attached on a separate and secure label.

17. In regard to stamped parcels upon which, when brought to a station to be carried by railway, charges have been already incurred, the Board will not recognise such charges in any way, either by cash payment thereof or by account as "paid on."

18. Newspapers, in packages, and press parcels must be open at the sides, so that the contents can be ascertained. Packages entirely covered, or covered so that the contents cannot be ascertained, will be carried at the rates for ordinary parcels. Milk cans must be legibly stamped with the name of the station from which they are sent, so as to facilitate the punctual return of

empty cans. The labels should be durable, made of wood or metal, and distinctly addressed. "Money Parcels," whether stamped or not, must be so addressed, and if over the value of £10 such value must be declared.

19. The Board will not be common carriers of live poultry, nor are they to be received if tied by the legs; they must be in coops, cases, or crates.

20. The rates for perishables do not include loading or unloading, in which the servants of the senders and consignees must assist if required. These rates are strictly conditional that the regulations in reference thereto are complied with; in default thereof, the rates for ordinary parcels will be charged.

21. All parcels, whether stamped or not, must be brought to the station at least fifteen minutes before the time fixed for the departure of the train they are to be sent by.

22. The delivery of stamped parcels, after they have been carried by railway, may be made, irrespectively of the ownership thereof, to the person who, from his description of the parcel or other evidence, appears to represent the owner or his agent, or to any licensed carrier.

23. Every care will be taken for the delivery of parcels stamped, but without responsibility, as per conditions set forth on the stamps, as the rates in clause 1 are strictly conditional that stamped parcels to whomsoever delivered are solely at the risk of the owner.

24. A receipt will be given, if demanded, for parcels not stamped carried at the rates provided by clause 1, and for perishables carried at goods rates.

25. Receipt will be given for stamped parcels only on the form approved of by the department.

26. Each stamped parcel must be securely covered and addressed to its destination irrespectively of the writing upon the freight stamp. Separate parcels which are merely tied together must each be stamped. Returned empties, if securely tied together, may be prepaid by one or more stamps of the required value on the outside package.

27. When the freight stamps affixed are not of full value for the weight or distance, and the sender omits or refuses to affix the additional stamps necessary, the stamp will be cancelled and the parcel forwarded at unstamped parcels rates.

28. Freight stamps will be sold at all stations, and also by licensed vendors.

29. The parcels clerk on receiving a stamped parcel for carriage will mark the freight stamp thereon with the name of the station. This mark is to be made on the right-hand side of the freight stamp. The receiving station will also mark the stamp on the left-hand side of the freight stamp.

30. Nothing in these regulations affects the rate for gold, live stock, wool, dangerous goods, horses, dogs, and the exceptions provided by the Act of Parliament of Victoria, numbered 78.

31. Unstamped parcels containing any of the articles mentioned in the first section of the Act of Parliament of Victoria numbered 78 shall be charged the following increased rates, namely:—Over £10 and under £50 in value, double, and over £50 in value, quadruple unstamped parcels rates, as shown above.

32. Nothing in these rates affects the parcels rates now in force on the suburban lines.

33. Corpses, under 40 miles, 20s. each; above 40 miles, 6d. per mile. Corpses will not be forwarded, unless a certificate is produced from the medical attendant at time of decease setting forth that death was not caused by any contagious or infectious disease.

#### COMMERCIAL TRAVELLERS' SAMPLES.

34. Commercial travellers, travelling on the ordinary single or periodical tickets, not including samples, will have their luggage or samples carried at "Half Excess Luggage Rates"—minimum, 1 cwt., and maximum, 10 cwt. Over 10 cwt. a carriage truck to be employed, at 6d. per truck per mile—minimum, 20 miles, and maximum weight, 50 cwt. Travellers to produce some authority from the firms they represent. *This applies only to luggage or samples accompanied by a commercial traveller, in the same train. If sent by a previous or subsequent train, the ordinary Parcels Rates to be charged.*

Commercial travellers may break their journey with their samples in the same manner as can be done with the ordinary single ticket. The samples to be way-billed through to final destination by the station of original departure, a remark being made on way-bill "journey broken," which must be signed by way-billing clerk. One of the forms must, at the same time, be filled up and handed to the traveller, who must present it at each station he stops at, where he will sign for his samples on taking delivery. On presenting them again for transmission, the form to be handed to the station-master, who will enter the next destination on it, initial it, and hand it back to the traveller. Samples sent under these regulations must be fully prepaid to final destination. These rates apply to any samples in excess of the quantity included in a periodical ticket, provided it is booked beforehand. If found in excess at the conclusion of a journey, full rates will be charged. Travellers holding annual tickets for their samples as well as themselves are allowed the privilege of 24 hours' free cloak-room, and of samples preceding or following them one train. *All others must accompany their samples or pay ordinary Parcels Rates.* Travellers must call at the parcels office before the departure of the train, so as to satisfy the Booking Clerk that they are accompanying their samples, otherwise Parcels Rates will be charged. *Note.*—Samples must be contained in tins or leather packages of a handy size, and must have the firm's name legibly painted on them. If contained in cases or other packages in which merchandise for sale is generally packed, ordinary Parcels Rates will be charged.

#### CARRIAGE RATES.

35. Carriages, gigs, dog carts, and vehicles of a similar description will be charged for at the rate of 6d. per mile, subject, however, that the sum of £1 shall be the minimum charge in any case. Two vehicles belonging to the same owner, and loaded on one truck, 9d. per truck per mile, if owner accepts all risks. Three vehicles on same terms, 1s. per truck per mile; minimum, Twenty shillings. For vehicles sent for repair, Return Tickets available for four weeks will be issued at 50 per cent. additional on these rates.

#### LUGGAGE.

36. First-class passengers are allowed to carry 84 lbs., second-class passengers 56 lbs., free of charge, the same to consist of *bona fide luggage only*, and to be contained in a bag, carpet bag, trunk, box, portmanteau, or valise, or any other package commonly used for its carriage. If in chests of drawers, cases, or other packages which usually contain merchandise, they will be charged as Parcels. All excess above that weight will be charged at the undermentioned "Excess Luggage" Rates. Passengers having luggage must deliver it to the station porter fifteen minutes before the starting of the train, so as to give sufficient time to have it weighed (if in excess), checked, and stowed. No luggage will be allowed to be placed in the carriages unless of such size that it can be placed under or over the seat without inconvenience to other passengers; but the Department does not hold itself liable for the loss of luggage, whether free or at excess rates, unless the regulations for the carriage of the same exhibited at all stations have been complied with.

Passengers must have their names, and the station to which they are proceeding, distinctly marked on their luggage, and satisfy themselves that it is placed on the trains. The Department will not hold itself liable for any package not distinctly addressed, or for which the owner has not obtained a luggage check, as per Regulations dated 31st July 1874; nor for any package of luggage, whether "checked" or "excess," whose value shall exceed the sum of £10, unless such value shall be declared at the time of booking, and a further sum equal to one per centum upon such declared value paid.

Over that time an extra charge of 2d. per diem on large and 1d. per diem on small parcels to be made. *Passengers' luggage left in a train or at a station and subsequently claimed are also charged these rates; and likewise parcels arriving at stations addressed "To be left till called for," if such parcels are not taken delivery of in forty-eight hours after arrival at the respective stations.* The Board will not, however, be responsible for any parcel left in Cloak Room or Left Luggage Office whose value shall exceed the sum of £10, unless such value shall at the time of booking be declared, and a further sum equal to one per centum upon such declared value be paid.
