## VOLUNTEER FORCE.

THE Governor, with the advice of the Executive Council, has been pleased to approve of the following "Special Regulations for Volunteer Engineers."

All Regulations previously gazetted for the Corps of Volunteer Engineers are hereby cancelled.

This cancellation does not refer to "Corps Rules."

GRAHAM BERRY,  
Treasurer.

Treasury,  
Melbourne, 20th December 1880.

SPECIAL REGULATIONS FOR VOLUNTEER ENGINEERS, APPROVED BY THE GOVERNOR IN COUNCIL, UNDER THE POWERS CONFERRED BY THE VOLUNTEER STATUTE OF 1865.

1. At the commencement of any year the following Volunteers, and no others, will be classed as effective in the above-named branch of the force:—

(a.) Any Volunteer who was enrolled before the 1st October of the year next preceding, and who has during that year—

- (1.) Attended one battalion parade.
- (2.) Attended seven parades of the corps.
- (3.) Attended and passed an official inspection.
- (4.) Passed an official inspection in some branch of military engineering.

(5.) Attended twenty musters of the corps for exercise and instruction, of which twelve at least were for engineering instruction.

(6.) Gone through a course of musketry instruction.

(b.) Any Volunteer who was enrolled between the 1st October and 31st December of the year next preceding, and who has during that year—

- (1.) Attended one battalion parade.
- (2.) Attended and passed an official inspection.
- (3.) Passed an official inspection in some branch of military engineering.
- (4.) Attended five parades of the corps.

(5.) Attended fourteen musters of the corps for exercise and instruction, of which ten at least were for engineering instruction.

(c.) Any Volunteer who was enrolled between the 1st January and 31st March of the year next preceding, and who has during that year—

- (1.) Attended and passed one parade for official inspection.
- (2.) Attended three parades of the corps.
- (3.) Attended ten musters of the corps for exercise and instruction, of which seven at least were for engineering instruction.

*Parades.*

2. A parade shall mean an assembly of the corps under arms for instruction in the field exercises and evolutions of infantry, or for instruction in military engineering, at which not less than twenty members are present for three quarters of an hour at least.

3. A muster of the corps shall mean an assembly of the corps for squad, company, or gun drill, or for exercises in military engineering.

4. A battalion parade shall mean an assemblage of the corps under arms with one or more other corps for battalion drill in field exercises, at which not less than twenty members are present.

5. For the purposes of battalion drill or inspection, the officer commanding the force may order other parades of the corps, which may be returned by the officer commanding the corps.

*Enrolment.*

6. No person shall be enrolled as a member of the corps of Engineers unless he shall have been educated for or engaged in some scientific, mechanical, or constructive profession or occupation suitable to a corps of Engineers.

*Badge for Military Engineering.*

7. The following amended regulations regarding the examination of all grades of the Volunteer Force in Military Engineering, cancelling those previously issued, are published for general information:—

- (1.) Volunteers who are desirous of competing for the military engineering badge will notify their intention to the officer commanding the corps of Engineers, through the officer commanding the corps to which they belong, at least fourteen days previous to the examination, after which date no such notification will be entertained.
- (2.) A Board of Examiners will be appointed by the Commandant.
- (3.) The examination will be conducted by printed questions, and by a practical test in the field.
- (4.) The Board will give to each competitor a card, bearing a number, which he will affix to each of his examination papers, instead of his name. He will

retain the same number throughout the examination. The card bearing his number, name, rank, and corps to be enclosed in an envelope with the number only on the face of it, and handed in with the last set of answers.

- (5.) The Board will give to each competitor a paper of the printed examination questions on each subject, at the time specified for the examination in that subject.
- (6.) The competitors will write their answers to the questions in the presence of the Board, and their papers will be collected at the hour appointed by a member of the Board. Any competitor, however, on completing his examination paper on any subject before the hour named, may deliver it into the hands of a member of the Board.

Foolscap paper, in half sheets, is always to be used, folded lengthways, by which it will be divided into quarter margin. Answers to the questions are to be written with ink, on one side only, and on the outer portion of the page, leaving the margin blank for the remarks of the examiners. No paper written in pencil will be received.

(7.) Competitors will be furnished with writing materials but not with mathematical instruments.

(8.) Competitors will not be allowed to communicate with each other nor to use any book or note of reference, unless by the authority of the Board.

(9.) Questions are to be distinctly answered; and, in calculations, the work must be given.

(10.) All answers should be illustrated as much as possible by pen and ink sketches, with figured dimensions.

(11.) Any competitor obtaining one-half the total number of marks possible at any examination shall be declared to have passed, and those obtaining three-fourths to have passed with credit.

(12.) The names and examination numbers of the competitors who are successful will be put in orders as soon as possible after the reports of the examiners have been received by the Commandant, with the total number of marks gained by each competitor, and his place on the list according to merit. The examination numbers *alone* of the unsuccessful competitors, with the total number of marks obtained by each, and his place on the list, will be posted in the Engineer Orderly Room or Depot.

8. An examination will be held in each year, and will be open to all grades and corps of the Volunteer Force.

9. The particular subjects for examination will be notified three months previously.

10. No person will be eligible for examination unless he shall have attended twelve parades or musters for instruction in some branch of military engineering, of not less than three-quarters of an hour at a time, during the six months next preceding the examination.

11. Any Volunteer who was classed as an effective on the 1st July, and returned as having passed an examination in any year, shall be entitled to the badge for military engineering during his term of enrolment in the Volunteer Force, providing he continues to be classed as an effective on the 1st July in each year after gaining it; and shall be entitled to a scroll, with the year upon it in which it was gained, for passing an examination in any subsequent year.

12. The scroll can only be retained upon the same conditions as those laid down for the badge.

13. Any Volunteer who passes examination for badge five times, and under conditions above named, shall receive the five years' badge; and any Volunteer who passes ten times, under same conditions, shall receive the ten years' badge.

14. Any Volunteer entitled to wear a badge upon the above conditions, and being desirous of gaining further honors, may do so by passing an examination in the subjects laid down for candidates for the rank of Commissioned Officer, and will receive a certificate "passed with credit" upon the conditions laid down for the badge.

15. The subjects for examination for the badge will be taken from Parts I., II., III., IV., V., of Volume I. of Instructions in Military Engineering, compiled at the School of Military Engineering, Chatham.

*Promotions.*

16. Candidates desiring to qualify for the rank of Corporal must pass one examination with credit.

17. Candidates desiring to qualify for the rank of Sergeant must pass two examinations with credit, and also an examination in Arithmetic, Simple Mensuration, and Practical Geometry.

18. Candidates desiring to qualify for the rank of Subaltern must pass the examination above described for Sergeant, and, in addition, must pass an examination in Plane Trigonometry, Algebra, Military Surveying, and in Mechanics as applicable to Military Engineering.

Approved by the Governor in Council  
the 20th December 1880.

ROB. WADSWORTH,  
Clerk of the Executive Council.

## TENDERS FOR GRAZING LANDS.

NOTE.—The fee for eleven months must accompany the tender.

TENDERS will be received by the Board of Land and Works up to Noon of Thursday, 27th January 1881, for the occupation for Grazing purposes only of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council, and published in the *Government Gazette* of 11th February 1876, as under, and also the subjoined special conditions.

Every license granted under subdivision VII. of section 47 of *The Land Act* 1869 shall be subject to the conditions set forth in the schedule hereto, and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized on that behalf.

## Schedule.

1. This license shall not be deemed to prevent the land comprised therein or any part or parts thereof from being sold, leased, or licensed under any of the provisions of parts I., II., or III. of *The Land Act* 1869, except subdivision VII. of the 47th section thereof, or proclaimed a common, or occupied by virtue of any miner's right or business license, or alienated or dealt with under the authority of *The Land Act* 1869, or any other Act now or hereafter to be in force, otherwise than for pastoral or depasturing purposes, or resumed by order of the Governor, acting by and with the advice of the Executive Council, for railways, roads, telegraph lines, dams, reservoirs, races, catchwater drains, pipe-tracks, quarries, or other public purposes; and no licensee shall in any such case be entitled to compensation other than the return of such portion of the fee paid by him as the Minister may think fit.

2. If the licensee, or any person claiming an interest through or under the licensee in the land comprised in this license, shall, at any time during the period for which the license has been issued, employ any person to apply for a license of the provisions thereof, or shall make or cause to be made any agreement or contract, or shall give or take, or cause to be given or taken, any negotiable security for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly, or indirectly, commit or be privy to a fraud upon the said Act, this license shall be void.

3. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this license shall be deemed within the operations of this license.

4. This license entitles the holder thereof during the period therein specified to use the land in respect of which the same is granted for depasturing purposes only, and does not confer any right to build thereon, or to cultivate, or fence any portion thereof; but if the holder thereof desire such use of the land beyond such period, notice to that effect must be given by him to the Minister one month prior to expiry thereof.

5. The interest in this license may not be transferred without the consent of the Minister and payment of a fee of One pound (£1), and upon sanction of transfer thereof a new license will issue to the transferee.

6. No claim whatsoever shall be made or entertained by reason of this license not being renewed or transferred.

## Special Conditions.

1. The period of occupation will be from 1st February 1881 to 31st December 1881.

2. The license fee must be paid in advance. The fee for eleven months—for which the license will be issued—must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be for so much per block per annum separately.

4. Tenders to be endorsed "Tender for Block 1," or "3," or "5," &c., as the case may be.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are in all cases given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

GRAZING ON TWO FOREST PADDOCKS FOR  
TENDER.—Estimated Area 1000 Acres.

TO BE LET IN ONE LOT.

TENDERS will be received by the Board of Land and Works up to Noon of Friday 28th January instant for the right to graze on the two fenced Forest Paddocks on the Ballarat and Daylesford roads, subject to the Regulations approved by the Governor in Council and published in the *Government Gazette* of 11th February 1876, and also to the following

Special Conditions.

1. The period of occupation will be from 1st February to 31st December 1881.

2. The license fee must be paid in advance. The fee must accompany the tender or be paid by the successful tenderer or his agent immediately on the declaration of the acceptance of the tender, otherwise the offer of the next highest tenderer who may be prepared to comply with this condition may be accepted.

3. Tenders to be so much per annum, and to be endorsed "Tender for Forest Paddocks."

4. The highest or any tender not necessarily accepted.

5. Tenderers must give their full name and ordinary postal address.

6. The successful tenderer will be required to keep the fences in repair, and to deposit £10 as a guarantee for the observance of this condition during the currency of the license.

The Crown Lands Bailiff at Ballarat will afford all information respecting the land.

R. RICHARDSON,  
Commissioner of Crown Lands and Survey,  
Office of Lands and Survey,  
Melbourne, 4th January 1881.

FORAGE.

TENDERS will be received until Ten o'clock a.m. on Tuesday, 1st February next, for the supply of Forage, in such quantities as may be required for the service of the Government at stations, as per list, from the 1st March 1881 to the 28th February 1882.

Printed forms of tender and conditions of contract may be obtained from the Secretary, Tender Board, Treasury, Melbourne, or from the officer in charge of police at any station, by whom also information or explanation will be afforded to persons tendering.

As much forage as can be stored at any station where the storage is small, will, for the convenience of the contractor, be ordered at one time.

The price, which must be expressed in words as well as in figures, and without alterations, erasures, or discrepancies, must be per cental of 100 lbs. (net weight), including delivery at the stations and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied, the contractor will be required to remove them when delivery is taken. At other stations notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

Tenders, which should be upon the printed form, will be received for either oats, bran, hay, or straw (the particular kind

of hay or straw offered to be stated); but if all be included in one tender, it may be accepted for one article only, if advisable. Telegrams will not be entertained.

Tenders not complying with the terms of advertisement will not be entertained.

The successful tenderer will be required to enter into a bond for one-third of the estimated amount of the contract within ten days after the acceptance is notified. Two approved sureties are required for contracts amounting to £150 and upwards, and one surety for contracts under £150.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to again hold contracts for Government supplies.

Tenders must be enclosed in an envelope, marked "Tender for Forage," and deposited in the Tender-box, Pay Office, Treasury, Melbourne; or, if sent by post, they must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by *Gazette* notice, and by letter to accepted tenderers.

GRAHAM BERRY,  
Treasury,  
Melbourne, 16th December 1880.

Treasurer.
